**Receiving Divine Revelation** Fuchsia Pickett, ThD., D.D., Fuchsia T. Pickett, 1997 For years I studied the Word I read every book I could lay my hands on and sat under every Bible teacher they would let me sit under But I still didn't know God nor did I really understand His Word Although Jesus was living in my heart He was a stranger to me Do you know Jesus Do you understand His Word It took some extreme circumstances in my life to bring me to the place where the Holy Spirit began to reveal Jesus to me and in me I will never forget the first night the Spirit began to divide asunder the veil of the flesh between my soul and spirit I began to see Jesus and understand His Word The Holy Spirit became my teacher and I started to receive His divine revelation You see no one can show you Jesus except the Holy Spirit This living reality miraculously set me on the path of divine discovery that I am still walking in today Come and walk with me and my Teacher the Holy Spirit Learn how to hear His voice through God's Word Let Jesus be revealed in you and receive the divine revelation of who He is the Christ who lives in your heart

**Receiving Divine Revelation** Fuchsia Pickett, ThD., D.D., 2015-11-17 DIV For years I studied the Word I read every book I could lay my hands on and sat under every Bible teacher they would let me sit under But I still didn't know God nor did I really understand His Word div *A Divine Revelation of Hell* Mary K. Baxter, 1993-01-01 Visions of Hell In *A Divine Revelation of Hell* over a period of thirty nights God gave Mary K Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil and to choose life in Christ Here is an account of the place and beings of hell contrasted with the glories of heaven Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights sounds and smells of that dark place of torment including its evil spirits cells pits jaws and heart Be an eyewitness to the various punishments of lost souls and hear their shocking stories This book is a reminder that each of us needs to accept the miracle of salvation before it is too late and to intercede for those who do not yet know Christ Time is running out

**Obstacles to Divine Revelation** Rolfe King, 2011-11-03 A fascinating philosophical approach to the concept of divine revelation exploring the implications this theory may have for generating a new concept of religious truth *Divine Revelation* Susan G. Shumsky, 1996-08-05 INCREASE YOUR SPIRITUAL STRENGTH AWAKEN YOUR HIDDEN POTENTIAL AND FULFILL YOUR DESTINY

Theodore Austin-Sparks, 2011-09-18 The ministry contained in this little book has been wrought on the anvil of deep and

drastic dealings of God with the vessel It is not only doctrinal it is experiential Only those who really mean business with God will take the pains demanded to read it For such two words of advice may be helpful Firstly try to remember all through that the spoken form is retained The messages were given in conference and the reader must try to get into the spirit and mind of listening and not only reading In speaking the messenger can see by the faces before him where repetition or reemphasis or fuller elucidation is called for This explains much that would not be the character of a precisely literary production It has its difficulties for readers but it also has its values Of all the books that have issued from this ministry I regard this one as that which goes most deeply to the roots and foundations of our life in Christ with God T A S     Engaging the Doctrine of Revelation Matthew Levering, 2014-11-11 How do human beings today receive divine revelation Where and in what ways is it mediated so that all generations can hear the fullness of the gospel In this volume distinguished theologian Matthew Levering shows that divine revelation has been truthfully mediated through the church the gospel and Scripture so that we can receive it in its fullness today Levering engages past and present approaches to revelation across a variety of traditions offering a comprehensive historical study of all the key figures and perspectives His thorough analysis results in an alternative approach to prevailing views of the doctrine and points to its significance for the entire church     **A Divine Revelation of Healing** Mary K. Baxter, George Bloomer, 2009-09-03 Read the many dramatic real life testimonies of people who received miraculous healing from deadly diseases illnesses and destructive lifestyles and habits Discover how they were healed and how you too can Remove hindrances to healing Overcome fear and hopelessness Learn the causes of sickness Defeat the power of evil Receive physical and emotional healing Walk in divine health Minister healing to others God desires to heal His people You can be among those who receive healing today     Beyond the Bible I. Howard Marshall, 2004-07 A seasoned interpreter presents a principled approach showing how the Bible though written long ago can speak authoritatively on contemporary ethical doctrinal and practical issues     *Carriers of the Glory* David Diga Hernandez, 2016 Discover your identity as a carrier of God's presence glory and power Do you sometimes wonder how God can consider you a friend in light of your failures and defeats Does your own insufficiency cause you to wonder whether the Holy Spirit truly dwells within you Do you wonder why your own faith experience is so different from that of the heroes in the Bible Scripture makes it clear that communion with the Holy Spirit is the key to living the kind of empowered and authentic Christian life we see modeled in Scripture The Holy Spirit works within us to form hearts that truly worship minds that understand of the depths of God's Word and hands that accomplish the miraculous This book will acquaint you with the mysterious third Person of the Trinity helping you to draw closer to Him so that you may become a carrier of God's Spirit a chosen friend of God This book provides answers to some popular questions about the Holy Spirit What is the Holy Spirit's purpose and nature What is the blasphemy of the Holy Spirit and why is it an unpardonable sin What does the Bible really teach about spiritual gifts What does it mean to be friends with God If you desire to know God in a deeper and more intimate way if you want your soul to be

