Recapitulated Proofs Of Ancient Masonry:

Recapitulated Proofs of Ancient Masonry John Yarker, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **John Yarker** John Yarker, 2021-01-01 In this extensive work, John Yarker attempts to trace the history of Masonry and Masonic rites through history, proving its legitimacy through seniority and the power of tradition. Yarker establishes the roots of Masonry in a race he calls the Aryans, a catchall phrase to describe an unknown race of conquerors who developed the early human arts such as stoneworking, metalworking, and agriculture. Yarker then explains how that civilization gave rise to societies of special knowledge such as the mathematical and philosophical schools in ancient Greece. From these, he can trace symbolism to modern Freemasonry. Fascinating in its breadth, *The Arcane Schools* draws on seemingly every society and era to pull the history of humanity into a single narrative. Those interested in the arcane and occult, as well as those with a newly sparked interest in symbology, will find Yarker's book a fascinating and informative read. *The Arcane Schools* John Yarker, 2013-10-24 A Review of their Origin and Antiquity with a General History of Freemasonry and its Relation to the Theosophic, Scientific, and Philosophic Mysteries. The object of the work is to give a broad but condensed view of the various traces that are to be found amongst the ancients in their religion, in their art, and in their buildings, civil, sacred, and military, of a Speculative System such as is now embodied in Freemasonry. The work is necessarily a compilation of suitable information to be found in ancient and modern writers upon history, mystery, mysticism, and Freemasonry, but it also embraces the most recent views on these subjects which have been evolved by close and critical examination. There will be thirteen chapters divided into three parts with an appendix of a series of constitutions. Part I: The Arcane Schools. Part II: Operative and Speculative Freemasonry. Part III: the Speculative Revival. Part IV: Ancient Manuscripts. **Rosicrucian Brotherhood**, 1907

Mackey's History of Freemasonry Albert Gallatin Mackey, Robert Ingham Clegg, William James Hughan, 1921 **The Arcane Schools** John Yarker, 2007-03-01 This hardbound edition of Yarker's classic opus is not merely another facsimile edition. It has been completely reformatted yet retains a look and feel that is comparable to the original 1909 edition, right down to the blue cloth binding and gold-stamped spine. From Alchemy to Zoroaster and everything in between, *The Arcane Schools* continues to be one of the most comprehensive and authoritative works concerning the history and migration of the Western Mystery Tradition. Students of Freemasonry, Rosicrucianism, and Theosophy will find this to be an indispensable addition to their collection. [History of Freemasonry](#) Albert Gallatin Mackey, 1921 [Freemasonry.
