giving and receiving love and that will create the relationship of your dreams **Making Marriage Simple** Harville Hendrix, Helen Hunt, 2013 America's leading marriage experts distill the secrets to a happy marriage into 10 simple truths. They distill what they've learned from decades of research, their counseling with married couples, and their own 30-year relationship into 10 essential and provocative truths about marriage.

The Two Truths about Love Jason B. Fischer, 2013-01-02 Some relationships last, others fall apart, and still others seem to thrive and grow as the years go on. *The Two Truths About Love* is a guide to creating this third type of relationship: an extraordinary partnership wherein each partner feels fully accepted and loved as they are. Designed over the course of thousands of hours conducting face-to-face counseling sessions with clients, psychotherapist and former Buddhist monk Jason B. Fischer's unique approach has already improved the lives of countless individuals and couples. The two secrets to creating extraordinary relationships are simple: partners must 1. Give permission for the other person to be who they truly are, while also 2. Taking responsibility for their own reactions, behaviors, assumptions, and expectations of their partner and the relationship. This book gives readers the tools to start giving permission and taking responsibility in their own relationships and offers strategies for letting go of dissatisfaction and habitual conflicts. In short, accessible chapters, readers learn how to put these seemingly simple rules into practice to regain balance and peace in their partnerships.

The Space Between Helen Lakelly Hunt, 2017 **Learn to Love** Thomas Jordan, 2019-12-08 *Learn to Love: Guide to Healing Your Disappointing Love Life* is a book about learning to improve your love life. After 30 years of clinical research and treatment of patients with unhealthy love lives, I now recognize that most people are not in control of their love lives. Why? Because most people don't know what they've learned about and from the love relationships in the course of their lives. Love relationships that started in their families of origin, the moment they were born. If you don't know what you've learned about love relationships, then what you've learned is in control of your love life: healthy or unhealthy. If what you've learned was healthy, no problem. Chances are you'll simply replicate what you've learned about love relationships. If what you've learned was unhealthy, you could be unwittingly making the same love life mistakes over and over again because of what you've learned. *Learn to Love* will show you how to identify what you've learned about love relationships, how to unlearn what is unhealthy, and practice something new: healthy and the opposite of what you've learned now, as a corrective in your adult love life. This simple learning formula has helped many of my patients begin taking control of their own love lives, as well as helping me improve my own love life. *Learn to Love* will help you learn how to take control of your love life. Dr. Thomas Jordan.
