

Metaphor and Politics

Jeffery Scott Mio

California State Polytechnic University, Pomona

For at least 3 decades, researchers and political theorists have been interested in how metaphors are used as persuasive devices. Theorists in this area have tended to assume that metaphors are persuasive, and they have discussed how this process occurs. They have focused on the necessity of communication in politics and have noted that metaphors have assisted politicians in communicating more effectively by addressing latent symbolic themes residing in segments of the public consciousness. Metaphors also fit in with the new information-processing models of political knowledge, in which metaphors collapse complicated issues into more simplified packets of information that can be easily understood by the public. However, research in this area is much more equivocal. Metaphors do not appear to be generally effective, so the future of research needs to focus upon specific areas in which they are effective as opposed to answering the general question of whether they are effective or not.

Political communication is the "lifeblood or mother's milk of politics because communication is the essential activity that links the various parts of society together and allows them to function as an integrated whole" (Graber, 1993, p. 305). As Edelman (1964, 1971, 1977, 1988) contended, at the core of political communication is the ability of the politician to use metaphor and symbols that awaken latent tendencies among the masses.

An oft-quoted perspective among cognitive psychology researchers of metaphor is Paivio's (1979) contention: "Metaphor is a solar eclipse. It hides the object of study and at the same time reveals some of its most salient and interesting characteristics when viewed through the right telescope" (p. 150). This hiding-as-it-reveals quality of metaphor was anticipated long before in the political arena by Edelman (1971):

Reason Of Metaphor A Study In Politics

Andrew Ortony

Reason Of Metaphor A Study In Politics:

Political Language and Metaphor Terrell Carver, Jernej Pikalo, 2008-03-04 Until a century ago a metaphor was just a mere figure of speech but since the development of discourse analysis a metaphor has become more than merely incidental to the content of the arguments or findings Students and scholars in political studies know the importance of metaphors in electoral and policy related politics coming across metaphors that are knowingly or unknowingly influencing our perception of politics This book is the first to develop new methodological approaches to understand and analyse the use of metaphor in political science and international relations It does this by Combining theory with case studies in order to advance substantive work in politics and international relations that focuses on metaphor Expands the range of empirical case studies that employ this category descriptively and also in explanatory logic Advances research that investigates the role of metaphor in empirical and discourse based methodologies thus building on results from other disciplines notably linguistics and hermeneutic philosophy This innovative study will be of interest to students and researchers of politics international relations and communication studies

Politicians and Rhetoric J. Charteris-Black, 2016-01-03 This book analyzes the rhetoric of speeches by major British or American politicians and shows how metaphor is used systematically to create political myths of monsters villains and heroes Metaphors are shown to interact with other figures of speech to communicate subliminal meanings by drawing on the unconscious emotional association of words

Moral Politics George Lakoff, 1996 Moral Politics takes a fresh look at how we think and talk about political and moral ideas George Lakoff analyzed recent political discussion to find that the family especially the ideal family is the most powerful metaphor in politics today Revealing how family based moral values determine views on diverse issues as crime gun control taxation social programs and the environment George Lakoff looks at how conservatives and liberals link morality to politics through the concept of family and how these ideals diverge Arguing that conservatives have exploited the connection between morality the family and politics while liberals have failed to recognized it Lakoff explains why conservative moral position has not been effectively challenged A wake up call to political pundits on both the left and the right this work redefines how Americans think and talk about politics

A Method for Linguistic Metaphor Identification Gerard Steen, 2010 This book presents a complete method for the identification of metaphor in language at the level of word use It is based on extensive methodological and empirical corpus linguistic research in two languages English and Dutch The method is formulated as an explicit manual of instructions covering one chapter the method being a development and refinement of the popular MIP procedure presented by the Pragglejaz Group in 2007 The extended version is called MIPVU as it was developed at VU University Amsterdam Its application is demonstrated in five case studies addressing metaphor in English news texts conversations fiction and academic texts and Dutch news texts and conversations Two methodological chapters follow reporting a series of successful reliability tests and a series of post hoc troubleshooting exercises The final chapter presents a first empirical analysis of the findings and shows what this

