Really Good Scare Pack Of 4:

The Bone Keeper Luca Veste, 2019 He'll slice your flesh Your bones he'll keep The Bone Keeper's coming And he'll make you weep What if the figure that haunted your nightmares as a child was real Twenty years ago four teenagers went exploring in the local woods trying to find the supposed home of the Bone Keeper Only three returned Now a woman is found wandering the streets horrifically injured claiming to have fled the evil urban myth And then a body turns up George R. R. Martin Starter Pack 4-Book Bundle George R. R. Martin, 2012-12-03 The epic saga that inspired HBO's Game of Thrones made George R. R. Martin an international phenomenon but there's much more to this versatile prolific and original author In addition to the book that kicks off A Song of Ice and Fire this eBook bundle includes Dreamsongs Volume I which showcases Martin's early writings Fevre Dream the acclaimed author's reinvention of the vampire novel and The Armageddon Rag a thrilling story of psychedelic and apocalyptic rock Spanning genres of fantasy science fiction horror and suspense Martin's virtuosic talents will surprise and delight even his most devoted fans A GAME OF THRONES The only fantasy series I'd put on a level with J. R. R. Tolkien's The Lord of the Rings It's a fantasy series for hip smart people even those who don't read fantasy Chicago Tribune In a land where summers can last decades and winters a lifetime trouble is brewing As sinister forces mass beyond the kingdom's protective Wall the king's powers are failing his most trusted adviser is dead and his enemies are emerging from the shadows of the throne At the center of the conflict lie the Starks of Winterfell a family as harsh and unyielding as the frozen land they were born to Now Lord Eddard Stark is reluctantly summoned to serve as the king's new Hand an appointment that threatens to sunder not only his family but the kingdom itself DREAMSONGS VOLUME I The ideal way to discover a master of science fiction fantasy and horror Martin is a writer like no other The Guardian U.K. Gathered here are the very best of Martin's early works including his Hugo Nebula and Bram Stoker award winning stories cool fan pieces and the original novella The Ice Dragon from which his New York Times bestselling children's book of the same title originated With extensive author commentary Dreamsongs Volume I is a rare treat offering fascinating insights into Martin's journey from young writer to award winning master FEVRE DREAM An adventure into the heart of darkness that transcends even the most inventive vampire novels Los Angeles Herald Examiner Abner Marsh a struggling riverboat captain suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer The hauntingly pale steely eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister and perhaps more noble than his most fantastic nightmare and humankind's most impossible dream THE ARMAGEDDON RAG The best novel concerning the American pop music culture of the sixties I've ever read Stephen King Onetime underground journalist Sandy Blair has come a long way from his radical roots in the sixties until he's drawn back by the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazg l As Sandy investigates the crime he finds himself drawn

back into his own past For a new messiah has resurrected the Nazg l along with a requiem of demonism mind control and death whose apocalyptic tune only Sandy may be able to change *Billboard* ,2000-10-07 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Scary Stories to Tell in the Dark* Alvin Schwartz,2010-07-27 Are you brave enough for Scary Stories Some boys and girls were at a party one night There was a graveyard down the street and they were talking about how scary it was Don t ever stand on a grave after dark one of the boys said The person inside will grab you A grave doesn t scare me said one of the girls I ll do it right now Welcome to the macabre world of Scary Stories Inside you ll find alarming tales of horror dark revenge and the supernatural with spine tingling illustrations by renowned artist Brett Helquist
