The Communicator's Commentary Mark D. Roberts, 1993 Ezra and Nehemiah address issues that make the front pages of our newspapers and they speak to the yearnings of our hearts This is why the author of this volume Dr Mark Roberts enthusiastically encourages Christian communicators to explore these somewhat obscure Old Testament texts For much the same reason the author believes modern pastors and Bible students can benefit from careful study in the often maligned book of Esther He emphasizes the book's contemporary relevance stating Esther encourages us to grapple with pressing moral issues in light of God's wisdom As a pastor with a passion for communicating God's truths to young people and to the unchurched in our world Dr Roberts shares his personal success in using the books of Ezra Nehemiah and Esther to address contemporary needs Not only is this commentary well written and carefully researched but as an added plus Dr Roberts deep faith and his dynamic relationship with Christ shine through every page As Dr Lloyd Ogilvie says in the editor's preface the author of this fine volume is vulnerable open and honest about how the Scriptures he explains have impacted his own life Marked by the excellence you have come to expect in the Communicator's Commentary series this latest volume wrestles with difficult questions such as the rightful place of Esther in the canon and the puzzling roles of Sheshbazzar and Zerubbabel provides a wide range of quotations and anecdotes from modern and classical sources to help us communicate God's message today and offers balance of exegetical historical and literary analysis along with penetrating applications of the truths reflected in these texts As communicators Dr Ogilvie says we all long for those magnificent moments in our preparation when we are gripped with an inspired insight into a passage of Scripture that prompts us to exclaim that will preach We are filled with excitement and enthusiasm to share what we've discovered This is exactly what will happen as you study this commentary It is power packed and brimming over with new insight into familiar passages

others look to you for leadership Do you face a major task or shoulder heavy responsibilities Do you want to take your leadership skills to a higher level When Nehemiah confronted the task of rebuilding Jerusalem s wall he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him Yet through the application of timeless leadership principles Nehemiah completed this nearly impossible project and laid a pattern for success which is just as valid for us today Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader Whatever the context secular or ministerial he demonstrates how to size up a task organize and motivate a team and respond to inevitable obstacles such as these Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah s wise administration will change your approach to leadership forever *8 Habits for Growth* Darryl Dash,2021-08-03 Don t just do the right actions Build habits and watch your life be transformed Many books try to help you do the right actions But the real key to life transformation for yourself and then for others is building habits that become part of your life Because habits don t just dictate what you do They reflect who you are In *8 Habits for Growth* Darryl Dash wants to show you the eight long term practices all very doable that will lead to permanent growth if you incorporate them into your life You ll learn why it s important to Make time Rest Read or listen to the Bible Pray Pursue worship and community in a church Care for your body Simplify your spiritual life Build a rule of life Personal growth doesn t happen overnight But it does happen slowly as you build God s habits into your life So what are you waiting for Start your new habits today and let God transform who you are and who you can become **The Church Jesus Built** United Church of God,2014-02-03 Jesus Christ said that He would build His Church and that it would never die out Is today s Christianity with its hundreds of denominations with widely differing beliefs and practices the Church Jesus promised that He would build Inside this Bible study aid booklet A People Special to God The Historical Background of the Term Church Church and Congregation in the Scriptures A Spiritually Transformed People The Apostles A Case Study in Conversion The Responsibility and Mission of the Church What is the True Gospel Is Today the Only Day of Salvation The Rise of a Counterfeit Christianity Changes in Christian Scholars Perspective on God s Law Early Trends That Affected the Future of the Church The Church of God Today What Did the Early Church Believe and Practice The Church as the Bride of Christ *Rebuilding The Real You* Jack W Hayford,2013-01-23 *DIV*Rebuilding the Real You Jack Hayford s landmark teaching on the Holy Spirit unfolds a clear picture of the process by which the Holy Spirit works in the life of the believer For anyone who has experienced times of brokenness the book is a handbook on div [Nehemiah For You](#) Eric Mason,2022-07-01 Expository Bible study guide to Nehemiah The book of Nehemiah chronicles a key moment in the history of God s people the rebuilding of the walls of Jerusalem after the return from exile Understanding this book doesn t just mean knowing about a rebuilt wall Nehemiah helps us think through any type of rebuilding we might do for God from our homes and families to our local church our communities and our world It teaches

us ultimately about Jesus and his mission. A pastor with decades of experience in cities, Dr. Eric Mason unpacks this rich book verse by verse. Baxter's Explore the Book J. Sidlow Baxter, 2010-09-21. Explore the Book is not a commentary with verse by verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help, as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation.

Hell's Best Kept Secret Ray Comfort, 2004-07-01. How many souls have you won to Christ? How many are still walking with the Lord? All some a few. The facts are: Evangelical success is at an all-time low. We're producing more backsliders than true converts. The fall-away rate from large crusades to local churches is between 80 to 90 percent. Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the unbeliever's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners, and backslidden believers, then look no further. This radical approach could be the missing dimension needed to win our generation to Christ.

Ezra and Nehemiah David J. Shepherd, Christopher J. H. Wright, 2018. Two features especially distinguish the Two Horizons Old Testament Commentary series: theological exegesis and theological reflection. Both of these features are fully realized in this THOTC volume on Ezra and Nehemiah by David J. Shepherd and Christopher J. H. Wright. Following an introduction and concise verse by verse commentary on both books, Shepherd and Wright highlight key ways in which these Old Testament texts continue to speak to us today. They closely examine what Ezra and Nehemiah tell us about God and the people of Israel, reflect practically on leadership, and engage critically with those portions of the text such as

Ezra's dissolution of the Judeans marriages with foreigners that present special problems for contemporary readers. Offering deep theological insight throughout this volume will prove essential for students, pastors, and other Christian leaders seeking to engage in theological interpretation of Scripture. **Ezra & Nehemiah** Matthew Levering, 2023-09-26. This volume like each in the Brazos Theological Commentary on the Bible is designed to serve the church through aid in preaching, teaching, study groups, and so forth, and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

Let Us Rise Up and Build Rick Popejoy, 2018-01-30.
