Rebel Boast: First at Bethel-Last at Appomattox

Wellman, Manly Wade

Note: This is not the actual book cover

Rebel Boast First At Bethel Last At Appomattox

Edward G. Longacre

Rebel Boast First At Bethel Last At Appomattox:

Rebel Boast: First at Bethel--last at Appomattox Manly Wade Wellman, 1958 **The Cavalry at Appomattox** Edward G. Longacre, 2003 The final campaign of the American Civil War in the eastern theatre witnessed the zenith of American cavalry warfare the salient aspect of the operation The Appomattox Campaign not only determined whether the conflict would continue but also which army had better assimilated the intricate difficult lessons of mounted service The outcome indicated why the Union troopers emerged victorious They displayed greater tactical versatility the ability to fight mounted and afoot whereas the Confederate horsemen considered the outdated saber charge the essence of mounted battle **Rebel Boast: First at Bethel--last at Appomattox** Manly Wade Wellman, 1956 Battle of Big Bethel J. Michael Cobb, Edward B. Hicks, Wythe Holt, 2013-10-19 A comprehensive study of the Civil War's first major battle well leavened with strategic and political context Robert E. L. Krick author of *Staff Officers in Gray* Battle of Big Bethel is the first full length treatment of the small but consequential June 1861 Virginia battle that reshaped perceptions about what lay in store for the divided nation The successful Confederate defense reinforced the belief most Southerners held that their martial invincibility and protection of home and hearth were divinely inspired After initial disbelief and shame the defeat hardened Northern resolution to preserve their sacred Union The notion began to take hold that contrary to popular belief the war would be difficult and protracted a belief that was cemented in reality the following month on the plains of Manassas Years in the making Battle of Big Bethel relies upon letters diaries newspapers reminiscences official records and period images some used for the first time The authors detail the events leading up to the encounter survey the personalities as well as the contributions of the participants set forth a nuanced description of the confusion ridden field of battle and elaborate upon its consequences Here finally the story of Big Bethel is colorfully and compellingly brought to life through the words and deeds of a fascinating array of soldiers civilians contraband slaves and politicians whose lives intersected on that fateful day in the early summer of 1861 The authors do a wonderful job of describing the motivations and mindsets of both the U.S. and Confederate soldiers at the outset of the conflict and handle slavery very effectively throughout Edward L. Ayers author of *The Thin Light of* **The Last Citadel** Noah Andre Trudeau, 2014-12-19 The revised and updated groundbreaking study of the most extensive military operation of the Civil War from the author of *Bloody Roads South* The Petersburg campaign began on June 9 1864 and ended on April 3 1865 when Federal troops at last entered the city It was the longest and most costly siege ever to take place on North American soil yet it has been overshadowed by other actions that occurred at the same time period most notably Sherman's famous March to the Sea and Sheridan's celebrated Shenandoah Valley campaign The ten month Petersburg affair witnessed many more combat actions than the other two combined and involved an average of 170 000 soldiers not to mention thousands of civilians who were also caught up in the maelstrom By its bloody end the Petersburg campaign would add more than 70 000 casualties to the war's total With the same dogged determination that had seen him through the

terrible Overland Campaign Lieutenant General Ulysses S Grant fixed his sights on the capture of Petersburg Grant's opponent General Robert E Lee was equally determined that the Cockade City would not fall Trudeau crafts this dramatic and moving story largely through the words of the men and women who were there including officers common soldiers and the residents of Petersburg What emerges is an epic account rich in human incident and adventure Based on exhaustive research into official records and unpublished memoirs letters and diaries as well as published recollections and regimental histories The Last Citadel also includes twenty three maps and a choice selection of drawings by on the spot combat artists

