The Reality of Prayer E. M. Bounds, 2012-05-01 Has prayer become just another complicated ritual Is it a struggle to spend time in prayer Does God really answer prayer E M Bounds shows us that prayer is not difficult It is a privilege and a blessing By examining how Jesus prayed Bounds helps us to pray boldly and expectantly When we pray with the confidence of a child we will find that God is eager to answer us and we will discover the reality of what Jesus knew prayer works The Reality of Prayer

Edward M. Bounds, 2016-11-22 Too often we think of prayer in only the human dimension as a means of edification or spiritual empowerment but prayer in fact is a mostly spiritual thing where it impacts many different aspects of life and spirit Bounds expounds on this brilliantly and uses both Christ and the Holy Spirit as examples of and the expositors or our prayers to the Father

Where Prayer Becomes Real Kyle Strobel, John Coe, 2021-03-02 If we re honest most of us feel bored distracted or discouraged in prayer We look for resources to give us the right words or teach us the right technique and are disappointed when they don t seem to help What we fail to realize is that prayer isn t a place for us to be good or right and it isn t a place for us to perform or prove our worth It s a place for us to be honest present and known a place for us to offer ourselves and receive God Spiritual formation experts Kyle Strobel and John Coe want to show you what you ve been missing when it comes to prayer In this down to earth book they show you how to fearlessly draw near to a holy God pray without ceasing and without posturing and delight in the experience of being fully known and fully loved Each chapter ends with prayer projects or practices to help you see a difference in your prayer life starting now

Where the Light Fell Philip Yancey, 2021-10-05 In this searing meditation on the bonds of family and the allure of extremist faith one of today s most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us

that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father s death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward

Seeing Is Believing Gregory A. Boyd, 2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don t feel the reality of Jesus Sure they believe in him and love him but he somehow doesn t seem to enter their daily lives in a real sense Some might say You ought to pray more Others would advise You ought to witness more While this may be true we don t get closer to God just because we ought to Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R rest and reality Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real The best way to do this he says is through imaginative prayer Experiencing Jesus will teach readers how to use God s gracious gift of creative imagination to know him better and feel his presence in their daily lives

Prayer and the Knowledge of God Graeme Goldsworthy, 2003 Is it really possible to talk to God Does he listen to us How do we know what to say Will it make any difference if we pray Prayer is central to Christian faith and life and such questions are fundamental While much teaching on prayer addresses practical issues and is experience oriented Graeme Goldsworthy s conviction is that good practice comes from a foundation of good biblical

understanding In this accessible and wide ranging study Goldsworthy explores the reality of God the ministry of Jesus Christ and our experience of being his redeemed people as the grounds for prayer which he defines as talking to God Using a biblical theological approach he examines the principles that lie behind particular texts in Scripture and he maps out the progress of prayer from Genesis to Revelation He explains the basis for prayer its role in our fellowship with God and what is involved in Christian prayer Above all Goldworthy s desire is to encourage Christians in their praying through a better understanding of and reflection on the big story of the whole Bible Wild at Heart Revised and Updated John Eldredge,2011-04-17 John Eldredge revises and updates his best selling renowned Christian classic Wild at Heart and in it invites men to Recover their masculine heart See themselves in the image of a passionate god Delight in the strength and wildness men were created to offer In this provocative book Eldredge provides a look inside the true heart of a man and gives men permission to be what God designed them to be dangerous passionate alive and free **The Prayer Matrix** Dr. David Jeremiah,2013-10-16 David Jeremiah approaches the good news of God s willingness to respond to our prayers from a fresh angle describing prayer as the built in trigger for the good things that happen in this world Readers will discover just how eagerly God is waiting to answer us Like a loving father He is always glad to have us come to Him as children with the things that are on our heart Prayer delights God s heart because He has ordained the processes of the world to work through the prayers of His people You Can Make a Difference Your prayers mean more than you realize At the moment you pray you connect to the most powerful force in the universe You become an integral part of the rich complex communication network of prayer God has hard wired the universe to work through prayer It s breathtaking to realize that the all powerful God intends you to have such a huge part in the work of ushering in His kingdom for all eternity Enter the matrix and discover the ultimate reality a reality beyond your imagination Story Behind the Book Even Dr Jeremiah struggles with prayer He has read near 100 books on the subject God is just waiting for His people to pray so that He can pour out His abundant blessing on them Nothing is too big or too small to bring to God He is waiting for you to pour out your requests to Him and become part of the prayer matrix **The Reality of Prayer** E. M. Bounds,2011-12-02 Pray Pray and Pray some more God loves it and the Devil hates it In The Reality of Prayer Bounds explores how prayer is A Privilege Princely Sacred how it Fills Man s Poverty with God s Riches Our Lord s Model Prayer The Holy Spirit and Prayer and much more The word Prayer expresses the largest and most comprehensive approach unto God It gives prominence to the element of devotion It is communion and intercourse with God It is enjoyment of God It is access to God Supplication is a more restricted and more intense form of prayer accompanied by a sense of personal need limited to the seeking in an urgent manner of a supply for pressing need Supplication is the very soul of prayer in the way of pleading for some one thing greatly needed and the need intensely felt E M Bounds offered perhaps a more profound understanding of prayer than any other contemporary Christian thinker His classic books on the personal communication with God explore how prayer must come from the whole being and strengthens

faith in Christian lives
