Swinburne and the Singing Word** Dr Yisrael Levin, 2013-04-28 Focusing on Algernon Charles Swinburne's later writings this collection makes a case for the seriousness and significance of the writer's mature work While Swinburne's scandalous early poetry has received considerable critical attention the thoughtful rich spiritually and politically informed poetry that began to emerge in his thirties has been generally neglected This volume addresses the need for a fuller understanding of Swinburne's career that includes his fiction aesthetic ideology and analyses of Shakespeare and the great French writers Among the key features of the collection is the contextualizing of Swinburne's work in new contexts such as Victorian mythography continental aestheticism positivism and empiricism Individual essays examine among other topics the dialect poems and Swinburne's position as a regional poet

Swinburne as a transition figure from nineteenth century aesthetic writing to the professionalized criticism that dominates the twentieth century Swinburne's participation in the French literary scene Swinburne's friendships with women writers and the selections made for anthologies from the nineteenth century to the present Taken together the essays offer scholars a richer portrait of Swinburne's importance as a poet critic and fiction writer Twentieth-Century Poetic Translation Daniela Caselli, Daniela La Penna, 2008-05-01 Twentieth Century Poetic Translation analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical cultural and theoretical perspectives Focusing on specific case studies within the Italian English and North American literary communities spanning from authoritative translations of poets by poets to the role of dialect poetry and anthologies of poetry the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons It brings together leading scholars in the history of the Italian language literary historians and translators specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century **The Works of Elizabeth Barrett Browning Vol 1** Sandra Donaldson, Rita Patteson, Marjorie Stone, Beverly Taylor, Simon Avery, Cynthia Burgess, Clara Drummond, Barbara Neri, 2024-12-20 A canonical Victorian writer and thinker Barrett Browning personified the engaged intellectual This edition provides a foundation for a complete analysis and interpretation of her works and of Victorian Britain The edition presents accurate and accessible texts of all her published literary works Volume 1 General Introduction Poems 4th edn 1856 *Victorian Poetry and Modern Life* Natasha Moore, 2015-12-26 Faced with the chaos and banality of modern everyday life a number of Victorian poets sought innovative ways of writing about the unpoetic present in their verse Their varied efforts are recognisably akin not least in their development of mixed verse forms that fused novel and epic to create something equal to the miscellaneousness of the age **Masculinity in Four Victorian Epics** Clinton Machann, 2016-05-06 Offering provocative readings of Tennyson's Idylls of the King Barrett Browning's Aurora Leigh Clough's Amours de Voyage and Browning's The Ring and the Book Clinton Machann brings to bear the ideas and methods of literary Darwinism to shed light on the central issue of masculinity in the Victorian epic This critical approach enables Machann to take advantage of important research in evolutionary psychology cognitive science anthropology among other scientific fields and to bring the concept of human nature into his discussions of the poems The importance of the Victorian long poem as a literary genre is reviewed in the introduction followed by transformative close readings of the poems that engage with questions of gender particularly representations of masculinity and the prevalence of male violence Machann contextualizes his reading within the poet's views on social philosophical and religious issues arguing that the impulses drives and tendencies of human nature as well as the historical and cultural context influenced the writing and thus must inform the interpretation of the Victorian epic *Stateliest Measures* A. A. Markley, 2004-01-01 The great nineteenth century English poet Alfred Lord Tennyson received an unusually thorough

education in the classical languages and he remained an active classical scholar throughout his lifetime His intimate knowledge of both Greek and Latin literature left an indelible stamp on his poetry both in terms of the sound and rhythm of his verses and in the themes that inspired him Stateliest Measures the first full length study of Tennyson s thematic and metrical uses of classical material examines the profoundly important role that his classical background played as he fashioned himself into a poet in the 1820s and 30s and as he defined himself as poet laureate as of 1850 A A Markley examines Tennyson s objectives in developing the classical dramatic monologue which together with In Memoriam and his experiments with classical meters indicate the degree to which he patterned himself after the Roman poet Virgil in attempting to provide modern Britain with a literature worthy of a new and rapidly expanding world empire Stateliest Measures demonstrates that Tennyson s engagement with the long running and complex nineteenth century debates concerning Hellenism Imperialism and modern British culture was much more profound than his critics have recognized

**Century** Betsy Winakur Tontiplaphol, 2016-04-22 Beginning with John Keats and tracing a line of influence through Alfred Lord Tennyson and Gerard Manley Hopkins Betsy Tontiplaphol draws on established narratives of the nineteenth century s social and literary developments to describe the relationship between poetics and luxury in an age when imperial trade and domestic consumerism reached a fevered pitch The luscious poem as Tontiplaphol defines it is a subset of the luxurious a

category that suggests richness in combination with enclosure and intimacy For Keats Tontiplaphol suggests the psychological virtues of luscious experience generated a new poetics one that combined his Romantic predecessors sense of the ameliorative power of poetry with his own revaluation of space both physical and prosodic Her approach blends cultural context with close attention to the formal and affective qualities of poetry as she describes the efforts of Keats and his equally though differently anxious Victorian inheritors to develop textual spaces as luscious as the ones their language describes For all three poets that effort entailed rediscovering and reinterpreting the list or catalogue and each chapter s textual and formal analyses are offered in counterpoint to careful examination of the century s luscious materialities Her book is at once a study of influence a socio historical critique and a form focused assessment of three century defining voices

**Condescension** Daniel Siegel, 2012-04-22 Charity and Condescension explores how condescension a traditional English virtue went sour in the nineteenth century and considers how the failure of condescension influenced Victorian efforts to reform philanthropy and to construct new narrative models of social conciliation In the literary work of authors like Dickens Eliot and Tennyson and in the writing of reformers like Octavia Hill and Samuel Barnett condescension once a sign of the power and value of charity became an emblem of charity's limitations This book argues that despite Victorian charity's reputation for idealistic self assurance it frequently doubted its own operations and was driven by creative self critique Through sophisticated and original close readings of important Victorian texts Daniel Siegel shows how these important ideas developed even as England struggled to deal with its growing underclass and an expanding notion of the state's responsibility to its poor
