## **Rebel Georgia:**

*Rebel Georgia* F. N. Boney, 1997 In January 1861 a state convention voted by a narrow margin to secede from the Union In this popular treatment of the Civil War in Georgia F N Boney tells the story of how the strain of this modern total war relentlessly ravaged the state s resources and weakened its resolve to fight for the Confederate cause Heavy casualties on the battlefield and accelerating inflation on the home front combined to undermine the morale of the Confederacy and the citizens of Georgia Narrating Sherman s pivotal capture of Atlanta on 2 September 1864 and his crushing march to the sea which ended with the fall of Savannah in late December Boney recounts how the Confederacy s slow death affected the psyches of Georgians black and white In the process Boney shows how rebel Georgia gradually overcame its grief and was eventually reunited with the north in a national reconciliation

*Rebel Correspondent* Steve Procko, 2021-09 Rebel Correspondent by Steve Procko is the true story of a young man who joined the Confederate army just days after his eighteenth birthday and served bravely for over two and a half years until the war ended Wounded twice he emerged a changed person But he wasn t just a returning veteran he was also a writer Thirty six years later he would tell the world about his experiences At the beginning of the 20th century Arba F Shaw was a fifty seven year old farmer and local writer for the Walker County Messenger a weekly northwest Georgia newspaper published in the town of LaFayette Shaw would become the Rebel Correspondent when on a chilly December day in 1901 he began putting pen to paper with the account of his memories as a Rebel private in the 4th Georgia Cavalry Avery CSA He completed writing his account in February 1902 When finished he had scratched out over 40 000 words His local newspaper The Walker County Messenger published his account in a series of over 50 articles from 1901 to 1903 Then it was all but forgotten Twenty years before Arba Shaw put pen to paper another soldier the 1st Tennessee s Infantry Regiment s Samuel Rush Watkins 1839 1901 wrote his account of his experiences in the Civil War The Columbian Herald newspaper in Columbia Tennessee serialized Watkins writings from 1881 to 1882 then published the account as a critically acclaimed book *Co Aytch Maury Grays First Tennessee Regiment or A Side Show of the Big Show* in late 1882 They predominately featured Watkins eyewitness accounts in Ken Burns PBS documentary on the Civil War *Rebel Correspondent* presents Arba F Shaw s account word for word as first published in the Walker County Messenger almost 120 years ago Procko annotates Shaw s account with in depth research verifying it and uncovering the back story of his life and the lives of his Rebel comrades Procko s research offers a historical perspective on the many places and events Shaw so richly described

*Land & Allegiance in Revolutionary Georgia* Leslie Hall, 2001-01-01 This history of the American Revolution in Georgia offers a thorough examination of how landownership issues complicated and challenged colonists loyalties Despite underdevelopment and isolation eighteenth century Georgia was an alluring place for it promised settlers of all social classes the prospect of affordable land and the status that went with ownership Then came the Revolution and its many threats to the orderly systems by which property was acquired and protected As rebel and

royal leaders vied for the support of Georgia's citizens says Leslie Hall allegiance became a prime commodity with property and the preservation of owners rights the requisite currency for securing it As Hall shows however the war's progress in Georgia was indeterminate in fact Georgia was the only colony in which British civil government was reestablished during the war In the face of continued uncertainties plundering confiscation and evacuation many landowners desires for a strong consistent civil authority ultimately transcended whatever political leanings they might have had The historical irony here Hall's study shows is that the most successful regime of Georgia's Revolutionary period was arguably that of royalist governor James Wright Land and Allegiance in Revolutionary Georgia is a revealing study of the self interest and practical motivations in competition with a period's idealism and rhetoric

Marten shows why and how warlords undermine state sovereignty Unlike the feudal lords of a previous era warlords today are not state builders Instead they collude with cost conscious corrupt or frightened state officials to flout and undermine state capacity They thrive on illegality relying on private militias for support and often provoke violent resentment from those who are cut out of their networks Some act as middlemen for competing states helping to hollow out their own states from within Countries ranging from the United States to Russia have repeatedly chosen to ally with warlords but Marten argues that to do so is a dangerous proposition Drawing on interviews documents local press reports and in depth historical analysis Marten examines warlordism in the Pakistani tribal areas during the twentieth century in post Soviet Georgia and the Russian republic of Chechnya and among Sunni militias in the U S supported Anbar Awakening and Sons of Iraq programs In each case state leaders some domestic and others foreign created tolerated actively supported undermined or overthrew warlords and their militias Marten draws lessons from these experiences to generate new arguments about the relationship between states sovereignty local power brokers and stability and security in the modern world
