Charlie Parker's doorstep desperate for redemption and revenge Despite the danger that his chosen profession imposes on his wife and newborn daughter Parker knows that the woman and her troubles cannot be ignored As always he is driven as much by the evil that simmers in the hidden honeycomb world as he is by the ties of friendship and blood As Parker gets closer to the girl's captors he discovers that her disappearance is linked to a church of bones in Eastern Europe to the slaughter at a French monastery in 1944 and to the myth of an object known as the Black Angel an object considered by evil men to be beyond priceless But the Black Angel is not a legend It is real It lives It dreams And the mystery of its existence may contain the secret of Parker's own origins

Demons Michael S. Heiser, 2020-04-29 The truth about demons is far stranger and even more fascinating than what's commonly believed Are demons real Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things Did a third of the angels really rebel with Satan Are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness Is the world a chaotic mess because of what happened in Eden or is there more to the story of evil What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today And this ancient worldview is missing from most attempts to treat the topic In *Demons* Michael Heiser debunks popular presuppositions about the very real powers of darkness Rather than traditions stories speculations or myths *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says You'll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare
