Rebels and Runaways Larry E. Rivers, 2012-06-22 This gripping study examines slave

resistance and protest in antebellum Florida and its local and national impact from 1821 to 1865 Using a variety of sources Larry Eugene Rivers discusses Florida's unique historical significance as a runaway slave haven dating back to the seventeenth century In moving detail Rivers illustrates what life was like for enslaved blacks whose families were pulled asunder as they relocated and how they fought back any way they could to control small parts of their own lives Identifying slave rebellions such as the Stono Louisiana Denmark Vesey Gabriel and the Nat Turner insurrections Rivers argues persuasively that the size scope and intensity of black resistance in the Second Seminole War makes it the largest sustained slave insurrection in American history *The Sabres of Paradise* Lesley Blanch,2004-11-13 The Caucasus a region of supreme natural beauty and fiercely proud warriors has throughout history been characterized by violence and turmoil During the Great Caucasus War of 1834 1859 the warring mountain tribes of Daghestan and Chechnya united under the charismatic leadership of the Muslim chieftain Imam Shamil the Lion of Daghestan and held at bay the invading Russian army for nearly 25 years Lesley Blanch vividly recounts the epic story of their heroic and bloody struggle for freedom and the life of a man still legendary in the Caucasus *Storming the Gates of Paradise* Rebecca Solnit,2007-06-18 Rebecca Solnit has made a vocation of journeying into difficult territory and reporting back as an environmentalist antiglobalization activist and public intellectual *Storming the Gates of Paradise* an anthology of her essential essays from the past ten years takes the reader from the Pyrenees to the U S Mexican border from San Francisco to London from open sky to the deepest mines and from the antislavery struggles of two hundred years ago to today's street protests The nearly forty essays collected here comprise a unique guidebook to the American landscape after the millennium not just the deserts skies gardens and wilderness areas that have long made up Solnit's subject matter but the social landscape of democracy and repression of borders ruins and protests She ventures into territories as dark as prison and as sublime as a broad vista revealing beauty in the harshest landscape and political struggle in the most apparently serene view Her introduction sets the tone and the book's overarching themes as she describes Thoreau leaving the jail cell where he had been confined for refusing to pay war taxes and proceeding directly to his favorite huckleberry patch In this way she links pleasure to politics brilliantly demonstrating that the path to paradise has often run through prison These startling insights on current affairs politics culture and history always expressed in Solnit's pellucid and graceful prose constantly revise our views of the otherwise ordinary and familiar Illustrated throughout *Storming the Gates of Paradise* represents recent developments in Solnit's thinking and offers the reader a panoramic world view enriched by her characteristically provocative inspiring and hopeful observations [Texas Rebels: Egan](#) Linda Warren,2015-04-07 Heart of a Hero Big city art instructor Rachel Hollister isn't back home in Horseshoe Texas for more than a few hours before she's lost and stranded in the woods surrounding Rebel Ranch But Rachel's bad luck takes a sudden turn for the better when a ruggedly handsome cowboy manages to save her life not just once but twice in the same day Rancher Egan Rebel can't resist helping someone in need even an enemy or the daughter of one It was Rachel's

father who unjustly sentenced Egan to prison years ago As attracted as he is to Rachel and her bright creative energy Egan can't forgive the man who stole his freedom Can Egan let go of the past or will he turn his back on the only woman he's ever loved *Wings of Paradise* Peter N. Hello, Monster! Clementine Beauvais, 2018-10-16 A whimsical story about childhood imagination and the freedom to be oneself Parents always tell their children to go play with other children on the playground When the mother in Hello Monster tells her son to join another boy in the sandbox while he is happily playing by himself he rebels His mother never talks to strangers and what if the other boy is a monster disguised as a child that will trap him in his underground kingdom with all the other children who cook his meals and look after his pet moles The boy hatches a plan for all of them to escape but when they do they encounter a black panther Luckily the panther prefers to eat monsters over children and after his dinner he tells the children stories of the jungle until five in the morning The children watch the sun rise as they return home to their worried parents who feel guilty and let them stay home and eat cake all day never telling them to go play with that boy ever again With lively and whimsical illustrations Hello Monster is a creative story about respect for the imagination solitude and children s inner worlds Rebels All! Kevin Mattson, 2008-06-03 Do you ever wonder why conservative pundits drop the

word faggot or talk about killing and then Christianizing Muslims abroad Do you wonder why the right s spokespeople seem so confrontational rude and over the top recently Does it seem strange that conservative books have such apocalyptic titles Do you marvel at why conservative writers trumpeted the rebel qualities of George W Bush just a few years back There is no doubt that the style of the political right today is tough brash and by many accounts not very conservative sounding After all

isn't conservatism supposed to be about maintaining standards upholding civility and frowning upon rebellion? Historian Kevin Mattson explains the apparent contradictions of the party in this fresh examination of the postwar conservative mind. Examining a big cast of characters that includes William F. Buckley, Whittaker Chambers, Norman Podhoretz, Irving Kristol, Kevin Phillips, David Brooks, and others, Mattson shows how right-wing intellectuals have always but in different ways played to the populist and rowdy tendencies in America's political culture. He boldly compares the conservative intellectual movement to the radical utopians among the New Left of the 1960s and he explains how conservatism has ingested central features of American culture including a distrust of sophistication and intellectualism and a love of popular culture, sensation, shock, and celebrity. Both a work of history and political criticism, *Rebels All* shows how the conservative mind made itself appealing but also points to its endemic problems. Mattson's conclusion outlines how a recast liberalism should respond to the conservative ascendancy that has marked our politics for the last thirty years.

The Decline of Constitutional Democracy in Indonesia Herbert Feith, 2007 This is an intensive study of Indonesian politics from the attainment of full independence in December 1949 to the proclamation of martial law in March 1957 and President Soekarno's subsequent establishment of guided democracy. It is intended as a contribution to the ongoing discussion of democracy in the new states of Asia and Africa of the ways in which Western political institutions are transformed when employed in non-Western social settings and of the obstacles to be overcome if such institutions are to operate in consonance with the authority systems of new nations and with their solution of economic and administrative problems. Now brought back into print as a member of Equinox Publishing's Classic Indonesia series, *The Decline of Constitutional Democracy* is considered to be the definitive study of Indonesia in the 1950s and will be of great interest to the growing number of social scientists concerned with the pre-industrial nations and in particular with their efforts to use and adapt Western political institutions. This is a solid and scholarly account but written on the basis of much personal observation. Dr Feith manages to present his material in such a way that readers with no previous background in the subject will be able to follow the book almost as easily as will specialists.

HERBERT FEITH 1930-2001 became familiar with Indonesia during 1951-53 and 1954-56 when he was an English Language Assistant with the Ministry of Information of the Republic of Indonesia. A citizen of Australia, he received an M.A. degree from the University of Melbourne in 1955 and a Ph.D. from Cornell University in 1961. He was a Research Fellow in the Department of Pacific History, Australian National University from 1960 to 1962 and was Chair of Politics at Monash University from 1968 until 1974.
