## **Rear View Stories:**

*Stories from a Rearview Mirror* Ernest Kiss, 2020-01-31 *Stories from a Rearview Mirror* follows the life of a boy raised at the bank of the Danube River after World War II. This covers seventy years of some of the most turbulent events in history: fascist and communist dictatorships, revolutions and wars, and how he became a man during it while balancing studies, sport, careers, family and work. *Stories from a Rearview Mirror* tells of how he carried out his escape plan to flee the Iron Curtain and to reunite with his lost father in the United States while experiencing some major milestones both of his life and of humanity. Having finally settled in California, his chosen occupation as an international trouble shooter took control over his life and guided him into large international projects over five continents. He lived and worked in every economic and political system in over 20 countries ranging from Alaska, Patagonia, Saudi Arabia, Indonesia, Venezuela, South Africa, Paris, London, Amsterdam, Canada, and Kuwait. Despite the hard blows life has thrown to him and his family, he maintained his sanity and went on. All the while he maintained his good humor and dedication to his favorite things in life: cats, women, and espresso coffee. His perseverance paid off at the end, having found friends, peace, happiness, and love.

**Rear View** Pete Duval, 2004 With uncanny insight and deadpan humor, the twelve stories in Pete Duval's debut collection feature night shift workers, lapsed Catholics, bullies, and smalltime thieves struggling with their jobs, their religion, and their families. Duval records in a fresh off-kilter voice the desperate measures, heated confrontations, and moments of grace that occur in working class communities. Throughout the collection, Duval explores his characters with compassion and candor and an eye for the surprising moment.

**Life Through the Rearview Mirror** Ed Lincoln, 2010-10-13 In this charming and refreshingly frank memoir, the creator of Seattle's Pink Toe Truck shares heartwarming and rollicking tales that illustrate his passion for family, hard work, and hilarity. Ed Lincoln invites you to jump in the passenger's seat and take a peek through the rearview mirror as he reveals surprising life lessons that have spanned the decades. This true story once again proves that fact is often more compelling than fiction. You will burst out laughing, hold back tears, and maybe even dust off a few nuggets of wisdom to put in your own back pocket.

**Rear View Wisdom** Dr. Michael High, 2025-03-19 Over thirty-five years of treating animals in Seattle and all across Western Canada, Dr. Michael High has given more than a lifetime of stories. He has worked with hilarious, challenging, and tender animals, all of whom have left an impact on him. From being a new graduate on Vancouver Island, doing everything for the first time, to that period near retirement in Seattle, doing everything for the last time, Michael High shares the lessons he learned from his animal patients about happiness, success, and failure, and what's important in life. Lessons he sometimes learned well after their treatment. *Rear View Wisdom* isn't just an insight into a veterinarian's daily life; it shares the lessons Michael has learned from his patients that apply to every part of living.