set ablaze with a passionate love for Him if you want to walk in the fullness of all that He has created you for then this book is for you Draw close to His glory      PT600 Receiving Divine Revelation Fuchsia T Pickett,2020-01-03 This course enables students to invite the Holy Spirit to teach and guide them through Scripture Topics include the basis of true revelation the process of revelation hearing God s voice hindrances and helps to receiving revelation      *Systematic Theology* Paul Tillich,2011-07-07 In this volume the third and last of his Systematic Theology Paul Tillich sets forth his ideas of the meaning of human life the doctrine of the Spirit and the church the trinitarian symbols the relation of history to the Kingdom of God and the eschatological symbols He handles this subject matter with powerful conceptual ability and intellectual grace The problem of life is ambiguity Every process of life has its contrast within itself thus driving man to the quest for unambiguous life or life under the impact of the Spritual Presence The Spritual Presence conquers the negativities of religion culture and morality and the symbols anticipating Eternal Life present the answer to the problem of life      *Revelation of St. John the Divine* Pope John XXIII, St. John,1995-09 This prophetic book depicts the ultimate victory of Christ      Haqiqatul-Wahi Hazrat Mirza Ghulam Ahmad,2018-06-01 In this book the Promised Messiah on whom be peace discusses the philosophy of divine revelation the three categories of people who claim to receive revelation and the distinction of the truthful from the false He then establishes his truthfulness by documenting over 200 Signs including the fulfillment of prophecies made by the Holy Prophet Muhammad may peace and blessings of Allah be upon him other men of God earlier scriptures and his own revelations spanning over twenty five years The author cites numerous examples of his enemies who publicly predicted his downfall and demise only to become the very victims of their own prophecies God however protected him against every assault while continuously reassuring him of His promise to bless his Community a promise which continues to bear the seal and testimony of history The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God and that he is the Promised Messiah raised to unite humanity under the banner of Islam      *Socrates and Divine Revelation* Lewis Fallis,2018 The philosopher Socrates was guided in his investigations by nothing other than his own reason But did Socrates address adequately the possibility of guidance from a different and higher source the possibility of divine revelation In this book Lewis Fallis examines Socrates study of divine revelation Giving interpretations of two of Plato s dialogues the Euthyphro and the Ion which each depict Socrates conversing with a believer in revelation Fallis argues that in each dialogue Socrates explores the connection between knowledge of justice or nobility on the one hand and divine wisdom on the other By doing so Socrates searches for common ground between reason and revelation Shedding new light on Socratic dialectics Fallis uncovers the justification for understanding political philosophy to be the necessary starting point for an adequate inquiry into divine revelation Lewis Fallis is an independent scholar of political theory      *A Divine Revelation of the Powerful Blood of Jesus* Mary K. **Divine Revelation** Paul Avis,2004-04-23 Divine revelation is one of the most fundamental of all theological questions Indeed some might say if we could be clear about whether there is a revelation from God where it is located what form it takes and who has the authority to interpret it we could solve all other theological problems Although the question of revelation is crucial it has not received the attention commensurate with its strategic significance in theology The seminal approaches of Barth Rahner and Pannenberg for example are conducted at such an abstract and sophisticated level as to be inaccessible to beginners and although the work of several individual modern theologians is worthwhile there is a significant lack of comprehensive resources on the topic Several years in preparation this volume aims to redress that deficiency The contributors originating from England Scotland Ireland the United States and Canada represent a spectrum of religious traditions and views The aim is to provide biblical historical contemporary and reflective resources on the ways in which divine revelation has been understood in the history of Christian theology and is now understood in theological discussion Ideal for students of theology in universities colleges and seminaries for those attending training courses for the priesthood and for lay Christians of all denominations Divine Revelation enables readers to think constructively about this vital topic in a way that is conducive to a critical informed and living faith
