Rebel Nun:

The Rebel Nun Marj Charlier, 2021-03-02 Marj Charlier's *The Rebel Nun* is based on the true story of Clotild the daughter of a sixth century king and his concubine who leads a rebellion of nuns against the rising misogyny and patriarchy of the medieval church. At that time women are afforded few choices in life: prostitution, motherhood, or the cloister. Only the latter offers them any kind of independence. By the end of the sixth century even this is eroding as the church begins to eject women from the clergy and declares them too unclean to touch sacramental objects or even their priest husbands. Craving the legitimacy thwarted by her bastard status, Clotild seeks to become the next abbess of the female Monastery of the Holy Cross, the most famous of the women's cloisters of the early Middle Ages. When the bishop of Poitiers blocks her appointment and seeks to control the nunnery himself, Clotild masterminds an escape, leading a group of nuns on a dangerous pilgrimage to beg her royal relatives to intercede on their behalf. But the bishop refuses to back down and a bloody battle ensues. Will Clotild and her sisters succeed with their quest, or will they face excommunication, possibly even death? In the only historical novel written about the incident, *The Rebel Nun* is a richly imagined story about a truly remarkable heroine.

Another Nun's Story Beth Warren, 2021-05-12 In 1947 author Beth Warren entered the convent because she believed God called her to a special life of service for His people. She had a passionate love for nuns who combined their religious lives with outgoing compassion for others. Warren wanted to be just like them. She dreamed that answering her Call to religious life would help make the world a better place. During the sixties Pope John XXIII asked nuns to look outside their convent walls to see where they were most needed. Warren was drawn to working with disadvantaged people, but she was told she was a teacher, not a social worker. She realized that to serve God's deprived people and live among them, she would need to leave her religious Community. In *Another Nun's Story*, Warren chronicles her joys and difficulties during her religious life from the 1940s to the 1980s. She discusses how being a rebel nun led her to break her vows and left her with unraveled feelings and some guilt. But she came to understand she was saying goodbye to an impossible dream, so she could pursue one that was possible for her.

Escaped Nuns Cassandra L. Yacovazzi, 2018-08-21 Just five weeks after its publication in January 1836, *Awful Disclosures of the Hotel Dieu Nunnery*, billed as an escaped nun's shocking exposé of convent life, had already sold more than 20,000 copies. The book detailed gothic style horror stories of licentious priests and abusive mothers superior, tortured nuns and novices, and infanticide. By the time the book was revealed to be a fiction and the author Maria Monk an imposter, it had already become one of the nineteenth century's best-selling books. In antebellum America, only one book, *Uncle Tom's Cabin*, outsold it. The success of Monk's book was no fluke, but rather a part of a larger phenomenon of anti-Catholic propaganda, riots, and nativist politics. The secrecy of convents stood as an oblique justification for suspicion of Catholics and the campaigns against them, which were intimately connected with cultural concerns regarding reform, religion, immigration, and in particular, the role of women in the Republic. At a time when the term female virtue pervaded popular rhetoric, the image of

