Frank Triplet, 1885 **Excursions with Kierkegaard** Edward F. Mooney, 2012-12-20 Noted Kierkegaard scholar Edward Mooney guides the reader through the major themes of the Danish philosopher's life and thought Each chapter frames a striking issue usually encapsulated in a short passage from Kierkegaard and pursues it directly and deeply Kierkegaard speaks to our need for self understanding our need to negotiate the tensions between

surprisingly subtle capacities for communication and surprisingly easy descent into clichés and banality The chapter of this book follow and re animate Kierkegaard's brilliant and humorous discussions of death and authenticity of the maternal and paternal in faith and self transformations of self deception and obsessive judgmentalism of love and the search for stable centers of subjectivity as refinement of responsiveness to others the world and all we can value These evocative explications aim to match his stride in tracking deep human concerns that evade academic and cultural pigeonholes Like Hamlet Kierkegaard gives us a poem unlimited that is open to endless reflection Mooney's aim is to bring his matchless impulse and aspiration once more to life Minding the Earth, Mending the World Susan Murphy, 2014-05-13 Shunryu Suzuki Roshi founded the San Francisco Zen Center in 1962 and after fifty years we have seen a fine group of Zen masters trained in the west take up the mantle and extend the practice of Zen in ways that might have been hard to imagine in those first early years Susan Murphy one of Robert Aitken's students and dharma heirs is one of the finest in this group of young Zen teachers She is also a fine writer and following on the teaching of her Roshi she has engaged her spiritual work in the ordinary world dealing with the practice of daily life and with the struggles of all beings We know that our earth is in crisis but is the situation beyond repair Are we on a path of planetary disaster where the only proper response is to prepare for our melancholic dystopian future Is there a way out of our suspicious cynicism In the tradition of Thomas Berry using this spiritual opportunity to change the very nature of our crisis Susan Murphy offers a profound message subtly presented with clarity and assurance showing that engaged Buddhism provides a possible path to the necessary repair and healing
