Reasons Of The Heart:

Reasons of the heart William Edgar, 1996 **The Heart Has Its Reasons** Maria Duenas, 2014-11-11 Declared a writer to watch Publishers Weekly starred review New York Times bestselling author Mar a Due as pours heart and soul into this story of a woman who discovers the power of second chances A talented college professor in Madrid Blanca Perea seems to have it all But her world is suddenly shattered when her husband of twenty years leaves her for another woman Questioning the life she once had and whether she truly knows herself Blanca resolves to change her surroundings She accepts what looks like a boring research grant in California involving an exiled Spanish writer who died decades ago Anxious to leave her own troubled life behind she is gradually drawn into his haunted world with its poignant loves and unfulfilled ambitions But in delving into the past Blanca finds herself simultaneously awakened to the present by Daniel Carter a charismatic professor with crucial knowledge about the dead writer that he has never before revealed Amid this web of passion conflict and hidden feelings including her own Blanca advances like an avid detective refusing to quit and ultimately discovers startling answers that resonate deeply in her own life Evocative lyrical and humorous *The Heart Has Its Reasons* is a journey of the soul from the pangs of the past to the vibrant present It is a story about the thrill of creating one's life anew **The Reasons of the Heart** John S. Dunne, 1989-08-31 John Dunne writes with intelligence style grace and sure and discerning spiritual insight Like all writers of really good spiritual theology Dunne never betrays his subject matter with the kind of pious posturing or psycho babble gimmickry that too often passes for spiritual writing His prose is crisp without being dense or rattling His theological sensitivity is alert to nuance without becoming trapped into mere jargon His care for the heart of authentic spirituality like Henri Nouwen's is steady and believable Dunne chooses the classical religious metaphor of the journey and invites his readers to join him in a journey into solitude and back again into the human circle He insists that we accept as guides in this journey the great spiritual masters of the Eastern and Western traditions Thus in reading *Reasons of the Heart* we find ourselves in the presence of some of the best insights of John's Gospel Augustine Aquinas Dante Pascal Kierkegaard Buber the Buddha and Jesus Dunne skillfully invites the reader to pass over to a religious and theological vision of God and of our common humanity in our journey to authentic spirituality Like Whitehead Dunne believes that religion above all has to do with what an individual does with his/her solitariness More than Whitehead Dunne is concerned not only to have the individual enter solitariness but also finally to leave it behind and rejoin the human community David Tracy *The Critic*

The Heart Has Its Reasons Beata Toth, 2016-05-26 *The Heart Has Its Reasons* explores a hitherto neglected area of theological anthropology the unity of human emotion and reason embodied in the Biblical concept of the heart While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God affectivity has been relegated to a secondary position With the reintegration of the body into recent philosophical and theological discourses a number of questions have arisen if the image also resides in the body how does this change one's

view of the theological significance of human affect In what way is our likeness to God realised in the whole of what we are Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love In conversation with patristic and medieval authors like Irenaeus Tertullian Gregory of Nyssa Maximus and Thomas Aquinas and in dialogue with more recent interlocutors such as Blaise Pascal Ricoeur Marion Milbank and John Paul II Beata Toth pursues a novel theological vision of the essential unity of our humanity **The Heart Has Its Own Reasons** Mary Ann Cahill,1985-04-17