Lee's Tigers Terry L. Jones, 2002-02-01 Sometimes called the wharf rats from New Orleans and the lowest scrapings of the Mississippi Lee's Tigers were the approximately twelve thousand Louisiana infantrymen who served in the Confederate Army of Northern Virginia from the time of the campaign at First Manassas to the final days of the war at Appomattox Terry L. Jones offers a colorful highly readable account of this notorious group of soldiers renowned not only for their drunkenness and disorderly behavior in camp but for their bravery in battle It was this infantry that held back the initial Federal onslaught at First Manassas made possible General Stonewall Jackson's famed Valley Campaign contained the Union breakthrough at Spotsylvania's Bloody Angle and led Lee's last offensive actions at Fort Stedman and Appomattox Despite all their vices Lee's Tigers emerged from the Civil War with one of the most respected military records of any group of southern soldiers According to Jones the unsavory reputation of the Tigers was well earned for Louisiana probably had a higher percentage of criminals drunkards and deserters in its commands than any other Confederate state The author spices his narrative with well chosen anecdotes among them an account of one of the stormiest train rides in military history While on their way to Virginia the enlisted men of Coppens Battalion uncoupled their officers car from the rest of the train and proceeded to partake of their favorite beverages Upon arriving in Montgomery the battalion embarked upon a drunken spree of harassment vandalism and robbery Meanwhile having commandeered another locomotive the officers arrived and sprang from their train with drawn revolvers to put a stop to the disorder The charge of the Light Brigade one witness recalled was surpassed by these irate Creoles Lee's Tigers is the first study to utilize letters diaries and muster rolls to provide a detailed account of the origins enrollments casualties and desertion rates of these soldiers Jones supplies the first major work to focus solely on Louisiana's infantry in Lee's army throughout the course of the war Civil War buffs and scholars alike will find Lee's Tigers a valuable addition to their libraries

The Last Battle of Winchester Scott C. Patchan, 2013-07-19 Unique insight good storytelling skills deep research and keen appreciation for the terrain one outstanding work of history Eric J Wittenberg award winning author of Gettysburg's Forgotten Cavalry Actions The Third Battle of Winchester in September 1864 was the largest longest and bloodiest battle fought in the Shenandoah Valley What began about daylight did not end until dusk when the victorious Union army routed the Confederates It was the first time Stonewall Jackson's former corps had ever been driven from a battlefield and their defeat set the stage for the final climax of the Valley Campaign This book represents the

first serious study to chronicle the battle The Northern victory was a long time coming After a spring and summer of Union defeat in the Valley Lt Gen Ulysses S Grant cobbled together a formidable force under Phil Sheridan an equally redoubtable commander Sheridan s task was a tall one sweep Jubal Early s Confederate army out of the bountiful Shenandoah and reduce the verdant region of its supplies The aggressive Early had led the veterans of Jackson s Army of the Valley District to one victory after another at Lynchburg Monocacy Snickers Gap and Kernstown Five weeks of complex maneuvering and sporadic combat followed before the opposing armies met at Winchester an important town that had changed hands dozens of times over the previous three years Tactical brilliance and ineptitude were on display throughout the daylong affair as Sheridan threw infantry and cavalry against the thinning Confederate ranks and Early and his generals shifted to meet each assault A final blow against Early s left flank finally collapsed the Southern army killed one of the Confederacy s finest combat generals and planted the seeds of the victory at Cedar Creek the following month This vivid account based on more than two decades of meticulous research and an unparalleled understanding of the battlefield and rich in analysis and character development is complemented with numerous original maps and explanatory footnotes that enhance our understanding of this watershed battle

Big Bethel John V. Quarstein, 2011-05-20 The battle at Virginias Big Bethel Church known as the Civil Wars first land battle was a baptism of fire for a nation newly torn apart by civil war Northern and Southern soldiers alike could not imagine how fiery passions and technological advances would collide into Americas bloodiest war all beginning that hot cloudless day at Bethel as the shells burst among the smartly clad Zouaves Here the war saw its first friendly fire incident the death of the first West Point graduate the death of the first Confederate infantryman and the first Confederate victory Join award winning historian John Quarstein as he details the story of the June 10 1861 battle when soldiers first realized that the war would not be filled with glorious parades but rather desperate struggles to decide the fate of the nation

