

The background of the cover is a photograph of a young woman with dark, curly hair, wearing a blue dress with a white lace collar and a pearl necklace. She is holding a lit candle in a brass holder. The setting appears to be a room with a patterned rug and a wooden chair in the background.

Rebellious Heart:

Rebellious Heart Jody Hedlund, 2013-09-15 Jody Hedlund Brings History to Life Like Few Others In 1763 Massachusetts Susanna Smith has grown up with everything she's ever wanted except one thing an education Because she's a female higher learning has been closed to her but her quick mind and quicker tongue never back down from a challenge She's determined to put her status to good use reaching out to the poor and deprived And she knows when she marries well she will be able to continue her work with the less fortunate Ben Ross grew up a farmer's son and has nothing to his name but his Harvard education A poor country lawyer he doesn't see how he'll be able to fulfill his promise to make his father proud of him When family friends introduce him to the Smith family he's drawn to quick-witted Susanna but knows her family expects her to marry well When Susanna's decision to help an innocent woman no matter the cost crosses with Ben's growing

disillusionment with their British rulers the two find themselves bound together in what quickly becomes a very dangerous fight for justice **My Rebellious Heart** Samantha James, 2013-04-30 A Lady's Vengeance Fiery Princess Shana will have her revenge on the man responsible for her father's death To this dark end she lures her enemy Thorne de Wilde Earl of Weston into the forest to have him killed But mesmerized by his breathtaking masculinity she spares him instead and takes the rogue prisoner It is a decision she quickly regrets A Lord's Desire Weston's powerful presence has been known to strip even the bravest men of their courage and will but this bold Welsh beauty greets him with proud defiance accusing him of foul crimes he never committed Turning the tables on his brazen captor the handsome giant of a man manages to escape and take Shana as his hostage igniting her even greater fury and a passion neither anticipates And suddenly two sensuous enemies find themselves bound together in a searing alliance that will either destroy them both or unite them in love for all time **This Rebel Heart** Katherine Locke, 2023-11-14 A tumultuous tale of the student led 1956 Hungarian revolution set

in a colorless post WWII Budapest where the magical Danube river has plans of its own from Sydney Taylor Honor winner Katherine Locke A haunting beautiful read that centers queer Jewish characters BuzzFeed In the middle of Budapest there is a river Csilla knows the river is magic During WWII the river kept her family safe when they needed it most safe from the Holocaust But that was before the Communists seized power Before her parents were murdered by the Soviet police Before Csilla knew things about her father's legacy that she wishes she could forget Now Csilla keeps her head down planning her escape from this country that has never loved her the way she loves it But her carefully laid plans fall to pieces when her parents are unexpectedly publicly exonerated As the protests in other countries spur talk of a larger revolution in Hungary Csilla must decide if she believes in the promise and magic of her deeply flawed country enough to risk her life to help save it or if she should let it burn to the ground With queer representation fabulist elements and a pivotal but little known historical moment This Rebel Heart is Katherine Locke's tour de force **Taming the Rebellious Heart** Sean H. McDowell, 2000

Stop Asking Jesus Into Your Heart J.D. Greear, 2013-02-01 If there were a Guinness Book of World Records entry for

amount of times having prayed the sinner's prayer I'm pretty sure I'd be a top contender says pastor and author J D Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. Lack of assurance is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart* J D shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical but they are sometimes misleading. The idea of asking Jesus into your heart or giving your life to Jesus often gives false assurance to those who are not saved and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

15 Signs Of A Rebellious Heart Michael Lindquist, 2005. *15 Signs Of A Rebellious Heart* is a wake up cry to this generation to deal with the issues of rebellion that live within each heart.

Christian Religion

Portraits of God Allan Coppedge, 2009-09-20. What is God like? Answering this is the great quest of human existence. Because God is so different from us we struggle to describe him. While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better. Indeed some of the most helpful insights in Scripture arise when God is compared to something else: a rock, an eagle, or a tower. And many human metaphors taken from the world of actions and relationships bring us even closer to understanding of God. In *Portraits of God* Allan Coppedge suggests we look carefully at God as our Father, Redeemer, King, Judge, Priest, and Creator. These portraits taken together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In *Portraits of God* Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us as churches and individuals to reflect God's own holy character. This is a book for students, pastors, and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth.
