

The background of the cover is a dark, textured surface. In the center, there is a stylized illustration of a hand holding a gun. The hand is rendered in a reddish-brown color, and the gun is in shades of blue and black. In the background, behind the hand and gun, there is a faint, stylized face with large, light-colored eyes. The title 'THE CRIME MINISTER REBOUND' is written in large, bold, white capital letters across the top half of the cover. The word 'THE' is smaller and positioned above 'CRIME'.

Rebound Crime Minister No 3:

Serial Vigilantes of Paperback Fiction Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured **Forthcoming Books** Rose Arny, 1987 **Books in Print Supplement**, 1994 *Books in Print*, 1987 **Corporate Crime in the Pharmaceutical Industry (Routledge Revivals)** John Braithwaite, 2013-10-08 First published in 1984 this book examines corporate crime in the pharmaceutical industry Based on extensive research including interviews with 131 senior executives of pharmaceutical companies in the United States the United Kingdom Australia Mexico and Guatemala the book is a major study of white collar crime Written in the 1980s it covers topics such as international bribery and corruption fraud in the testing of drugs and criminal negligence in the unsafe manufacturing of drugs The author considers the implications of his findings for a range of strategies to control corporate crime nationally and internationally *An Essay on Crimes and Punishments* Cesare Beccaria, Cesare marchese di Beccaria, Voltaire, 2006 Reprint of the fourth edition which contains an additional text attributed to Voltaire Originally published anonymously in 1764 *Dei Delitti e Delle Pene* was the first systematic study of the principles of crime and punishment Infused with the spirit of the Enlightenment its advocacy of crime prevention and the abolition of torture and capital punishment marked a significant advance in criminological thought which had changed little since the Middle Ages It had a profound influence on the development of criminal law in Europe and the United States **The Whole Story** John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Restorative Justice & Responsive Regulation** John Braithwaite, 2001-11-15 Braithwaite's argument against punitive justice systems and for restorative justice systems establishes that there are good theoretical and empirical grounds for anticipating that well designed restorative justice processes will restore victims offenders and communities better than existing criminal justice practices Counterintuitively he also shows that a restorative justice system may deter incapacitate and rehabilitate more effectively than a punitive system This is particularly true when the restorative justice system is embedded in a responsive regulatory framework that opts for deterrence only after restoration repeatedly fails and incapacitation only after escalated deterrence fails Braithwaite's empirical research demonstrates that active deterrence under the dynamic regulatory pyramid that is a hallmark of the restorative justice system he supports is far more effective than the passive deterrence that is notable in the stricter sentencing grid of current criminal justice systems **The Gospel**