Reasons of the Heart Susan Napier,1987 **The Heart Has Its Reasons** Kṛshṇa Sobatī,2005 Set in the first quarter of 20th century Delhi The Heart Has Its Reasons dwells on the fine balance between love and family Writer par excellence and recipient of the Katha Chudamani and Sahitya Akademi Awards Sobti s powerful narratives defy territorial specifics **The Heart Has Reasons** Mark Klemptner,2013-03 You can t let people be treated in an inhuman way around you Otherwise you start to become inhuman So declares rescuer Hetty Voute in this ebook of the updated edition of The Heart Has Reasons an acclaimed historical account that offers an in depth look into the hearts and minds of the Holocaust rescuers and explores the meaning that their lives and deeds have for us today Individually or in small humanitarian cells the ten Dutch people profiled in these pages saved the lives of thousands of Jewish children during the Nazi occupation of Holland How did they do what they did and why did they risk everything to do it Although their extraordinary tales of rescue vary greatly the integrity of the rescuers does not Thus these narratives provide not only a window on the past but a vision for the future Framed by Klemptner s own quest for meaning the rescuers words resonate across generations providing timeless insight into how people of conscience can navigate ethically in an increasingly complex world **Reason and the Heart** William J. Wainwright,2018-05-31 Between the opposing claims of reason and religious subjectivity may be a middle ground William J Wainwright argues His book is a philosophical reflection on the role of emotion in guiding reason There is evidence he contends that reason functions properly only when informed by a rightly disposed heart The idea of passional reason so rarely discussed today once dominated religious reflection and Wainwright pursues it through the writings of three of its past proponents Jonathan Edwards John Henry Newman and William James He focuses on Edwards whose work typifies the Christian perspective on religious reasoning and the heart Then in his discussion of Newman and James Wainwright shows how the emotions participate in non religious reasoning Finally he takes up the challenges most often posed to notions of passional reason that such views justify irrationality and wishful thinking that they can t be defended without circularity and that they lead to relativism His response to these charges culminates in an eloquent and persuasive defense of the claim that reason functions best when influenced by the appropriate emotions feelings and intuitions **The Heart Has Its Reasons** Wallis Warfield Duchess of Windsor,2002 The Duchess writes of her first two marriages her divorce her escape from the abdication publicity and her marriage to Edward VIII **Pascal's Pensees** Blaise Pascal,2013-08-20 This collection chronicles the fiction and non fiction classics by the greatest writers the world has ever known The inclusion of both popular

as well as overlooked pieces is pivotal to providing a broad and representative collection of classic works

Heart of the Moors Holly Black, 2019-10-08 From New York Times bestselling author Holly Black comes a captivating original novel set between Disney's Maleficent and Maleficent Mistress of Evil in which newly queen Aurora struggles to be the best leader to both the humans and Fair Folk under her reign her beau Prince Phillip longs to get to know Aurora and her kingdom better and Maleficent has trouble letting go of the past

The Reasons of Love Harry G. Frankfurt, 2009-01-13 From the author of the 1 New York Times bestseller On Bullshit a profound meditation on how and why we love In The Reasons of Love leading moral philosopher and bestselling author Harry Frankfurt argues that the key to a fulfilled life is to pursue wholeheartedly what one cares about that love is the most authoritative form of caring and that the purest form of love is in a complicated way self love Through caring we infuse the world with meaning Caring provides us with stable ambitions and concerns and it shapes the framework of aims and interests within which we lead our lives Love is a nonvoluntary disinterested concern for the flourishing of what we love and self love as distinct from self indulgence is at heart of this concern The most elementary form of self love is no more than the desire to love and self love is simply a commitment to finding meaning in our lives

The Heart Has Its Reasons Michael Cart, Christine Jenkins, 2006 A decade by decade discussion of the most important novels having homosexual bisexual or transgender themes Includes a timeline of events relevant to GLBTQ young and bibliographies by year

Not A Lot of Reasons to Sing, but Enough Kyle Tran Myhre, 2022-03-01 OF WHAT FUTURE ARE THESE THE WILD EARLY DAYS An exploration of the role that artists play in resisting authoritarianism with a sci fi twist In poetry dialogue and visual art the book follows two wandering poets as they make their way from village to village across a prison colony moon full of exiled rebels robots and storytellers Part post apocalyptic road journal part alternate universe history of Hip Hop and part Letters to a Young Poet style toolkit for emerging poets and aspiring movement builders it's also a one of a kind practitioners take on poetry power and possibility

NOT A LOT OF REASONS TO SING is a post apocalyptic road journal alternate universe history of Hip Hop Letters to a Young Poet toolkit for emerging poets and aspiring movement builders it's also a one of a kind practitioners take on poetry power and possibility

Reasons of the Heart Edward Dahlberg, 1965

Reasons of the Heart Paula Marshall, 1995

The Logic of the Heart James R. Peters, 2009-03-01 Philosopher James R Peters defends the reasonableness of the Christian faith in The Logic of the Heart He paves a middle road between the Enlightenment's worship of reason and postmodernism's emphasis on freedom and self rule He delves into the thought of theologian St Augustine and philosopher mathematician Blaise Pascal and engages the skeptic David Hume who argued against the possibility of miracles Throughout this process Peters provides an alternative to postmodern thought as well as the widespread New Atheism This work is appropriate for undergraduate and graduate students pursuing studies in philosophy of religion and historical theology Since Peters writes in nontechnical language readers interested in the relationship between faith and reason will also benefit from