type of methodological attention can mean for research and theory *Moral Politics* George Lakoff, 2010-12-15 In this classic text the first full scale application of cognitive science to politics George Lakoff analyzes the unconscious and rhetorical worldviews of liberals and conservatives discovering radically different but remarkably consistent conceptions of morality on both the left and right For this new edition Lakoff adds a preface and an afterword extending his observations to major ideological conflicts since the book's original publication from the impeachment of Bill Clinton to the 2000 presidential election and its aftermath **The Reason of Metaphor** Donald F Miller, 1992-03-24 Donald F Miller's theoretical insight into the metaphoricity of thought and his sensitive political critique of Indian culture are bound by the underlying investigation into the relationship between the self and the other There is never the suggestion of equivalence or exclusivity but rather the compulsion to discover the comprehensibility of the incommensurable Playful delightful study Political Studies A vibrant protest against the analytic frame of politics in which concepts are well defined and fundamental truths known The Reason of Metaphor emphasizes the lack of universal standards and truths and displays a dissatisfaction with the dominant western faith in reason Donald Miller argues against any cultural disposition to think only in terms of either/or and seeks to restore the dignity of metaphor both as the heart of all political discourse and as the primary tool of political analysis and demystification Attempting to expand the range of interpretations and options the author encourages an exploration of the both/and and neither/nor logic embodied in the Indian tradition of non dualism and in the ideas of Jacques Derrida Including a masterly analysis of the relation between language and thought as well as a seven fold typology of metaphor this thought provoking volume will be of wide interest to scholars in the fields of political science social theory philosophy language and culture postmodernism and linguistics Miller's writing style is lively and provocative Contributions to Indian Sociology Miller is not only illustrating the exilic dynamism of modernity but also attempting to incorporate the radial energy of polysemia into the language of critique The book begins and ends with a celebration of the creativity that comes with keeping open the tension in dualisms Indian Book Review **Metaphor and Political Discourse** A. Musolff, 2004-01-01 Far from being rhetorical ornaments metaphors play a central role in public discourse as they shape the structure of political categorisation and argumentation Drawing on a very large bilingual corpus this book now in paperback analyses the distribution of metaphor scenarios in more than a decade of public discourse on European integration elucidating differences in UK and German attitudes and argumentation The corpus analysis leads to a refinement of cognitive metaphor theory by systematically relating conceptual semantic and argumentation levels and incorporating the historical dimension of metaphor evolution Finally drawing on examples of metaphor negotiation and on a reassessment of Hobbes' concept of metaphor in Leviathan the book highlights the ethical dimension of metaphor in politics **Politics and Rhetoric** James Martin, 2013-10-08 Rhetoric is the art of speech and persuasion the study of argument and in Classical times an essential component in the education of the citizen For rhetoricians politics is a skill to be performed and not merely observed Yet in

modern democracies we often suspect political speech of malign intent and remain uncertain how properly to interpret and evaluate it Public arguments are easily dismissed as mere rhetoric rather than engaged critically with citizens encouraged to be passive consumers of a media spectacle rather than active participants in a political dialogue This volume provides a clear and instructive introduction to the skills of the rhetorical arts It surveys critically the place of rhetoric in contemporary public life and assesses its virtues as a tool of political theory Questions about power and identity in the practices of political communication remain central to the rhetorical tradition how do we know that we are not being manipulated by those who seek to persuade us Only a grasp of the techniques of rhetoric and an understanding of how they manifest themselves in contemporary politics argues the author can guide us in answering these perennial questions **Politics and Rhetoric** draws together in a comprehensive and highly accessible way relevant ideas from discourse analysis classical rhetoric updated to a modern setting relevant issues in contemporary political theory and numerous carefully chosen examples and issues from current politics It will be essential reading for all students of politics and political communications

Metaphors We Live By George Lakoff, Mark Johnson, 1980-11-01 The now classic *Metaphors We Live By* changed our understanding of metaphor and its role in language and the mind Metaphor the authors explain is a fundamental mechanism of mind one that allows us to use what we know about our physical and social experience to provide understanding of countless other subjects Because such metaphors structure our most basic understandings of our experience they are metaphors we live by metaphors that can shape our perceptions and actions without our ever noticing them In this updated edition of Lakoff and Johnson's influential book the authors supply an afterword surveying how their theory of metaphor has developed within the cognitive sciences to become central to the contemporary understanding of how we think and how we express our thoughts in language