The Early Morning of War Edward G. Longacre, 2014-10-22 This crucial campaign receives its most complete and comprehensive treatment in Edward Longacre s The Early Morning of War A magisterial work by a veteran historian The Early Morning of War blends narrative and analysis to convey the full scope of the campaign of First Bull Run its drama and suspense as well as its practical and tactical underpinnings and ramifications

Lee's Tigers Revisited Terry L. Jones, 2017-10-18 In Lee s Tigers Revisited noted Civil War scholar Terry L. Jones dramatically expands and revises his acclaimed history of the approximately 12 000 Louisiana infantrymen who fought in Robert E Lee s Army of Northern Virginia Sometimes derided as the wharf rats from New Orleans and the lowest scrappings of the Mississippi the Louisiana Tigers earned a reputation for being drunken and riotous in camp but courageous and dependable on the battlefield By utilizing first person accounts and official records Jones provides the definitive study of the Louisiana Tigers and their harrowing experiences in the Civil War

Lee's Tarnished Lieutenant William Garrett Piston, 2013-05-01 In the South one can find any number of bronze monuments to the Confederacy featuring heroic images of Robert E Lee Stonewall Jackson J E B Stuart and many lesser

commanders But while the tarnish on such statues has done nothing to color the reputation of those great leaders there remains one Confederate commander whose tarnished image has nothing to do with bronze monuments Nowhere in the South does a memorial stand to Lee's intimate friend and second in command James Longstreet In Lee's Tarnished Lieutenant William Garrett Piston examines the life of James Longstreet and explains how a man so revered during the course of the war could fall from grace so swiftly and completely Unlike other generals in gray whose deeds are familiar to southerners and northerners alike Longstreet has the image not of a hero but of an incompetent who lost the Battle of Gettysburg and by extension the war itself Piston's reappraisal of the general's military record establishes Longstreet as an energetic corps commander with an unsurpassed ability to direct troops in combat as a trustworthy subordinate willing to place the war effort above personal ambition He made mistakes but Piston shows that he did not commit the grave errors at Gettysburg and elsewhere of which he was so often accused after the war In discussing Longstreet's postwar fate Piston analyzes the literature and public events of the time to show how the southern people in reaction to defeat evolved an image of themselves which bore little resemblance to reality As a product of the Georgia backwoods Longstreet failed to meet the popular cavalier image embodied by Lee Stuart and other Confederate heroes When he joined the Republican party during Reconstruction Longstreet forfeited his wartime reputation and quickly became a convenient target for those anxious to explain how a superior people could have lost the war His new role as the villain of the Lost Cause was solidified by his own postwar writings Embittered by years of social ostracism resulting from his Republican affiliation resentful of the orchestrated deification of Lee and Stonewall Jackson Longstreet exaggerated his own accomplishments and displayed a vanity that further alienated an already offended southern populace Beneath the layers of invective and vilification remains a general whose military record has been badly maligned Lee's Tarnished Lieutenant explains how this reputation developed how James Longstreet became in the years after Appomattox the scapegoat for the South's defeat a Judas for the new religion of the Lost Cause

Jubal Early's Raid on Washington Benjamin Franklin Cooling, 2008-01-28 Cooling has produced what is sure to become the definitive scholarly account of the campaign Drawing on a vast array of sources including seldom used veterans accounts Cooling presents a comprehensive campaign study from origins to aftermath Not only does Cooling masterfully describe the specific movements of the opposing forces but he also never loses sight of the wider context in which the campaign was fought In fact Cooling's greatest contribution may be his clear demonstration that Grant was fooled by Early's operations and took an uncommonly long time to react to a very serious threat American Historical Review Cooling's superb account of one of the most dramatic ventures of the Civil War one that peaked with a Confederate army at the gate of the nation's capital even as powerful Union forces threatened a clamp on the capital of Rebeldom reflects most intensive research and provides a strictly objective account of the doings of both sides in the course of Early's thrust at Washington from his entry into Maryland until his withdrawal back into Virginia Journal of Military

