In *Rebuilding Your Message*, the award-winning authors now share their carefully honed communication practices to help priests, staff, volunteers, and parishioners better proclaim the irresistible and life-changing Gospel of Jesus Christ at every level. A parish doesn't just communicate its mission from the pulpit. Teaching and preaching also happen in classes and small groups, in bulletins on the church website and social media, and through volunteers who welcome visitors through its doors. In *Rebuilding Your Message*, Michael White and Tom Corcoran, authors of the bestselling books *Rebuilt* and *Tools for Rebuilding*, share dozens of strategies to help Catholic parishes establish and sustain excellent communications. White and Corcoran believe that every parishioner should be engaged in communicating the Good News of Jesus Christ. The authors push Catholics beyond the status quo with practical help for creating a welcoming church, practicing homilies and preparing lessons, as well as more complex strategies such as developing a message series that connects all forms of communication to both the liturgical year and the seasons of the local community.

take me into places I did not expect to go places that were simultaneously painful as well as uplifting I would find myself covered in dirt from everything anti Mormonism has had to throw at me but I would also find myself shielded and renewed by gaining a deeper understanding of the beautiful truths surrounding The Church of Jesus Christ of Latter day Saints I can now see why people fall away from being faithful members of the church There are a variety of reasons all of which I now have a much better understanding I say I have a better understanding but that does not mean I agree I do not It is also easy to see why many relationships do not survive the changes that so often come when a loved one leaves the faith This not a fun story This book is not like the fiction I write where the plot gets thicker as it goes but everyone ends up peachy in the end Most of this book is the story of two inseparable brothers who go through something so difficult we have to rebuild our relationship from the ground up and unfortunately that relationship is never quite the same This book is also a personal journey of discovering for myself what it means to have an intimate relationship with my Father in Heaven And for large portions of this book I abandon the storyline altogether in order to answer questions I have posed for myself and sort out my jumble of thoughts Does God even exist What is religion Is religion actually important if I consider my spiritual journey to be something personal What are the aspects of my own religion that I find indispensable and beautiful My prayer is that some people will take this story to heart in a way that they can gain for themselves some of the lessons I have learned as they take part in my journey My hope is that some people can learn from what I have experienced in order to avoid some of the same mistakes I made and sidestep the need to walk the same route My desire is that someone might read my story and discover a reason to stay in the faith despite the fact that they do not have all the answers      Rebuilding Youth Ministry Christopher

**Rebuilding Civilization on the Bible** Jay Grimstead,2014 Throughout history false teachings threatening to corrupt the Church have forced leaders to join in councils where they codified the orthodox teaching of the Bible into creeds received by the Church as faithful distillations of Scriptural truth and as a bulwark against future corruption Error heresy and outright paganism are today common in churches that were once sound Many better churches have little depth to their teaching and are silent on critical issues of the day and in some churches paganism even masquerades as Christianity This book is the fruit of the work of hundreds of theologians and Christian leaders working throughout a 37 year period to define and defend the key Biblical points on 24 controversial issues which would not even be controversial if all believed like Jesus and Paul in the inerrancy of the Bible

**God's Court and Courtiers in the Book of the Watchers** Philip Francis Esler,2017-11-06 First Enoch is an ancient Judean work that inaugurated the genre of apocalypse Chapters 1 36 tell the story of the descent of angels called Watchers from heaven to earth to marry human women before the time of the flood the chaos that ensued and God s response They also relate the journeying of the righteous scribe Enoch through the cosmos guided by angels Heaven including the place and those who dwell there God the angels and Enoch plays a central role in the narrative But how should heaven be understood Existing scholarship which presupposes Judaism as the appropriate framework views the Enochic heaven as reflecting the temple in Jerusalem with God s house replicating its architecture and the angels and Enoch functioning like priests Yet recent research shows the Judeans constituted an ethnic group and this view encourages a fresh examination of 1 Enoch 1 36 The actual model for heaven proves to be a king in his court surrounded by his courtiers The major textual features are explicable in this perspective whereas the temple and priests model is unconvincing The author was a member of a nontemple scribal group in Judea that possessed distinctive astronomical knowledge promoted Enoch as its exemplar and was involved in the wider sociopolitical world of their time
