**The Poppy** Nicholas J. Saunders,2013-10-01 In the aftermath of the horrific trench warfare of the First World War the poppy sprouting across the killing fields of France and Belgium then immortalised in John McCrae s moving poem became a worldwide icon Yet the poppy has a longer history as the tell tale sign of human cultivation of the land of the ravages of war and of the desire to escape the earthly realm through inspired Romantic opium dreams or the grim reality of morphine drips This is a story spanning three thousand years from the ancient Egyptian fights over prized medicinal potions to the addicted veterans returning home from the American Civil War from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan s tribal narcotics trade Through it all there stands the transformative poppy Nicholas J Saunders brings us the definitive history of this ever enduring but humble flower of the fields a story that is at turns tragic eye opening and most essentially life affirming a gift to us all The Silver Poppy Arthur Stringer,1924 The Great Northern Goat ,1949 **POPPY** Pennel P. & James J. - Irwin,2016-01-23 14 May 1952 POPPY Pen takes us back to both he and my childhood fifty years ago with our great grandfather Poppy Though he has changed the names of the characters slightly my middle name is John and my sister s middle name is Louise and so on ostensibly it was the summer that Pen came of age From the innocent young boy to the youth of a young man experiencing the first close human s passing and the nature of things around him Pen reveals in very poetic descriptive phrases new discoveries and wonders of a farm life for a young city boy and his relationship with his great grandfather Pen alias Lanny a nick name he donned as he was known when he was young brings us into a life that is replete with adventures that boys even today experiences as emotional tidbits of life Many of these adventures and experiences I too have shared along with this special bond that Poppy had with his great grandchildren Pennel Pen has always been a dreamer of stories and held these thoughts as precious gems to be admired and it was not a surprise to me that when he reached adulthood he choose to be a journalist and a writer and teacher What could be more natural for a boy to hone these skills in the fresh environment of farm life Indeed there is something very special and magical between a Great Grand Parents and their grandchildren I suppose its because in our childhood days there simply wasn t that many around They teach wisdom from life s experiences in ways that can only be taught from a person that has lived as long as they In Loving Memory James **Representation** Jenny Kidd,2015-10-23 Written especially for undergraduate students Representation synthesises and updates our understandings of representation and the tools for its analysis for use in the new mediascape Jenny Kidd uses an engaging range of current examples and a

lively style to explore a number of key questions reflecting existing and contemporary debates about representation These key questions include Who owns and manages representations Whose realities are foregrounded and whose are consigned to invisibility To what extent are increased opportunities for self representation altering the landscape And what happens to representation within the noisy playful and often subversive communications of the Internet Kidd considers the political social and cultural importance of representation across a broad spectrum of cultural and creative industries This examination of the relationship between media cultural representations and the construction of reality identity and society makes it an ideal text for students that need to get to grips with this core thematic of media and cultural studies
