Violence and Restraint in Civil War Jessica A. Stanton, 2016-09-26 Media coverage of civil wars often focuses on the most gruesome atrocities and the most extreme conflicts which might lead one to

think that all civil wars involve massive violence against civilians In truth many governments and rebel groups exercise restraint in their fighting largely avoiding violence against civilians in compliance with international law Governments and rebel groups make strategic calculations about whether to target civilians by evaluating how domestic and international audiences are likely to respond to violence Restraint is also a deliberate strategic choice governments and rebel groups often avoid targeting civilians and abide by international legal standards to appeal to domestic and international audiences for diplomatic support This book presents a wide range of evidence of the strategic use of violence and restraint using original data on violence against civilians in civil wars from 1989 to 2010 as well as in depth analyses of conflicts in Azerbaijan El Salvador Indonesia Sudan Turkey and Uganda *Monster High/Ever After High: The Legend of Shadow High* Shannon Hale,2017-10-17 A dangerous story is bubbling and almost all the Narrators are scared to tell it Cracks in the World of Stories are spreading and the ominous Shadow High is gaining power Only one young brave Narrator Brooke Page is ready to tell this tale As the first cracks show Frankie and Draculaura are accidentally transported to Ever After High where they meet Raven Queen and Apple White After the girls recover from the shock of learning that fairytales and monsters are real they discover that the Evil Queen has escaped her mirror prison in search of the ultimate power hidden in Shadow High Frankie Raven Draculaura Apple and Brooke must stop the Evil Queen and save the World of Stories from the evil that lurks in Shadow High 2017 Mattel All Rights Reserved *If You Lived Here You'd Be Famous by Now* Via Bleidner,2022-08-09 If You Lived Here You d Be Famous by Now is an insider s collection of funny and warmhearted stories about coming of age in the Los Angeles suburb famed for birthing the Kardashian Jenners and the Bling Ring For Via Bleidner transferring to Calabasas High from the private Catholic school she s attended since second grade is a culture shock not to mention absolutely lonely Suddenly thrust into an unfamiliar world of celebrities affluenza and McMansions Via takes a page from Cameron Crowe and pretends she s on a journalism assignment taking notes on her classmates and jotting down bits of overheard gossip Getting through high school in Calabasas is something else from Kim Kardashian endorsing the students favorite hidden lunch spot to the theater program hiring a famous dog to play Elle Woods Chihuahua in its production of Legally Blonde and Kanye trying to take control of your school to make it the very first YEEZY institution But instead of floating through high school detached from her peers Via finds that putting herself out there for her writing of course just might have been exactly what she needed She unexpectedly finds an eclectic group of friends to call her own including a multi multi millionaire a wild card throwback intent on going viral a former Disney actor and a doughnut dealing madman With wit candor and sharp observations twenty one year old Via grounds the surreal glamour of Calabasas with reflections on her own coming of age sharing her teenage misadventures as she struggles to fit in faces crushing social pressure and eventually makes her own way *Revenge at Raleigh High* Callie Hart,2019-08-02 NB This version of Revenge at Raleigh High is a special edition for Book Bonanza 2019 attendees Please do not purchase if you are not attending the event as you

Central Intelligence Agency,1967 **Conflict Among Rebels** Costantino Pischedda,2020-11-24 Why do rebel groups frequently clash instead of cooperating against their shared enemy the state This pattern occurs in conflicts around the world yet it flies in the face of common notions of strategic logic Weaving together insights from international relations theory and the study of ethnic politics Costantino Pischedda presents an original theory to unravel the puzzle of inter rebel conflict Examining the dynamics of civil wars in Iraq Ethiopia Lebanon Sri Lanka and Syria Pischedda argues that infighting is a calculated response by rebel groups to perceived opportunities and vulnerabilities Conflicts break out between groups when one sees the potential to eliminate weaker rivals at a low cost or fears the deterioration of its power relative to a competitor and embarks on a desperate gamble Counterintuitively Pischedda finds that rebels sharing an ethnic identity are especially prone to violent conflict as they see each other as both potential existential threats and enticing opportunities for expansion Since coethnic rebels aspire to control the same community their antagonism is stark and immediate In addition insurgents expect to be able to draw on the resources of defeated rivals from the same ethnic group more easily than they could on those of outsiders Marshaling a range of data Pischedda s mixed methods study features original interviews conducted with former insurgent

leaders The first book length examination of inter rebel fighting Conflict Among Rebels sheds new light on a key question of civil war dynamics why the enemy of my enemy is not always my friend Living with Bad Surroundings Sverker Finnström,2008-02-20 An ethnographic examination of how northern Ugandans understand and attempt to control their moral universe and material circumstances in the midst of civil war Rebels in the Rockies Walter Earl Pittman,2014-07-15 The Civil War in 1861 found Southerners a minority throughout the West Early efforts to create military forces were quickly suppressed Many returned to the South to fight while others remained where they were forming a potentially disloyal population Underground movements existed throughout the war in Colorado California Nevada New Mexico Arizona and even Idaho Repeatedly betrayed and overwhelmed by Union forces and without communications with the South these groups were ineffective In southern New Mexico Southerners who were the majority aligned themselves with the Confederacy Four small companies of irregulars one Hispanic fought effectively as part of the abortive Confederate invasion force of 1861 2 The most famous of these the Brigands were close in function to a modern special forces unit In 1862 the Brigands were sent into Colorado to join up with a secret army of 600 1 000 men massing there but were betrayed Returning to Texas the Brigands and the other irregulars were used for special operations in the West throughout the War they also fought in the Louisiana Arkansas campaigns of 1863 4
