Merchant Vessels of the United States... United States. Coast Guard,1977 *The Old Sixth Regiment* Charles Cadwell, Charles K Cadwell,2008-10 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Rebel Ramrod** Dean Owen,1991-01-01 History of the Great Western Sanitary Fair ,1864 **Rebel's Revenge** M. M. Lehman,2002-05-30 Lance Winfield went off to the Civil War an idealized young military academy student After years of war and prison camp he returned to find everything he valued in life gone or destroyed Rebel s Revenge is the story of this young man s continuing fight of a war long past Rebels at the Gates Robert P. Watson,2025-05-01 Rebels at the Gate chronicles an intriguing series of events that nearly changed American history In the last full year of the Civil War Washington DC came within hours of being invaded and Lincoln within inches of being shot During the summer of 1864 General Ulysses Grant was laying siege to Petersburg near Richmond deploying every available Union soldier in an effort to end the bloody war once and for all His counterpart General Robert E Lee and his famed Army of Northern Virginia were trapped inside Richmond and recognized that the Confederate capital would fall Lee knew Grant and understood that he would never stop attacking until he had Richmond It was then that the southern commander hatched a desperate and bold plan to save the Confederacy and perhaps bring the war to an end but on the Confederacy s terms Historian Robert Watson provides the definitive account of this largely forgotten attack on and defense of Washington and the fascinating events surrounding the battle **The Ramrodders** Holman Day,1910 **Merchant Vessels of the United States** ,1970 **The Rebels** John Jakes,2012-07-10 Philip Kent fights for his new country during the Revolutionary War in the historical family saga from the 1 New York Times bestselling author The engrossing follow up to The Bastard finds Philip Kent standing as a Continental soldier at the Battle of Bunker Hill In a bold move Kent has taken up arms for the future of his new family Spirited and unwavering in his dedication to his adopted homeland Kent fights in the most violent battles in America s early history As the Revolution rages Kent s story interweaves with the trials of a vivid cast of characters both famous and unknown The result is a tautly plotted epic novel that transports the reader into the thrilling adventure of a man s fight for a new life This ebook features an illustrated biography of John Jakes including rare images from the author s personal collection American Bandstand John Jackson,1999-06-03 I don t make culture I sell it Dick Clark once remarked Indeed the man who reigned as host of American Bandstand for nearly four decades may not have invented rock n roll but he sold it to the American public better than anyone before or since Before Clark rock n roll was the step child of radio which took to playing records as a cost saving measure after television siphoned off radios most lucrative sponsors But it was

network television and specifically Clarks Bandstand that ultimately legitimized what was then viewed by most adults as vulgar low class music broadcasting a sanitized vision of rock n roll straight into Americas living rooms five afternoons a week Here is the first book to tell the full story of what happened in front of and behind the cameras on Dick Clark s American Bandstand providing both a history of this landmark show and of the changing styles of rock n roll over four decades Based on extensive interviews with music business figures recording stars and Clark himself and featuring dozens of rare or never before published photographs this is a riveting and uncensored account of a show that managed to survive countless revolutions in popular music Jackson describes Bandstands humble beginnings in Philadelphias blue collar south side the sex scandal that scuttled the first host of Bandstand and enabled Clark to launch his career the glory days when an appearance on Bandstand was one of the most prized gigs in the music business and when teenagers lined up for blocks hoping to enter the studio and memorable Bandstand appearances by rock n roll royalty from Chubby Checker and Frankie Avalon to Jerry Lee Lewis and Jefferson Airplane to Pink Floyd and Madonna Here as well is a candid look at the backstage financial maneuvering that allowed Clark to launch a video and entertainment empire worth nearly 200 million dollars today Voted Most Likely To Sell The Brooklyn Bridge by his high school classmates Clark emerges as a cunning business impresario determined to make millions Readers learn how Clark decided which eager young singers would appear on the show how he managed to survive a 1959 Congressional payola investigation that destroyed the careers of many other popular disc jockeys how much money he earned from his personal financial investments in many of the songs played on Bandstand and his importance to ABC in its fledgling days as a national television network As entertaining as it is eye opening Dick Clark s American Bandstand will bring back a flood of memories to everyone who lived through that era It will fascinate everyone interested in popular American culture or in rock n roll history Paperbound Books in Print ,1984 **Rebel at Large**

Philip Van Buskirk,2009-10-21 This diary is one of the most unusual produced during the Civil War because it contains very little about military life Early in the war Van Buskirk abandoned his regiment working as a schoolmaster farmhand and casual laborer He wrote of the suffering civilians endured at the hands of contending armies But he also found time to chronicle his fascination with handsome young lads he encountered during his life as a deserter unwittingly providing modern readers an illuminating glimpse of class differences and sexual mores Naval social and sexual historians in particular will find much valuable source material **Alien Rebel's Fake Bride** Miranda Martin,2021-06-30 Crystal Truth be told I ve always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they re ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we re not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I m nothing if not a team player but why did it have to be the huge scarred one who s as socially awkward as I am Deceiving these brutal warriors seems like a

really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don't have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I'm suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I'm no fool She's a wily one talking and squirming her way past my defenses She's soft beautiful and scents like a goddess but I can't let her ruin my people's only chance at freedom Somehow I have to make her my Queen and set my people free *Bounty on the Rebel's Heart, Book 3 of the Incognito Series* Karen Wiesner, 2017-03-05 Rebel Porter is a man on the edge His wife was killed to silence evidence he uncovered on a dangerously corrupt man of power Now Reb is in hiding and he's as afraid to lose someone else to the bounty on his head as to lose his heart to another woman Network operative Natalie Francis goes undercover posing as Reb's former lover investigative journalist Adrienna Kelly to find Reb and his evidence against Giles Jameson and the Network Together they uncover a conspiracy that could upset the wrong people and silence both of them for good And when Natalie realizes she's fallen for the man she'd been protecting she considers the impossible escaping the Network

Woodworth, 2007-12-18 Composed almost entirely of Midwesterners and molded into a lean skilled fighting machine by Ulysses S Grant and William Tecumseh Sherman the Army of the Tennessee marched directly into the heart of the Confederacy and won major victories at Shiloh and at the rebel strongholds of Vicksburg and Atlanta Acclaimed historian Steven Woodworth has produced the first full consideration of this remarkable unit that has received less prestige than the famed Army of the Potomac but was responsible for the decisive victories that turned the tide of war toward the Union The Army of the Tennessee also shaped the fortunes and futures of both Grant and Sherman liberating them from civilian life and catapulting them onto the national stage as their triumphs grew A thrilling account of how a cohesive fighting force is forged by the heat of battle and how a confidence born of repeated success could lead soldiers to expect nothing but victory **My Days and Nights on the Battle-Field (Esprios Classics)** Charles Carleton Coffin, 2019-09-27 Charles Carleton Coffin July 26 1823 March 2 1896 was an American journalist American Civil War correspondent author and politician Coffin was one of the best known newspaper correspondents of the