History **Jubal Early** Benjamin Franklin Cooling, III, 2014-08-26 In Jubal Early Robert E Lee's Bad Old Man a new critical biography of Confederate Lieutenant General Jubal Anderson Early Civil War historian B F Cooling III takes a fresh look at one of the most fascinating idiosyncratic characters in the pantheon of Confederate heroes and villains **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982 Stonewall's Man W. G. Bean, 2000 First published by UNC Press in 1959 this biography tells the story of Alexander Sandie Swift Pendleton a high spirited and intelligent Confederate staff officer from Virginia who at the age of twenty two won the confidence admiration and affection **Major General Robert E Rodes of the Army of Northern Virginia** Darrell Collins, 2008-06-20 FINALIST FOR BIOGRAPHY 2008 ARMY HISTORICAL FOUNDATION DISTINGUISHED BOOK AWARD WINNER 2009 THE DOUGLAS SOUTHWALL FREEMAN AWARD FOR BEST BOOK ON SOUTHERN HISTORY Jedediah Hotchkiss Stonewall Jackson's renowned mapmaker expressed the feelings of many contemporaries when he declared that Robert Rodes was the best division commander in the Army of Northern Virginia This well deserved accolade is all the more remarkable considering that Rodes a graduate of the Virginia Military Institute and a prewar railroad engineer was one of a very few officers in Lee's army to rise so high without the benefit of a West Point education Major General Robert E Rodes of the Army of Northern Virginia A Biography is the first deeply researched scholarly biography on this remarkable Confederate officer From First Manassas in 1861 to Third Winchester in 1864 Rodes served in all the great battles and campaigns of the legendary Army of Northern Virginia He quickly earned a reputation as a courageous and inspiring leader who delivered hard hitting attacks and rock steady defensive efforts His greatest moment came at Chancellorsville in the spring of 1863 when he spearheaded Stonewall Jackson's famous flank attack that crushed the left wing of General Hooker's Army of the Potomac Rodes began the conflict with a deep yearning for recognition and glory coupled with an indifferent attitude toward religion and salvation When he was killed at the height of his glorious career at Third Winchester on September 19 1864 a trove of prayer books and testaments were found on his corpse Based upon exhaustive new research Darrell Collins's new biography breathes life into a heretofore largely overlooked Southern soldier Although Rodes' widow consigned his personal papers to the flames after the war Collins has uncovered a substantial amount of firsthand information to complete this compelling portrait of one of Robert E Lee's most dependable field generals Darrell L Collins is the author of several books on the Civil War including General William Averell's Salem Raid Breaking the Knoxville Supply Line 1999 and Jackson's Valley Campaign The Battles of Cross Keys and Port Republic The Virginia Civil War Battles and Leaders Series 1993 A native of Ann Arbor Michigan Darrell and his wife Judith recently relocated to Conifer Colorado **Blood and War at My Doorstep** Brenda Chambers McKean, 2011-03-22 Between these pages the reader will learn that North Carolina citizens did not idly stand by as their soldiers marched off to war The women worked themselves into patriotic exhaustion through Aid Societies Civilians with different means of support from the lower class to the plantation mistress wrote the governor complaining of hoarding