Metaphors We Live By George Lakoff, Mark Johnson, 2008-12-19 The now classic *Metaphors We Live By* changed our understanding of metaphor and its role in language and the mind Metaphor the authors explain is a fundamental mechanism of mind one that allows us to use what we know about our physical and social experience to provide understanding of countless other subjects Because such metaphors structure our most basic understandings of our experience they are metaphors we live by metaphors that can shape our perceptions and actions without our ever noticing them In this updated edition of Lakoff and Johnson's influential book the authors supply an afterword surveying how their theory of metaphor has developed within the cognitive sciences to become central to the contemporary understanding of how we think and how we express our thoughts in language

Politics and the English Language George Orwell, 2025 In *Politics and the English Language* George Orwell dissects the decay of language and its insidious link to political manipulation With sharp analysis and clear examples he exposes how vague pretentious and misleading language is used to obscure truth and control thought More than a critique this essay is a call to clarity urging writers to resist jargon and dishonesty in favor of precision and honesty A timeless and essential read Orwell's insights remain as relevant today as when

they were first written GEORGE ORWELL was born in India in 1903 and passed away in London in 1950 As a journalist critic and author he was a sharp commentator on his era and its political conditions and consequences

Metaphor and Thought Andrew Ortony,1993-11-26 Metaphor and Thought first published in 1979 reflects the surge of interest in and research into the nature and function of metaphor in language and thought In this revised and expanded second edition the editor has invited the contributors to update their original essays to reflect any changes in their thinking Reorganised to accommodate the shifts in central theoretical issues the volume also includes six new chapters that present important and influential fresh ideas about metaphor that have appeared in such fields as the philosophy of language and the philosophy of science linguistics cognitive and clinical psychology education and artificial intelligence

Metaphor and Communication Elisabetta Gola,Francesca Ervas,2016-02-24 This collection of papers presents different views on metaphor in communication The overall aim is to show that the communicative dimension of metaphor cannot be reduced to its conceptual and or linguistic dimension The volume addresses two main questions does the communicative dimension of metaphor have specific features that differentiate it from its linguistic and cognitive dimensions And how could these specific properties of communication change our understanding of the linguistic and cognitive dimensions of metaphor The authors of the papers collected in this volume offer answers to these questions that raise new interests in metaphor and communication

Political Metaphor Analysis Andreas Musolff,2016-08-25 Political metaphors and related figurative discourse tools are characterised by their variability and contentiousness Using them discourse participants try to gain competitive advantage over others by offering their audiences new meaning nuances challenging each other and announcing political initiatives It is here that metaphor as a means to change meanings and thus to change social and political reality comes into its own Political Metaphor Analysis provides an innovative approach to the study of figurative language use in political discourse by presenting empirical analyses based on a large corpus of political metaphors and metonymies linking these analyses to theoretical positions and assessing their limitations and perspectives for further exploration The classic model of conceptual metaphor analysis pioneered by Lakoff and Johnson 1980 and expanded and amended over the past thirty five years is critically examined with regard to new findings about the variation historicity pragmatic exploitation comprehension and interpretation of metaphors As a central new analytical category the notion of metaphor scenario is proposed and tested against various sub sets of data It allows to link hypothesised conceptual metaphors to narrative argumentative and evaluative patterns in actual discourse and understanding processes so that their cognitive significance can be more reliably gauged and theoretically modelled

Saving Persuasion Bryan Garsten,2009-03-31 In today s increasingly polarized political landscape it seems that fewer and fewer citizens hold out hope of persuading one another Even among those who have not given up on persuasion few will admit to practicing the art of persuasion known as rhetoric To describe political speech as rhetoric today is to accuse it of being superficial or manipulative In Saving Persuasion Bryan Garsten uncovers the

early modern origins of this suspicious attitude toward rhetoric and seeks to loosen its grip on contemporary political theory. Revealing how deeply concerns about rhetorical speech shaped both ancient and modern political thought, he argues that the artful practice of persuasion ought to be viewed as a crucial part of democratic politics. He provocatively suggests that the aspects of rhetoric that seem most dangerous—the appeals to emotion, religious values, and the concrete commitments and identities of particular communities—are also those which can draw out citizens' capacity for good judgment. Against theorists who advocate a rationalized ideal of deliberation aimed at consensus, Garsten argues that a controversial politics of partiality and passion can produce a more engaged and more deliberative kind of democratic discourse.

