Rebels And Yankees The Commanders Of The Civil War

James M. McPherson

Rebels And Yankees The Commanders Of The Civil War:

The Commanders of the Civil War William C. Davis, 1996-08-01 Illustrated with contemporary photographs artwork of uniforms and equipment this volume also features among others the uniforms and personal memorabilia of Generals Lee Grant Meade and Jackson *The Battlefields of the Civil War* William C. Davis, 1996 The Battlefields of the Civil War tells the stories of thirteen of the most important battles including First Manassas Shiloh Antietam Vicksburg Gettysburg and the Wilderness William C Davis not only describes the events and outcomes of those great engagements but also delves into the characters of the army commanders revealing in many cases just how much their personalities influenced the actions of their subordinates and ultimately the outcome of the battles themselves Rounding out the narrative are 35 full page color photograph spreads of Civil War artifacts including flags uniforms artillery projectiles and arms 28 color paintings of soldiers in various regiment uniforms and 166 historical photographs *What the Yankees Did to Us* Stephen Davis, 2012 Like Chicago from Mrs O Leary's cow or San Francisco from the earthquake of 1906 Atlanta has earned distinction as one of the most burned cities in American history During the Civil War Atlanta was wrecked but not by burning alone Longtime Atlantan Stephen Davis tells the story of what the Yankees did to his city General William T Sherman's Union forces had invested the city by late July 1864 Northern artillerymen on Sherman's direct orders began shelling the interior of Atlanta on 20 July knowing that civilians still lived there and continued despite their knowledge that women and children were being killed and wounded Countless buildings were damaged by Northern missiles and the fires they caused Davis provides the most extensive account of the Federal shelling of Atlanta relying on contemporary newspaper accounts more than any previous scholar The Yankees took Atlanta in early September by cutting its last railroad which caused Confederate forces to evacuate and allowed Sherman's troops to march in the next day The Federal army's two and a half month occupation of the city is rarely covered in books on the Atlanta campaign Davis makes a point that Sherman's wrecking continued during the occupation when Northern soldiers stripped houses and tore other structures down for wood to build their shanties and huts Before setting out on his march to the sea Sherman directed his engineers to demolish the city's railroad complex and what remained of its industrial plant He cautioned them not to use fire until the day before the army was to set out on its march Yet fires began the night of 11 November deliberate arson committed against orders by Northern soldiers Davis details the burning of Atlanta and studies those accounts that attempt to estimate the extent of destruction in the city **Black Confederates and Afro-Yankees in Civil War Virginia** Ervin L. Jordan, 1995 A study of the role of Afro Virginians in the Civil War **The Greatest Escape** Douglas Miller, 2021-02-01 The Greatest Escape A True American Civil War Adventure tells the story of the largest prison breakout in U S history It took place during the Civil War when more than 1 200 Yankee officers were jammed into Libby a special prison considered escape proof in the Confederate capitol of Richmond Virginia A small group of men obsessed with escape mapped out an elaborate plan and one cold and clear night 109 men dug their way

to freedom Freezing starving clad in rags they still had to travel 50 miles to Yankee lines and safety They were pursued by all the white people in the area but every Black person they encountered was their friend In every instance slaves risked their lives to help these Yankees and their journey was aided by a female led Union spy network Since all the escapees were officers they all could read and write well Over 50 of them would publish riveting accounts of their adventures This is the first book to weave together these contemporary accounts into a true to life narrative Much like a Ken Burns documentary this book uses the actual words the prisoners recorded more than 150 years ago as found in their many diaries and journals

Why the South Lost the Civil War, 1991-09-01 Offers a chronological account of the Civil War reexamines theories for the South's defeat and analyzes Confederate and Union military strategy *A Yankee Private's Civil War* Robert Hale Strong, Ashley Halsey, 2013-05-22 Upon joining the Union army at the age of 19 Robert Hale Strong experienced the intensity of battle and horrors of war which he vividly recaptures in this moving memoir Strong recounts true tales of punishment revenge devotion and quiet heroism as well as the survival methods of the average soldier **Magic in the Mix** Annie Barrows, 2014-09-16 Molly and Miri Gill are twins They look the same act the same sometimes even think the same But they weren't always twins Molly used to live in 1935 until Miri traveled back in time to save her from the clutches of Molly's evil adoptive family Only they know about the magic and its power to set things right So when home repairs unleash more unexpected magic from their very special very magical old house the girls set off on another time traveling adventure to the Civil War where they race against the clock to save two unusual soldiers and come to terms with the truth about Molly's real past Brimming with lovable characters and spine tingling magic this long awaited sequel will bring a whole new batch of readers to Annie Barrows highly acclaimed wonderfully popular world of twin inspired magic *Soldiers North and South* Paul Alan Cimbala, 2010 Originally published *The Civil War* Santa Barbara Calif Greenwood Press 2008 *Jack Hinson's One-man War* Tom Chase McKenney, 2009 A quiet unassuming and wealthy plantation owner Jack Hinson was focused on his family life and seasonal plantings when the Civil War started to permeate the isolated valleys of the Kentucky Tennessee border area where he lived He was uniquely neutral friend to both Confederate and Union generals and his family exemplified the genteel educated gracious and hardworking qualities highly valued in their society By the winter of 1862 the Hinsons happy way of life would change forever Jack Hinson's neutrality was shattered the day Union patrols moved in on his land captured two of his sons accused them of being bushwhackers and executed them on the roadside The soldiers furthered the abuse by decapitating the Hinson boys and placing their heads on the gateposts of the family estate The Civil War now literally on Hinson's doorstep had become painfully personal and he could remain dispassionate no longer He commissioned a special rifle a heavy barreled 50 caliber weapon designed for long range accuracy He said goodbye to his family and he took to the wilderness seeking revenge Hinson nearly sixty years of age alone and without formal military training soon became a deadly threat to the Union A Confederate sniper he made history after single handedly bringing down

