Rebel with a Cause Danny Tarkanian,2020-02 **Live Fast, Die Young** Lawrence Frascella,Al Weisel,2006-11-07 The complete story behind the groundbreaking film Rebel Without a Cause is vividly revealed in this fascinating book as provocative as the film itself The revolutionary film Rebel Without a Cause has had a profound impact on both moviemaking and youth culture since its 1955 release virtually giving birth to our concept of the American teenager And the making of the movie was just as explosive for those involved Against a backdrop of the Atomic Age and an old Hollywood studio system on the verge of collapse four of Hollywood s most passionate artists had a cataclysmic and immensely influential meeting James Dean Natalie Wood Sal Mineo and director Nicholas Ray were each at a crucial point in their careers The young actors were grappling with their fame burgeoning sexuality and increasingly reckless behavior and their on and off set relationships ignited as they engaged in Ray s vision of physical melees and psychosexual seductions of startling intensity Through interviews with the surviving members of the cast and crew and firsthand access to both personal and studio archives the authors reveal Rebel s true drama the director s affair with sixteen year old Wood his tempestuous spiritual marriage with Dean and his role in awakening the latent sexuality of Mineo who would become the first gay teenager to appear on film This searing account of the upheaval the four artists experienced in the wake of Rebel is complete with thirty photographs including ten never before seen photos by famed Dean photographer Dennis Stock **Rebel with a Cause** Carol Arens,2013-01-01 A bounty hunter on a mission gives an innocent beauty the adventure of her life in this Western romance Nebraska 1881 Infamous bounty hunter Zane Coldridge does not get distracted He s renowned for his no nonsense attitude and criminals fear the day he comes knocking on their door But when Zane encounters Missy Lenore Devlin his resolve is

Rebel and a Cause Theodore Hamm,2001-11-20 Theodore Hamm uses the 1960 execution of Caryl Chessman as a lens for examining how politics and debates about criminal justice became a volatile mix that ignited postwar California The effects of those years continue to be felt as the state's three strikes law and expanding prison construction program spark heated arguments over rehabilitation and punishment Known as the Red Light Bandit Chessman allegedly stalked lovers lanes in Los Angeles Eventually convicted of rape and kidnapping he was sentenced to death in 1948 In prison he gained significant notoriety as a writer beginning with his autobiographical Cell 2455 Death Row 1954 In the following years Chessman presented himself not only as an innocent man but also as one rehabilitated from his prior life of crime He acquired an enthusiastic audience among leading criminologists liberal intellectuals and ordinary citizens many of whom engaged in protests to halt Chessman's execution Hamm analyzes how Chessman convinced thousands of Californians to support him and why Governor Edmund G Pat Brown who opposed the death penalty allowed the execution to go forward He also demonstrates the intrinsic limits of the popular commitment to the rehabilitative ideal Rebel and a Cause places the Chessman case in a broad cultural and historical context relating it to histories of prison reform the anti death penalty movement the popularization of psychology and the successive rise and decline of the New Left and the more enduring rise of the New Right

Rebel with a Cause Jacqui Lambie,2018-03 You can't keep a bloody Lambie down Jacqui Lambie in a radio interview 14th November 2017 Jacqui Lambie has always stood out

from the mainstream of Australian politicians even in the announcement of her retirement from the Senate after being caught up in the Citizenship Crisis In stark contrast to other politicians ducking and weaving before finally being given their marching orders by the High Court Jacqui copped it sweet and voluntarily walked as soon as the UK Home Office informed her she was a dual national Her no nonsense response that politicians who have breached Section 44 of the Constitution should just suck it up deal with their mistakes and run for Parliament again is typical of a simple common sense approach to issues that endears her to her legion of fans and followers During her time in Parliament Jacqui was the most authentic Australian voice in the Senate Love her or hate her you can't deny she's totally heartfelt and unscripted In an age when populism in politics often just means a backlash against the existing order Jacqui actually stood for issues a better deal for our military veterans and a better system of care for those afflicted by the scourge of ice addiction These are real issues for her things she's lived through and not just hot button issues raised by focus groups So for anyone who knows Jacqui her resignation from the Senate is just an interruption in her unique career representing Australians who've previously had little access to the corridors of power the veterans the single mums the welfare recipients the families of ice addicts In one form or another she'll be back Her autobiography is not a political book In fact politics barely gets a mention until the final chapters It's the story of her life as an ordinary working class girl from Tasmania and her journey through the army her enforced medical retirement after 10 years when she suffered a horrendous back injury her fight to get adequate treatment and compensation from the DVA her struggles to raise two kids as a single mother on welfare her son's ice addiction the slow rebuilding that saw her determined to prevent other people experiencing the bureaucratic inflicted torment that she was forced to survive her roller coaster ride as a politician and finally her resignation from the Senate and her plans for the future The subject matter is real and sometimes raw but Jacqui handles it with humour honesty and dignity It's safe to say that there's never ever been a politician's memoir like this in Australia
