## Reality Of Jesus:

**The Reality of Jesus** Dermot A. Lane, 1975 A synthesis of current thinking on Christology      Subversive Jesus Craig Greenfield, 2016 Craig Greenfield has dedicated his life to following the most subversive teachings of Jesus These amazing stories of a young family living obedient to God's radical call will inspire and challenge readers as they dare to reconsider how Jesus might be calling all of us to love our world      **Jesus: The Way, the Truth, and the Life** Marcellino D'Ambrosio, 2020-01-01 In this book Marcellino D'Ambrosio has painted a rich picture that brings Jesus and his world to life Clear concise and compelling Jesus The Way the Truth and the Life is a must read for every Catholic Edward Sri Jesus The Way the Truth and the Life by Marcellino D'Ambrosio is an ebook that stands alone but also accompanies the 10 week video study program presented by Marcellino D'Ambrosio Jeff Cavins and Edward Sri In this book Catholics walk step by step with Jesus from his infancy to the Ascension Anchored in the life of Christ as presented in the Gospels it explores the entirety of Jesus life who he is what he is really like what he taught what he did for our salvation and what this means for us as Catholics today This study shows in a simple way how Jesus the Incarnate God is both fully divine and fully human his intimacy with the Father his revelation of the Father's love and his extraordinary influence on his disciples his followers and even his enemies Most importantly this encounter with Christ will inspire and empower you to center your entire life in him as you come to know and love him in an ever deeper and more intimate way In this book Catholics will learn Who Jesus is and how he answers the longings of the human heart Why Jesus was baptized The significance of the Transfiguration The essentials of Christology explained in a way the average Catholic can understand The mystery and meaning of the Resurrection Christ's triumph over death The nature of Jesus mission and the redemption of humanity Our role today as Catholics in the Great Commission Paperback 280 pages Nihil obstat Rev Robert A Pesarchik Censor deputatus January 21 2020 Imprimatur Most Reverend Charles J Chaput Archbishop of Philadelphia November 21 2020      **Did Jesus Exist?** G. A. Wells, 1987-02 Professor Wells argues that there was no historical Jesus and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity The question at issue is what all the evidence adds up to Does it establish that Jesus did or did not exist Professor Wells concludes that the latter is the more likely hypothesis This challenge to received thinking by both Christians and non Christians is supported by much documentary evidence and Professor Wells carefully examines all the relevant problems and answers all the relevant questions He deliberately avoids polemic and speculation and sticks so far as possible to the known facts and to rational inferences from the facts      *The Universal Christ* Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find

encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus s last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God s constant unfolding work in the world God loves things by becoming them he writes and Jesus s life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less about proving Jesus was God and more about learning to recognize the Creator s presence all around us and in everyone we meet Thought provoking practical and full of deep hope and vision *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is

reincarnation is real Jesus was married truth is relative there is no sin and perfection is possible The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity **What Did Jesus Look Like?** Joan E. Taylor, 2018-02-08 Jesus Christ is arguably the most famous man who ever lived His image adorns countless churches icons and paintings He is the subject of millions of statues sculptures devotional objects and works of art Everyone can conjure an image of Jesus usually as a handsome white man with flowing locks and pristine linen robes But what did Jesus really look like Is our popular image of Jesus overly westernized and untrue to historical reality This question continues to fascinate Leading Christian Origins scholar Joan E Taylor surveys the historical evidence and the prevalent image of Jesus in art and culture to suggest an entirely different vision of this most famous of men He may even have had short hair Christ as the Reality Witness Lee, 1981 **Seeing and savouring**

**Jesus Christ** JOHN PIPER, 2020-05-21 Who is Jesus Christ You've never met Him in person and you don't know anyone who has But there is a way to know who he is How Jesus Christ the divine Person revealed in the Bible has a unique excellence and a spiritual beauty that speaks directly to our souls and says Yes this is truth It's like seeing the sun and knowing that it is light or tasting honey and knowing that it is sweet The depth and complexity of Jesus shatter our simple mental frameworks He baffled proud scribes with his wisdom but was understood and loved by children He calmed a raging storm with a word but would not get himself down from the cross Look at the Jesus of the Bible Keep your eyes open and fill them with the portrait of Jesus in God's Word Jesus said If anyone's will is to do God's will He will know whether the teaching is from God or whether I am speaking on my own authority Ask God for the grace to do His will and you will see the truth of His Son John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else