an armed Union transport and serving as a scout for Nathan Bedford Forrest A tenacious and elusive figure Hinson likely killed more than one hundred Union soldiers recording the confirmed deaths on the barrel of his rifle with precision Despite the numbers of men sent to kill him Hinson evaded all capture and like his footsteps through the Kentucky and Tennessee underbrush his story has been shrouded in silence until now The result of fifteen years of research this remarkable biography presents the never before told history of Jack Hinson his savage war on his country and the brutal cost of vengeance **The Civil War** Patricia D. Netzley,2009-06-25 Lasting from 1861 to 1865 the Civil War pitted brother against brother and resulted in the deaths of well over 600 000 soldiers This encyclopedia provides information about a variety of topics related to the war and its aftermath including political issues generals battles and campaigns armies weapons and ammunition naval vessels medical treatments and aspects of daily life in the military and on the home front Attack and Die Grady McWhiney,Perry D. Jamieson,1982 Why did the Confederacy lose so many men The authors contend that the Confederates bled themselves nearly to death in the first three years of the war by making costly attacks more often than the Federals Offensive tactics which had been used successfully by Americans in the Mexican War were much less effective in the 1860s because an improved weapon the rifle had given increased strength to defenders This book describes tactical theory in the 1850s and suggests how each related to Civil War tactics It also considers the development of tactics in all three arms of the service during the Civil War Battle Cry of Freedom James M. McPherson,2003-12-11 Filled with fresh interpretations and information puncturing old myths and challenging new ones Battle Cry of Freedom will unquestionably become the standard one volume history of the Civil War James McPherson s fast paced narrative fully integrates the political social and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox Packed with drama and analytical insight the book vividly recounts the momentous episodes that preceded the Civil War the Dred Scott decision the Lincoln Douglas debates John Brown s raid on Harper s Ferry and then moves into a masterful chronicle of the war itself the battles the strategic maneuvering on both sides the politics and the personalities Particularly notable are McPherson s new views on such matters as the slavery expansion issue in the 1850s the origins of the Republican Party the causes of secession internal dissent and anti war opposition in the North and the South and the reasons for the Union s victory The book s title refers to the sentiments that informed both the Northern and Southern views of the conflict the South seceded in the name of that freedom of self determination and self government for which their fathers had fought in 1776 while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty Eventually the North had to grapple with the underlying cause of the war slavery and adopt a policy of emancipation as a second war aim This new birth of freedom as Lincoln called it constitutes the proudest legacy of America s bloodiest conflict This authoritative volume makes sense of that vast and confusing second American Revolution we call the Civil War a war that transformed a nation and expanded our heritage of liberty *Homegrown Yankees* James Alex Baggett,2009-06 Of all the

states in the Confederacy Tennessee was the most sectionally divided East Tennesseans opposed secession at the ballot box in 1861 petitioned unsuccessfully for separate statehood resisted the Confederate government enlisted in Union militias elected U S congressmen and fled as refugees into Kentucky These refugees formed Tennessee s first Union cavalry regiments during early 1862 followed shortly thereafter by others organized in Union occupied Middle and West Tennessee In *Homegrown Yankees* the first book length study of Union cavalry from a Confederate state James Alex Baggett tells the remarkable story of Tennessee s loyal mounted regiments Fourteen mounted regiments that fought primarily within the boundaries of the state and eight local units made up Tennessee s Union cavalry Young nonslaveholding farmers who opposed secession the Confederacy and the war from isolated villages east of Knoxville the Cumberland Mountains or the Tennessee River counties in the west filled the ranks Most Tennesseans denounced these local bluecoats as renegades turncoats and Tories accused them of betraying their people their section and their race and held them in greater contempt than soldiers from the North Though these homegrown Yankees participated in many battles including those in the Stones River Tullahoma Chickamauga East Tennessee Nashville and Atlanta campaigns their story provides rare insights into what occurred between the battles For them military action primarily meant almost endless skirmishing with partisans guerrillas and bushwackers as well as with the Rebel raiders of John Hunt Morgan Joseph Wheeler and Nathan Bedford Forrest who frequently recruited and supplied themselves from behind enemy lines Tennessee s Union cavalry scouted and foraged the countryside guarded outposts and railroads acted as couriers supported the flanks of infantry and raided the enemy On occasion especially during the Nashville campaign they provided rapid pursuit of Confederate forces They also helped protect fellow unionists from an aggressive pro Confederate insurgency after 1862 Baggett vividly describes the deprivation sickness and loneliness of cavalymen living on the war s periphery and traces how circumstances beyond their control such as terrain transport equipage weaponry public sentiment and military policy affected their lives He also explores their well earned reputation for plundering misdeeds motivated by revenge resentment a lack of discipline and the hard war policy of the Union army In the never before told story of these cavalymen *Homegrown Yankees* offers new insights into an unexplored facet of southern Unionism and provides an exciting new perspective on the Civil War in Tennessee

