Systems of oppression thrive off of our inability to make peace with bodies and difference Radical self love not only dismantles shame and self loathing in us but has the power to dismantle global systems of injustice because when we make peace with our bodies only then do we have the capacity to truly make peace with the bodies of others Love, Lucas Chantele Sedgwick,2015-05-05 A 2015 Whitney Award Nominee A powerful story of loss second chances and first love reminiscent of Sarah Dessen and John Green When Oakley Nelson loses her older brother Lucas to cancer she thinks she ll never recover Between her parents arguing and the battle she s fighting with depression she feels nothing inside but a hollow emptiness When Mom suggests they spend a few months in California with Aunt Jo Oakley isn t sure a change of scenery will alter anything but she s willing to give it a try In California Oakley discovers a sort of safety and freedom in Aunt Jo s beach house Once they re settled Mom hands her a notebook full of letters addressed to her from Lucas As Oakley reads one each day she realizes how much he loved her and each letter challenges her to be better and to continue to enjoy her life He wants her to move on If only it were that easy But then a surfer named Carson comes into her life and Oakley is blindsided He makes her feel again As she lets him in she is surprised by how much she cares for him and that s when things get complicated How can she fall in love and be happy when Lucas never got the chance to do those very same things With her brother s dying words as guidance Oakley knows she must learn to listen and trust again But will she have to leave the past behind to find happiness in the future Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Boomerang Tyler Smith,Alison Hofmeyer,2020-06-09 If there was a guest follow up system being used by over 17 000 church leaders would you be intrigued If church leaders were seeing first time guest attendance and guest retention far surpassing the national average would you want to know what they re doing If there was a 3 step framework for building a guest follow up system that creates more connection among members and guests and frees up more time among church staff and volunteers would you give it a try Spoiler alert there is Boomerang is the key to successful and sustainable church guest follow up Here s what you will find in Boomerang The proven 3 step framework of gather connect build The actual follow up messages and strategies used by thousands of churches all across the country that are seeing incredible growth The process of building a follow up system that will work for you freeing up more of your time to do what got you into ministry in the first placeBoomerang isn t like any other church growth book There are no theories or hypotheticals It is packed full of practical proven and strategic steps your church can start implementing right away Boomerang Noelle August,2014-07-08 The first book in a sensational New
