Reality Check Teenage Fathers Speak Out:

When Boys Become Parents Mark S. Kiselica, 2011 Kiselica dispels many of the myths surrounding teenage fatherhood and shows that contrary to popular belief these young men are often emotionally and physically involved in relationships with their partner and their child But without support and guidance from adults these relationships often deteriorate in the first year of the child's life Kiselica offers advice for professionals and policy makers that calls for support groups led by caring male role models bonding through sport before counseling begins and peer based recruitment Publisher description

Teen Fathers Today Ted Gottfried, 2001-01-01 The myths of teen fatherhood are set against the reality as financial responsibilities family issues and stories from teen parents reveal what it is like to have this difficult role **More**
Rip-Roaring Reads for Reluctant Teen Readers Bette D. Ammon, Gale W. Sherman, 1998-12-15 Show reluctant teens that reading is not only fundamental it's also fun In this companion book to Rip Roaring Reads for Reluctant Teen Readers Ammon and Sherman describe 40 exciting contemporary titles 20 for middle school 20 for high school written by outstanding authors These are books your students won't want to put down Designed to make the matching process between student and books easy and successful this volume also includes genre and theme indexes curriculum activities interest and readability levels and reproducible bookmarks for each entry **Reality Check** Margi Trapani, 1997-01-01 Teenage fathers highlight the challenges of being a teen parent discussing responsibility economic hardship and emotional issues involved in parenting at a young age *A Baby Doesn't Make the Man* Raymond M. Jamiolkowski, 2001 Discusses reasons why teenage boys engage in sex the consequences of irresponsible sexual activity and alternative ways for young men to feel good about themselves **Teenage Pregnancy and Poverty** Barbara Miller, 2000-12-15 Discusses the problem of teen pregnancy and how it affects the economic future of the persons involved **Library Media Connection**, 1997 **A House United** Nicholeen Peck, 2013-08-24 This book shows parents the communication skills they need to teach their children to govern themselves With the proper family environment and understanding of childhood behaviors homes can become happier

Teen Pregnancy Myra Immell, 2001 Each year in the United States nearly 1 million girls between the ages of fifteen and nineteen become pregnant The text looks at the realities of teen sexual activity the theories for preventing and reducing teen pregnancy the tough choices that pregnant teens are faced with and offers personal stories from young mothers Beyond Stereotypes in Black and White Henrie M. Treadwell, 2013-01-09 This book spotlights the plight of African American boys and men examining multiple systems beyond education incarceration and employment to assess their impact on the mental and physical health of African American boys and men and challenges everyday citizens to help start a social transformation Beyond Stereotypes in Black and White How Everyday Leaders Can Build Healthier Opportunities for African American Boys and Men exposes the daily plight of African American boys and men identifying the social and policy infrastructure that ensnares them in a downward spiral that worsens with each exposure to our system that offers unemployment low wage

work marginalization and incarceration The book examines why African American boys and men are more sickly and die younger than any other racial group in the United States have very few health coverage options and are consistently incarcerated at rates that are wildly disproportionate to their representation of the U S population and it documents how this tremendous injustice comes with a cost that burdens all groups in American society not just African Americans Additionally the author challenges readers to see that all of us must act individually and collectively to right this social wrong Take Back the Game Linda Flanagan, 2022-08-23 A really brilliant book Malcolm Gladwell Longlisted for the Porchlight Business Book Awards 2022 A close look at how big money and high stakes have transformed youth sports turning once healthy fun activities for kids into all consuming endeavors putting stress on children and families alike Some 75% of American families want their kids to play sports Athletics are training grounds for character friendship and connection at their best sports insulate kids from hardship and prepare them for adult life But youth sports have changed so dramatically over the last 25 years that they no longer deliver the healthy outcomes everyone wants Instead unbeknownst to most parents kids who play competitive organized sports are more likely to burn out or suffer from overuse injuries than to develop their characters or build healthy habits What happened to kids sports And how can we make them fun again In Take Back the Game coach and journalist Linda Flanagan reveals how the youth sports industry capitalizes on parents worry about their kids futures selling the idea that more competitive play is essential in the feeding frenzy over access to colleges and universities Drawing on her experience as a coach and a parent along with research and expert analysis Flanagan delves into a national obsession that has Compelled kids to specialize year round in one sport Increased the risk of both physical injury and mental health problems Encouraged egregious behavior by coaches and parents Reduced access to sports for low income families A provocative and timely entrant into a conversation thousands of parents are having on the sidelines Take Back the Game uncovers how youth sports became a serious business the consequences of raising the stakes for kids and parents alike and the changes we need now *Teens at Risk* Laura K. Egendorf, Jennifer A. Hurley, 1999 This collection of articles presents differing viewpoints about the causes possible prevention and remedies for such problems as teenage crime pregnancy and drug use Parents!