Crisis of Command in the Army of the Potomac Jay W. Simson, 2008-08-28 With the ascendancy of Ulysses S Grant in late 1863 the command tone of the United States Army underwent a dramatic change While Grant s predecessor George McClellan had been overly cautious about committing troops and resources to fight the South Grant held the philosophy that a war fought for total ends required total means Philip Sheridan set about reorganizing the army to reflect Grant s new style During the last six months of the war he relieved three generals of their commands because of their inability to follow his orders precisely William Averell Alfred Torbert and Gouverneur Warren found themselves and their careers casualties of Sheridan s intense determination to bring an end to the hostilities Only Ranald S Mackenzie managed to survive Sheridan s search for effective

leaders proving himself the ideal subordinate *Fields of Fury* James M. McPherson, 2002-10 Examines the events and effects of the American Civil War **The Civil War: The commanders of the Civil War** William Charles Davis, 1999

American Civil War Artillery 1861-65 (1) Philip Katcher, 2001-01-25 Perhaps the most influential arm of either army in the prosecution of the American Civil War the artillery of both sides grew to be highly professional organizations centralizing their artillery organizing artillery battalions from individual batteries and giving their commanders higher ranks than field artillerymen had previously held In battle the introduction of the 12 pdr Napoleon followed closely by rifled cannon provided a range and power previously unknown on American soil This book details this vital cog in the war machine of both sides **Still Rebels, Still Yankees and Other Essays** Donald Davidson, 1999-03-01 A decade and more has passed since the first publication of *Still Rebels Still Yankees* During that time the book has become recognized as a classic affirmation of the necessity of tradition in conserving cultural order Donald Davidson a major figure in the Agrarian Movement summed up the intent of the work this way The general theme that binds the essays no matter what their specific subjects is the conflict between tradition and anti tradition that characterizes modern society with tradition viewed as the living continuum that makes society and civilization possible and anti tradition as the disintegrative principle that destroys society and civilization in the name of science and progress The South which has suffered most in its devoted defense of tradition naturally offers me examples for consideration but this is not a book about the South as such It is as near as I can come in essay form to defining what I would conceive to be the true American position In a brilliant and graceful style Davidson pursues his theme in a rich variety of subjects poetry myth and folklore and in the complex rivalries between nation and region the free citizen and the Leviathan state the values of religion and the facts of science Order sanity and fullness of life are cornerstones of the tradition against which he appraises writers like Hardy and John Gould Fletcher the historiography of Toynbee and the social reporting of W J Cash Desperate Engagement Marc Leepson, 2024-09-04 This Civil War history offers a sharp assessment of the single Confederate victory north of the Mason Dixon line and the threat it posed to the capitol Kirkus The Battle of Monocacy is one of the Civil War s most significant yet little known battles On July 9 1864 in the fields just south of Frederick Maryland some 12 000 Confederate troops led by the controversial Jubal Anderson Early were met by a much smaller and untested Union force under the mercurial Lew Wallace the future author of *Ben Hur* When the fighting ended Early had routed Wallace in the northernmost Confederate victory of the war Yet that victory came at a pivotal cost Two days later Early sat astride his horse on the doorstep of Washington D C contemplating whether or not to order his men to invade the nation s capital Washington s fortifications were maintained by a ragtag collection of walking wounded Union soldiers The news of an impending rebel attack sent Union leaders scrambled to coordinate a force of volunteers But Early did not pull the trigger Because his men were exhausted from the fight at Monocacy Early paused before attacking thus giving Grant just enough time to bring thousands of veteran troops up from Richmond Historian Marc Leepson shows that had Early arrived in

Washington one day earlier the ensuing havoc easily could have brought about a different conclusion to the war Leepson uses a vast amount of primary material including memoirs official records newspaper accounts diary entries and eyewitness reports in a reader friendly and engaging description of the events surrounding what became known as the Battle That Saved Washington

Right here, we have countless book **Rebels And Yankees The Commanders Of The Civil War** and collections to check out. We additionally have the funds for variant types and moreover type of the books to browse.
