More-with-Less Cookbook Doris Longacre,2003-09-26 This is a new edition of Herald Press s all time best selling cookbook helping thousands of families establish a climate of joy and concern for others at mealtime The late author s

introductory chapters have been edited and revised for today's cooks. Statistics and nutritional information have been updated to reflect current American and Canadian eating habits, health issues, and diet guidelines. The new U.S. food chart, *My Plate*, was slipped in at the last minute and placed alongside Canada's Food Guide. But the message has changed little from the one that Doris Janzen Longacre promoted in 1976 when the first edition of this cookbook was released. In many ways she was ahead of her time in advocating for people to eat more whole grains and more vegetables and fruits with less meat, saturated fat, and sugars. This book is part of the World Community Cookbook series that is published in cooperation with Mennonite Central Committee, a worldwide ministry of relief, development, and peace. Mennonites are widely recognized as good cooks. But Mennonites are also a people who care about the world's hungry. This Is Camino Russell Moore, Allison Hopelain, Chris Colin, 2015-10-13 A cookbook about the unique fire-based cooking approach and ingredient-focused philosophy of Camino restaurant in Oakland, CA, with approximately 100 recipes. Russ and Allison first opened the doors to Camino restaurant in Oakland, California, just as recession forced would-be diners home. Faced with a walk-in refrigerator full of uneaten food and an idling staff, they got industrious: canning, preserving, brining. This efficiency, borne out of necessity, soon became the driver of innovation for Camino's cooking and the marker of a truly waste-free kitchen. But Camino is not all prudence and grandmotherly frugality. There's the smoldering fire at the heart of the restaurant, which likely has a whole lamb leg dangling from a string, turning as it roasts perfectly, its fat seasoning a pot of fresh garbanzo beans underneath. Or eggplants grilling for a smoky and complex ratatouille. Or fresh fig leaves browning over the hot embers for a surprising and unforgettable grilled fig leaf ice cream. The pared-down approach to ingredients at Camino opens up a world of layered flavors and ingenuity, sophisticated but direct, revelatory and in its own way revolutionary. *This Is Camino* is an extension of the brilliance of the restaurant, full of deep knowledge, good humor, and delicious food.
