Sermons .. To which are Added, Some Fragments of Prayers. 9th Ed Rev. George Carr, 1803

The Gospel in Genesis Martyn Lloyd-Jones, 2009-10-07 In this series of never before published sermons beloved teacher Martyn Lloyd Jones walks readers through the early chapters of Genesis The Gospel in Genesis starts with the fall of man and ends with the call of Abram as it examines portions of chapters 3-12 Along the way Lloyd Jones talks of serpents and sin of the Word of God and the Babel of man But the destination of The Gospel in Genesis is clear readers will be moved from fig leaves in the garden to faith in the gospel Thus Lloyd Jones preaches the gospel of Jesus Christ from the pages of Genesis These nine sermons will snap nonbelievers out of their apathy toward God and will embolden believers to share the only gospel that offers answers to life's biggest questions

You've Already Got It! Andrew Wommack, 2006-11 Many Christians believe God can do anything but they don't understand the completion of His plan through Jesus' death burial and resurrection It is in the discovery of what God has already done that our walk with Him becomes a joy and an

adventure Jesus sacrifice on the cross was great He exchanged His perfect life and all the power of heaven for our sins our weaknesses Through Him our eternal destiny is set Yet in our day to day lives It seems that we still deal with so many challenges sickness financial struggles difficult relationships our own shortcomings Is it possible to walk in victory in this life Andrew Wommack reveals powerful truths in this practical view of the work of Jesus Christ truths that are life changing Readers will learn how Jesus death burial and resurrection not only paid for their eternal salvation but gave them everything they need for abundant life right here right now Andrew encourages readers to avoid being like the dog constantly chasing his tail not realizing he already has it As readers begin to understand the extent of the work on the cross their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever thought possible Wommack approaches faith from a no nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God Written along the same lines as Kenneth Hagin s How to Turn Your Faith Loose and Right and Wrong Thinking Wommack goes a step further by revealing the erroneous teachings that encourage believers to beg for God s help Instead he shows that Jesus already finished His work when He was resurrected and now it s the believer s responsibility and privilege to enforce that victory against the powers of darkness Kingdom Prologue Meredith G. Kline, 2006-02-01 As intimated by the subtitle Genesis Foundations for a Covenantal Worldview the immediate literary focus of this study is the book of Genesis and its account of the formative ages in the eschatological movement of the kingdom of God from creation to consummation As also indicated by the subtitle our biblical theological commentary on Genesis is designed to uncover the foundations of God s covenantally administered kingdom with its major historical developments and its institutional structures and functions In this way Kingdom Prologue seeks to provide an introductory sketch of the overall shape of the biblical worldview and the character of biblical religion **The Omnipotence of Faith: a Sermon, on Mark IX. 23** William Penington BURGESS, 1818 **Mark for Beginners** Mike Mazzalongo, 2016-12-01 Mark s gospel is a rapid fire account of Jesus ministry focusing primarily on His many miracles This eyewitness account presents the boldest and clearest witness of Jesus identity as the Son of God with power