speculation the tithe bushwhackers unionism conscription and exemptions Never before had so many died due to guerilla warfare Unknown before starving women with weapons stormed the merchant or warehouses in search for food Others turned to smuggling spying or nature s oldest profession Information from period newspapers as well as mostly unpublished letters tell their stories **The Second Battle of Winchester** Eric J. Wittenberg, Scott L. Mingus, 2016-04-30 A comprehensive deeply researched history of the pivotal 1863 American Civil War battle fought in northern Virginia June 1863 The Gettysburg Campaign is underway Robert E Lee s Army of Northern Virginia pushes west into the Shenandoah Valley and then north toward the Potomac River Only one significant force stands in its way Maj Gen Robert H Milroy s Union division of the Eighth Army Corps in the vicinity of Winchester and Berryville Virginia What happens next is the subject of this provocative new book Milroy a veteran Indiana politician turned soldier was convinced the approaching enemy consisted of nothing more than cavalry or was merely a feint and so defied repeated instructions to withdraw In fact the enemy consisted of General Lee s veteran Second Corps under Lt Gen Richard S Ewell Milroy s controversial decision committed his outnumbered and largely inexperienced men against some of Lee s finest veterans The complex and fascinating maneuvering and fighting on June 13 15 cost Milroy hundreds of killed and wounded and about 4 000 captured roughly one half of his command with the remainder routed from the battlefield The combat cleared the northern end of the Shenandoah Valley of Federal troops demonstrated Lee could obtain supplies on the march justified the elevation of General Ewell to replace the recently deceased Stonewall Jackson and sent shockwaves through the Northern states Today the Second Battle of Winchester is largely forgotten But in June 1863 the politically charged front page news caught President Lincoln and the War Department by surprise and forever tarnished Milroy s career The beleaguered Federal soldiers who fought there spent a lifetime seeking redemption arguing their three day forlorn hope delayed the Rebels long enough to allow the Army of the Potomac to arrive and defeat Lee at Gettysburg For the Confederates the decisive leadership on display outside Winchester masked significant command issues buried within the upper echelons of Jackson s former corps that would become painfully evident during the early days of July on a different battlefield in Pennsylvania Award winning authors Eric J Wittenberg and Scott L Mingus Sr combined their researching and writing talents to produce the most in depth and comprehensive study of Second Winchester ever written and now in paperback Their balanced effort based upon scores of archival and previously unpublished diaries newspaper accounts and letter collections coupled with familiarity with the terrain around Winchester and across the lower Shenandoah Valley explores the battle from every perspective *The Boy Generals* Adolfo Ovies, 2021-06-11 First in a trilogy a study of the strategy tactics and rivalry between two leaders of the Army of the Potomac s cavalry during the American Civil War George Armstrong Custer s career has attracted its fair share of coverage but most Custer related studies focus on his decision making and actions to the exclusion of other important factors including his relationships with his fellow officers Custer developed his tactical philosophy within the politically ridden atmosphere of the

Army of the Potomac's Cavalry Corps His relationship with his immediate superior Wesley Merritt was so acrimonious that even Custer's wife Libbie described him as her husband's enemy The Boy General examines in detail the steadily deteriorating relationship of two cavalymen with opposing tactical philosophies and how this relationship affected events in the field Custer was a hussar a firm believer in the shock power of the mounted saber charge while Merritt was a dragoon his tactics rooted in the belief that the purpose of the horse was to transport the trooper to the battlefield where he could fight dismounted with his carbine With these diametrically opposed belief systems it was inevitable that these officers would clash What has often been described as a spirited rivalry was in fact something much darker an association that moved from initial distaste to acrimony and finally outright insubordination on Custer's part Author Adolfo Ovies mined deeply official reports regimental histories and contemporary newspaper accounts together with unpublished and little used primary sources of men who fought in their commands This rich and satisfying study exposes the depths of one of the most dysfunctional and influential relationships in the Army of the Potomac and how it affected cavalry operations in the Eastern Theater The Boy General will change the way Civil War readers think of the premier Union army's mounted arm as well as George Custer's legacy Praise for The Boy General A grand effort a Must Read It will be a standard bearer a marvelous book that should remain among the very best It will certainly grace my library Frederic C Wagner III author of The Strategy of Defeat at the Little Big Horn Well written thoroughly researched and entertaining This is one you cannot miss Eric J Wittenberg award winning author of The Devil's to Pay John Buford at Gettysburg A History and Walking Tour The Day Lincoln Was Almost Shot Benjamin Franklin Cooling, III, 2013-05-02 In The Day Lincoln Was Almost Shot The Fort Stevens Story historian B F Cooling documents the story of President Abraham Lincoln and the Battle of Fort Stevens in July 1864