**Suffering and the Sovereignty of God** John Piper, Justin Taylor, 2006-09-13 In the last few years 9 11 a tsunami Hurricane Katrina and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous Against the overwhelming weight and seriousness of the Bible many Christians are choosing to become more shallow more entertainment oriented and therefore irrelevant in the face of massive suffering In *Suffering and the Sovereignty of God* contributors John Piper Joni Eareckson Tada Steve Saint Carl Ellis David Powlison Dustin Shramek and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word They urge readers to look to Christ even in suffering to find the greatest confidence deepest comfort and sweetest fellowship they have ever known

*Jesus the Man* Barbara Thiering, 2030-12-31 A Simon Schuster eBook Simon Schuster has a great book for every reader *The Case for Christ* Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel a former legal editor at the Chicago Tribune and biblical scholars such as Bruce Metzger Each interview is based on a simple question concerning historical evidence for example Can the Biographies of Jesus Be Trusted scientific evidence Does Archaeology Confirm or Contradict Jesus Biographies and psychiatric evidence Was Jesus Crazy When He Claimed to Be the Son of God Together

these interviews compose a case brief defending Jesus divinity and urging readers to reach a verdict of their own **Jesus**

Ian Curtis,2006-06 Are you strong enough to handle the truth about your faith and belief Since infancy you have been taught stories from the Bible Did you know that they are simply myths and superstitions gathered together from the veils of antiquity The priests of the ancient world were seeking a new method of power and control over the masses In this book you will be given truths and directed to paths of reality All religions are created for control and wealth Jesus never existed and there is no evidence that a benevolent God watches over his children There is also the same lack of proof that an Allah a Buddha or a Krishna ever existed or exists today What we have developed is a path to the total destruction of mankind Our planet earth is being torn apart by foolish beliefs which are promoted and supported by the weaknesses of a mass of human beings who have to have a security blanket Collectively the nations of the world are on an inevitable collision course and the cause is religion This is the ultimate results of a child s game of my God is bigger than your God **Too Good to Be False**

Tom Gilson,2020-08 Stories always involve a main character and Jesus character is unlike any other No other hero whether of history myth imagination or legend has loved as he loved led the way he led been a friend the way he was a friend or understood himself as Jesus understood himself unChristian David Kinnaman,Gabe Lyons,2007-10-01 Based on groundbreaking Barna Group research unChristian uncovers the negative perceptions young people have of Christianity and explores what can be done to reverse them *Eternal Living* Gary W. Moon,2014-12-04 Curated by Dallas Willard s long time colleague and friend Gary Moon this medley of images snapshots and Dallas isms moves readers toward deeper experiences of God Whether influenced by him as a family member friend professor philosopher or reformer contributors bring refreshing insight into his ideas what shaped him and also his contagious theology of grace and joy The True Nature of God Andrew Wommack,2012-08-07 I ve tried to be the perfect person God expects me to be but I just can t I give up I know God loves me but it seems like He never answers my prayers I do everything the Bible says I should so why hasn t God blessed me like He promised Is God schizophrenic The Bible is full of nothing but contradictions Questions and comments like these compelled Andrew Wommack to introduce the profoundly simple concepts found in this book Often human perspective and the mechanics of Christianity eclipse The True Nature of God the God who wants nothing more than to share an intimate friendship with His children If you re wondering who God is or if He cares let Andrew show you The True Nature of God **Jesus Before the Gospels** Bart D. Ehrman,2017-02-28 The bestselling author of Misquoting Jesus one of the most renowned and controversial Bible scholars in the world today examines oral tradition and its role in shaping the stories about Jesus we encounter in the New Testament and ultimately in our understanding of Christianity Throughout much of human history our most important stories were passed down orally including the stories about Jesus before they became written down in the Gospels In this fascinating and deeply researched work leading Bible scholar Bart D Erhman investigates the role oral history has played in the New Testament how the telling of these stories not only spread Jesus

message but helped shape it A master explainer of Christian history texts and traditions Ehrman draws on a range of disciplines including psychology and anthropology to examine the role of memory in the creation of the Gospels Explaining how oral tradition evolves based on the latest scientific research he demonstrates how the act of telling and retelling impacts the story the storyteller and the listener crucial insights that challenge our typical historical understanding of the silent period between when Jesus lived and died and when his stories began to be written down As he did in his previous books on religious scholarship debates on New Testament authorship and the existence of Jesus of Nazareth Ehrman combines his deep knowledge and meticulous scholarship in a compelling and eye opening narrative that will change the way we read and think about these sacred texts
