freedom to read with this timely empowering middle grade debut about a girl who fights back against banned books in the spirit of *The View from Saturday* or *Frindle*. When twelve year old June Harper's parents discover what they deem an inappropriate library book they take strict parenting to a whole new level. And everything June loves about Dogwood Middle School unravels: librarian Ms Bradshaw is suspended, an author appearance is canceled, the library is gutted and all books on the premises must have administrative approval. But June can't give up books and she realizes she doesn't have to when she spies a Little Free Library on her walk to school. As the rules become stricter at school and at home June keeps turning the pages of the banned books that continue to appear in the little library. It's a delicious secret and one she can't keep to herself. June starts a banned book library of her own in an abandoned locker at school. The risks grow alongside her library's popularity and a movement begins at Dogwood Middle, a movement that if exposed could destroy her. But if it's powerful enough maybe it can save Ms Bradshaw and all that she represents: the freedom to read. Equal parts fun and empowering, this novel explores censorship, freedom of speech, and activism. For any kid who doesn't believe one person can effect change and for all the kids who already know they can.

And Anthony Malory is precisely the sort of handsome rogue she's been warned against. A cunning, ruthless yet irresistible rake, Anthony's sensual blue eyes speak of pleasures beyond her imagining and Roslynn dearly wishes she dared to surrender to such a man. Believing his passionate promises will surely lead to disaster, but denying her heart may cost the exquisite Highlands lady an unparalleled love hotter than flame and more precious than the rarest jewel.

Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London at the height of the Christmas season to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission and comfort Pippa, their friend who has been left behind in the Realms. After these visits, they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her.