the veiled nun represented a threat to the established American ideal of womanhood Unable to marry she was instead a captive of a foreign foe a fallen woman a white slave and a foolish virgin In the first half of the nineteenth century ministers vigilantes politicians and writers male and female forged this image of the nun locking arms against convents The result was a far reaching antebellum movement that would shape perceptions of nuns and women more broadly in America **Scary Nuns** Essential Works,2007-03-13 They are known as the Brides of Christ They wear all black robes tied with heavy rosary beads and crucifixes that would make any child wince They cover their heads with vast winglike hoods They have no legs but roll along on silent casters They do not flinch from handing out swift and painful smacks with a switch cane or paddle With photographs of these secretive sisters doing a few of their favorite things frolicking in the sea shooting guns and lying prostrate on the floor among them Scary Nuns explores what goes on behind closed convent doors Included are brief histories of some of the most notorious nuns and orders as well as thoughts from famous thinkers on what it is to be a nun that illuminate the mysteries of these wimple wearing women who roam Gothic cathedrals around the world Nuns are scary You don t have to be a lapsed Catholic to think so But if you are you ll find Scary Nuns terrifying *Juju* James E. Christie,2000-06-26 A COUNTRY TORN APART A bizarre chapter in American history began in 1820 when a group of former slaves sailed from New York to West Africa They hoped to discover a lost homeland but instead found a land of secret societies magico religious Juju and cannibalism The ex slaves became masters in Liberia but after decades of simmering tribal hatred the pot boiled over in 1980 Henry Roye a descendent of American slaves is in love with an African tribal woman named Konah Nambey But when the Americo Liberian president is assassinated by tribal enlisted men Henry and Konah flee the chaos of Monrovia for the northern hinterlands After full blown civil war erupts they must save their young son from the clutches of the village witch woman and the warlord she supports **Seven Women** Eric Metaxas,2016-04-12 A beautiful gift edition of this instant classic exclusively for graduates with a special letter from Eric Metaxas to those entering the next phase of life s journey What makes a great woman great In Seven Women New York Times bestselling author Eric Metaxas provides an answer by telling the captivating stories of seven women who changed the course of history and impacted the world in astonishing ways Teenaged Joan of Arc heard God s command and led the French army to a mighty victory over the British Susanna Wesley the mother of nineteen children gave the world its most significant evangelist and its greatest hymn writer her sons John and Charles Corrie ten Boom risked her life to hide Dutch Jews from the Nazis in World War II and somehow survived the horrors of a concentration camp but her greatest feat was her forgiveness of her tormentors years later And Rosa Parks s God given sense of justice and unshakable dignity helped launch the twentieth century s greatest social movement Seven Women reveals how the extraordinary women profiled here achieved their greatness inspiring readers to lives propelled by a call beyond themselves **The rebel nun** T. life of greatness by responding to call to live for something greater than oneself To Speak the Truth in Love Schenk, CSJ, Christine ,2019-11-21 Through the story of Sister Theresa Kane this book documents an important period of contemporary Catholic history It is a period in which Theresa and so many of her sisters in her own and other communities exercised unparalleled leadership in the Catholic Church They did so by speaking truth to power with love wisdom and grace *Gate of Nine Dragons—Searching for Kung Fu* Laurence Brahm,2024-08-01 The first part of this book Searching for Kung Fu recalls my own journey over decades in the search for both the most traditional Kung Fu practices and the philosophical teachings embedded within It begins as a teenager studying Karate in America learning from one of the great Okinawa masters Shihon Kenneth Funakoshi Realizing that the root of Karate is actually Kung Fu the journey brought me to China to the legendary Shaolin Monastery seeking the source of Kung Fu During these years I have had the opportunity and privilege to train under many of China's great masters whose stories and philosophies are imparted in this book I am sharing the story of my journey as it is really the shared journey of every martial artist The second part of this book The Gate of Nine Dragons reflects nine key Kung Fu principles presented through the traditional Nine Dragon Sons These are nine Kung Fu concepts that can be understood as a code shared by and belonging to every school of martial arts As a code this set of nine principles represent a set of integrated mind set values that we can adopt in our daily lives Perseverance Loyalty Balance Change Centering Harmony Flow Emptiness Non violence These nine Kung Fu principles can be understood as nine stages of training nine aspects of Chinese philosophy or nine values shared by martial artists offered here as a code *The Heirs of St. Teresa of Ávila* Christopher Wilson,2013-07-04 This issue of Carmelite Studies presents new insights into the lives and writings of individuals who knew Teresa of Avila in life and who after her death in 1582 worked to propagate and defend her legacy including the illustrious nuns Anne of St Bartholomew Ana of Jesus Maria of St Joseph and Ana of St Augustine and her close male confidant and collaborator Jerome Gracian of the Mother of God A further focus of the essays is the reception of the Teresian heritage by individuals outside the order as mediated by these early Discalced Carmelites and by Teresa's published writings The essays were originally presented at the 2004 symposium The Heirs of St Teresa at Georgetown University That year marked the 400th anniversary of a pivotal moment in Discalced Carmelite history the arrival in France of a group of six nuns some of Teresa's most favored proteges including Ana of Jesus and Anne of St Bartholomew who traveled from Spain to inaugurate the order's first French convent Motivated by devotion to their Founding Mother amidst success and setbacks these and other of Teresa's heirs strove to carry out her will with a resolute determination and to extend her reputation for sanctity throughout the world *The Corrupter of Boys* Dyan Elliott,2020-11-27 In the fourth century clerics began to distinguish themselves from members of the laity by virtue of their augmented claims to holiness Because clerical celibacy was key to this distinction religious authorities of all stripes patristic authors popes theologians canonists monastic founders and commentators became progressively sensitive to sexual scandals that involved the clergy

and developed sophisticated tactics for concealing or dispelling embarrassing lapses According to Dyan Elliott the fear of scandal dictated certain lines of action and inaction the consequences of which are painfully apparent today In *The Corrupter of Boys* she demonstrates how in conjunction with the requirement of clerical celibacy scandal averse policies at every conceivable level of the ecclesiastical hierarchy have enabled the widespread sexual abuse of boys and male adolescents within the Church Elliott examines more than a millennium s worth of doctrine and practice to uncover the origins of a culture of secrecy and concealment of sin She charts the continuities and changes from late antiquity into the high Middle Ages in the use of boys as sexual objects before focusing on four specific milieus in which boys and adolescents would have been especially at risk in the high and later Middle Ages the monastery the choir the schools and the episcopal court *The Corrupter of Boys* is a work of stunning breadth and discomfiting resonance as Elliott concludes that the same clerical prerogatives and privileges that were formulated in late antiquity and the medieval era and the same strategies to cover up the abuses they enable remain very much in place

Sainted Women of the Dark Ages Jo Ann McNamara,E. Gordon Whatley,John E. Halborg,1992-03-27 *Sainted Women of the Dark Ages* makes available the lives of eighteen Frankish women of the sixth and seventh centuries all of whom became saints Written in Latin by contemporaries or near contemporaries and most translated here for the first time these biographies cover the period from the fall of the Roman Empire and the conversion of the invading Franks to the rise of Charlemagne s family Three of these holy women were queens who turned to religion only after a period of intense worldly activity Others were members of the Carolingian family deeply implicated in the political ambitions of their male relatives Some were partners in the great Irish missions to the pagan countryside and others worked for the physical salvation of the poor From the peril and suffering of their lives they shaped themselves as paragons of power and achievement Beloved by their sisters and communities for their spiritual gifts they ultimately brought forth a new model of sanctity These biographies are unusually authentic At least two were written by women who knew their subjects while others reflect the direct testimony of sisters within the cloister walls Each biography is accompanied by an introduction and notes that clarify its historical context This volume will be an excellent source for students and scholars of women s studies and early medieval social religious and political history

Jonas of Bobbio and the Legacy of Columbanus Alexander O'Hara,2018 Jonas of Bobbio s life mirrored many of the transformations of the seventh century while his three saints Lives provide a window into the early medieval Age of Saints and the monastic and political worlds of Merovingian Gaul and Lombard Italy
