Steven C. van den Heuvel,2017-05-04 There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer His theology is particularly suitable in this context due to its open ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer s theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer s theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer s work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer s time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer s theology can make **Bonhoeffer on the Christian Life** Stephen J.

Nichols,2013-06-30 The abundance of conferences lectures and new books related to Dietrich Bonhoeffer attests to the growing interest in his amazing life and thought provoking writings The legacy of his theological reflections on the nature of fellowship the costliness of grace and the necessity of courageous obedience has only been heightened by the reality of how he died execution at the hands of a Nazi death squad In this latest addition to the popular Theologians on the Christian Life series historian Stephen J Nichols guides readers through a study of Bonhoeffer s life and work helping readers understand the basic contours of his cross centered theology convictions regarding the Christian life and circumstances surrounding his dramatic arrest and execution Part of the Theologians on the Christian Life series **Dietrich Bonhoeffer and a Theology**

**of the Exception** Kevin O'Farrell,2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the

Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age     **Dietrich Bonhoeffer** Eberhard

Bethge, 2000-02-18 At a time when much of the world was either enticed with or entrapped by fascism Dietrich Bonhoeffer dared to live the morally responsible Christian life to its most expressive and tragic end As a theologically rooted opponent to National Socialism and later as a member of the political resistance against Nazism Bonhoeffer was recognized as a leader even by his enemies and was hanged by the Gestapo in 1945 His legacy has inspired many and has demonstrated his landmark life and works to be among the most important of the twentieth century and the most relevant for our times ahead This celebrated biography of Dietrich Bonhoeffer by Eberhard Bethge Bonhoeffer's friend pupil close associate and relative by marriage has been fully reviewed corrected and clarified by leading Bonhoeffer scholar Victoria Barnett for this new edition of the classic and definitive work With previous sections updated and expanded and entirely new sections on Bonhoeffer's childhood never before seen in English this edition is sure to be the most accurate and inspiring textual rendering of Bonhoeffer to date     *Karl Barth in the Theology of Dietrich Bonhoeffer* Andreas Pangritz, 2018-09-28 This important work

explores the complex relationship between two of the twentieth century's most formidable Christian thinkers Karl Barth and Dietrich Bonhoeffer Seizing on a much discussed criticism that Bonhoeffer made of Barth's theology in his prison letters that Barth was guilty of a positivism of revelation Andreas Pangritz challenges scholars who have used this statement despite being left undeveloped by Bonhoeffer as a wedge to separate the two theologians Through a careful study of Barth's and Bonhoeffer's works of their correspondence and of Barth's comments and revisions after Bonhoeffer's death Pangritz clarifies the close yet sometimes strained relationship between Barth and Bonhoeffer and cautiously makes the case that Bonhoeffer's criticism has been overemphasized and did not mark a significant breach between the two great theologians Much more than a study of a disputed discourse in historical theology this engaging volume also raises concerns of continuing relevance regarding the role of theology in our secular society     **The Cambridge Companion to Dietrich Bonhoeffer** John W. de

Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer 1906-45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds Its chapters written by authors from differing national theological and church contexts provide a helpful introduction to and commentary on Bonhoeffer's life work and writing and so guide the reader along the complex paths of his thought Experts set out comprehensively Bonhoeffer's political social and cultural contexts and offer biographical information which is indispensable for the understanding of his theology Major themes arising from the theology

and different interpretations to it lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging There is a chronology a glossary and an index      The Barthian Revolt in Modern Theology Gary J. Dorrien,2000-01-01 In this history of the rise development and near demise of Karl Barth s theology Gary Dorrien carefully analyzes the making of the Barthian revolution and the reasons behind its simultaneously dominating and marginal character He discusses Barth s relationship to his predecessors and contemporaries as well as to modern theologians and argues that his approach to theology was deeply indebted to his liberal past      *Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann,2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer s own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer s theological anthropology and establishes that Bonhoeffer s Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer s mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer s theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer s ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer s life and theology namely his dedication to the Bible as God s word is also consistent with his Christian humanism      *Dietrich Bonhoeffer's Ethics of Formation* Ryan Huber,2020-05-19 This book argues that formation lies at the heart of Dietrich Bonhoeffer s ethical project Ryan Huber examines Bonhoeffer s life story and his most influential ethical writings from his encounter with Jesus Christ in the early 1930s until his arrest in 1943 to illustrate the centrality of Christological formation in both      **Bonhoeffer's Theology of the Cross** J.I. de Keijzer,2019-10-14 Back cover Engaging Bonhoeffer s dialogues with Barth and Heidegger in Act and Being J I de Keijzer shows how Bonhoeffer both in his critical assessment of Barth s dialectic and his appropriation of Heidegger s ontology articulates a contemporary theologica crucis that proves to be deeply influenced by Luther      Bonhoeffer and Christology Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive

Christology that reflects the plurality of the globalized world as Bonhoeffer's Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony. In this way he characterizes his enterprise as follows: "What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today" (DBWE 8:362). Accordingly, it opens itself up not only to inner Christian discussion but also to non-Christian worldviews from which a basic ethical demand follows.

**Movements of Grace** Jeff McSwain, 2010-09-15. To Barth, Bonhoeffer and the Torrance, grace is not an abstract truth; it is reality itself. By God's revelation in Jesus Christ, we are given the blessed assurance to know that all human beings are included in the humanity of the Savior. And in Christ, we discover the movements of grace: a double movement at once God-humanward and human-Godward, all by the Holy Spirit. These theologians were keen to remind us that Christ's ongoing mediatorship includes all appropriate human responses to God. In fact, only by grace and in union with Christ do we have true response ability. It is this going with the flow of the Holy Spirit *en Christo* that makes *Christo* realism so dynamic and life-giving.

Theology Against Religion Tom Greggs, 2011-12-29. A constructive approach from a theological perspective about the category of religion in Dietrich Bonhoeffer and Karl Barth.

Olson offer a sympathetic guide and a critical assessment of the significant theologies and theologians of the 20th century. They trace the shifts in theology as it has moved back and forth between God's immanence and God's transcendence.
