## **Recapturing The Wonder Of Christmas:**

**Recapturing the Wonder of Christmas** Timothy J. E. Cross, 2019      *Recapturing the Wonder* Mike Cosper, 2017-07-14

When we're young it's easy to believe in the supernatural. But as we grow older, even as Christians who believe in the resurrection, we live as if reality is merely what we can see. Mike Cosper has discovered disciplines that awaken the possibility of living again in an enchanted world. With thoughtful practices woven throughout, this book will feed your soul and help you recapture the wonder of your Christian walk.

**Touching Wonder** John Blase, 2012-11-12. This bold retelling of Luke 1:2 based on Eugene Peterson's Message translation reads like a novel and invites readers to experience the Nativity with fresh wonder. To Eugene Peterson's The Message Bible translation, John Blase adds his own storytelling voice, exploring the familiar events from multiple first-person viewpoints. What emerges is the intimate story of unlikely people: a frightened teenaged girl, a worried carpenter, a collection of senior citizens, a disillusioned young shepherd meeting up with the divine as they bumble and stumble toward the realization that the little one just born is the One. This retold story of Word made flesh invites readers to react appropriately with eyes opened wide in wonder, jaws dropped in amazement, and hearts rejoicing. The beautiful design and Amanda Jolman's lively line drawings make this book a fitting gift as well as a Christmas tradition that families will treasure for years to come.

The Wonder of Christmas Daniel Partner, 2003. Two thousand years ago, angels proclaimed glad tidings of great joy to all people: the birth of Jesus Christ, the Savior. But today, even Christians can find their joy dampened by the demands of the hectic holiday season. Now, author Daniel Partner provides an antidote to the hustle and bustle. *The Wonder of Christmas*, a twenty-five day devotional containing fifty readings on the true meaning of the holiday. These thoughtful and encouraging readings are perfect for the first three and a half weeks of December, but their message of the vital importance of Jesus Christ is equally appropriate throughout the entire year.

Recapturing the Glory of Christmas R. Albert Mohler Jr., 2024-10-15. Christmas should spark worship and adoration, and R. Albert Mohler offers a book that mines the depths of the advent season and all the theological riches God has gifted to His people. *Recapturing the Glory of Christmas* is a call to worship and praise. Indeed, Christmas beckons the world to come and adore the Savior King, the King exulted by the angels, the King who took on flesh, the King who deserves all glory, all honor, and all praise. O come, come and adore Jesus Christ the Lord.

**Recapturing the Wonder of Christmas** Timothy Cross, 2005-01-01. The trend in our current society is to celebrate and remove all reference to any religious, let alone Biblical, basis to Christmas. Goodness, they are bringing religion into Christmas. What next is a common feeling of a busy shopper on seeing a nativity scene in a shopping centre. This precious and warm celebration has become increasingly secular over the years. Few would deny that materialism has taken over almost completely. This book seeks to counter the current trend. It explains and informs the reader as to the true meaning of Christmas and explores the different aspects we have come to believe and know about Christmas as committed Christians. Whilst this book is definitely seasonal, its message is also eternal for the purpose of the incarnation is