The Power of Metaphor

Mark Jordan Landau, 2014. This book explores the possibility that metaphor is a cognitive tool that people routinely use to understand abstract concepts such as morality in terms of superficially dissimilar concepts that are relatively easier to comprehend such as cleanliness.

Governing Codes Karrin Vasby Anderson, Kristina K. Horn Sheeler, 2005-01-01. *Governing Codes* examines the political identity of four contemporary U.S. political figures: Democrats Ann Richards and Hillary Rodham Clinton and Republicans Christine Todd Whitman and Elizabeth Dole, illustrating how metaphor plays a central role in the construction of public identity in U.S. politics. Anderson and Sheeler analyze how familiar narratives and stereotypes about women and power often govern media portrayals of public women, containing and constraining them, but also how these women mine the metaphorical landscape for rhetorical strategies they can use to accomplish their pragmatic goals.

Metaphor Zoltan Kovecses, 2010-03-12. Combining up-to-date scholarship with clear and accessible language and helpful exercises, *Metaphor: A Practical Introduction* is an invaluable resource for all readers interested in metaphor. This second edition includes two new chapters on metaphors in discourse and metaphor and emotion, along with new exercises, responses to criticism, and recent developments in the field, and revised student exercises, tables, and figures.

The Language of Crisis Mimi Huang, Lise-Lotte Holmgren, 2020-07-15. In times of crisis, how do people conceptualise and communicate their experiences through different forms and channels? How can original research in cognitive linguistics, discourse analysis, and crisis studies advance our understanding of the ways in which we interact with and communicate about crisis events? In answering these questions, this volume examines the unique functions, features, and applications of the metaphors and frames that emerge from and give shape to crisis-related discourses. The chapters in this volume present original concepts, approaches, authentic data, and findings of crisis discourses in a wide range of organisational, political, and personal contexts that affect a diverse body of language users and communities. This book will appeal to a broad readership in linguistics, sociological studies, cognitive sciences, crisis studies, as well as language and communication researchers and practitioners.

Metaphor in Socio-Political Contexts Manuela Romano, 2024-05-06. Metaphor studies is a vibrant and fascinating field. The present book brings together the work of influential researchers analyzing metaphor empirically from critical socio-cognitive perspectives. The case studies focus on the role of metaphor as a powerful strategy for the creation of

specific world views and ideological frames as well as for their contestation in current crises

Reason Of Metaphor A Study In Politics Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Reason Of Metaphor A Study In Politics**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Reason Of Metaphor A Study In Politics Introduction

Reason Of Metaphor A Study In Politics Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reason Of Metaphor A Study In Politics Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reason Of Metaphor A Study In Politics : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Reason Of Metaphor A Study In Politics : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reason Of Metaphor A Study In Politics Offers a diverse range of free eBooks across various genres. Reason Of Metaphor A Study In Politics Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reason Of Metaphor A Study In Politics Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reason Of Metaphor A Study In Politics, especially related to Reason Of Metaphor A Study In Politics, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reason Of Metaphor A Study In Politics, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reason Of Metaphor A Study In Politics books or magazines might include. Look for these in online stores or libraries. Remember that while Reason Of Metaphor A Study In Politics, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reason Of Metaphor A Study In Politics eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reason Of Metaphor A Study In Politics full book , it can give you a taste of the authors writing style. Subscription Services Platforms

like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reason Of Metaphor A Study In Politics eBooks, including some popular titles.

FAQs About Reason Of Metaphor A Study In Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reason Of Metaphor A Study In Politics is one of the best book in our library for free trial. We provide copy of Reason Of Metaphor A Study In Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reason Of Metaphor A Study In Politics. Where to download Reason Of Metaphor A Study In Politics online for free? Are you looking for Reason Of Metaphor A Study In Politics PDF? This is definitely going to save you time and cash in something you should think about.
