**Why You Will Marry the Wrong Person** The School of Life, 2017-04-27 A collection of essays extended from The New York Times most read article of 2016 Anyone we might marry could of course be a little bit wrong for us We don't expect bliss every day The fault isn't entirely our own it has to do with the devilish truth that anyone we're liable to meet is going to be rather wrong in some fascinating way or another because this is simply what all humans happen to be including sadly ourselves This collection of essays proposes that we don't need perfection to be happy So long as we enter our relationships in the right spirit we have every chance of coping well enough with and even delighting in the inevitable and distinctive wrongness that lies in ourselves and our beloveds

Not Yet Married Marshall Segal, 2017-06-20 Life Is Never Mainly About Love and Marriage So Learn to Live and Date for More Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you But God has far more planned for you than your future marriage Not Yet Married is not about waiting quietly in the corner of the world for God to bring you the one but about inspiring you to live and date for more now If you follow Jesus the search for a spouse is no longer a pursuit of the perfect person but a pursuit of more of God He will likely write a love story for you different than the one you would write for yourself but that's because he loves you and knows how to write a better story This book was written to help you find real hope happiness and purpose in your not yet married life

What Wives Wish Their Husbands Knew About Women James C.

Dobson,2010-12-22 Dr Dobson's suggestions for marital happiness are interesting practical and humorous **This Momentary Marriage** John Piper,2009-04-03 Reflecting on forty years of matrimony John Piper exalts the biblical meaning of marriage over its emotion exhorting couples to keep their covenant for all the best reasons Even in the days when people commonly stayed married til death do us part there has never been a generation whose view of marriage was high enough says Pastor John Piper That is all the more true in our casual times Though personal selfishness and cultural bondage obstruct the wonder of God's purpose it is found in God's Word where his design can awaken a glorious vision capable of freeing every person from small Christ ignoring romance intoxicated views As Piper explains in reflecting on forty years of matrimony Most foundationally marriage is the doing of God And ultimately marriage is the display of God It displays the covenant keeping love between Christ and his people to the world in a way that no other event or institution does Marriage therefore is not mainly about being in love It's mainly about telling the truth with our lives And staying married is not about staying in love It is about keeping covenant and putting the glory of Christ's covenant keeping love on display This Momentary Marriage unpacks the biblical vision its unexpected contours and its weighty implications for married single divorced and remarried alike **The Case for Marriage** Linda Waite,Maggie Gallagher,2002-03-05 A groundbreaking look at marriage one of the most basic and universal of all human institutions which reveals the emotional physical economic and sexual benefits that marriage brings to individuals and society as a whole The Case for Marriage is a critically important intervention in the national debate about the future of family Based on the authoritative research of family sociologist Linda J Waite journalist Maggie Gallagher and a number of other scholars this book's findings dramatically contradict the anti marriage myths that have become the common sense of most Americans Today a broad consensus holds that marriage is a bad deal for women that divorce is better for children when parents are unhappy and that marriage is essentially a private choice not a public institution Waite and Gallagher flatly contradict these assumptions arguing instead that by a broad range of indices marriage is actually better for you than being single or divorced physically materially and spiritually They contend that married people live longer have better health earn more money accumulate more wealth feel more fulfillment in their lives enjoy more satisfying sexual relationships and have happier and more successful children than those who remain single cohabit or get divorced The Case for Marriage combines clearheaded analysis penetrating cultural criticism and practical advice for strengthening the institution of marriage and provides clear essential guidelines for reestablishing marriage as the foundation for a healthy and happy society A compelling defense of a sacred union The Case for Marriage is well written and well argued empirically rigorous and learned practical and commonsensical William J Bennett author of The Book of Virtues Makes the absolutely critical point that marriage has been misrepresented and misunderstood The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com) **What Is Marriage?** Sherif Girgis,Ryan T. Anderson,Robert George,2020-07-21 Until very recently no society had seen marriage as anything other than a conjugal partnership a male female union What Is Marriage identifies

and defends the reasons for this historic consensus and shows why redefining civil marriage as something other than the conjugal union of husband and wife is a mistake Originally published in the Harvard Journal of Law and Public Policy this book's core argument quickly became the year's most widely read essay on the most prominent scholarly network in the social sciences Since then it has been cited and debated by scholars and activists throughout the world as the most formidable defense of the tradition ever written Now revamped expanded and vastly enhanced What Is Marriage stands poised to meet its moment as few books of this generation have Sherif Girgis Ryan T Anderson and Robert P George offer a devastating critique of the idea that equality requires redefining marriage They show why both sides must first answer the question of what marriage really is They defend the principle that marriage as a comprehensive union of mind and body ordered to family life unites a man and a woman as husband and wife and they document the social value of applying this principle in law Most compellingly they show that those who embrace same sex civil marriage leave no firm ground none for not recognizing every relationship describable in polite English including polyamorous sexual unions and that enshrining their view would further erode the norms of marriage and hence the common good Finally What Is Marriage decisively answers common objections that the historic view is rooted in bigotry like laws forbidding interracial marriage that it is callous to people's needs that it can't show the harm of recognizing same sex couplings or the point of recognizing infertile ones and that it treats a mere social construct as if it were natural or an unreasoned religious view as if it were rational
