Reception And Renewal In Modern Spanish Theatre 1939-1963 Mhra Texts Dissertations:

Reception and Renewal in Modern Spanish Theatre, 1939-1963 John London, 1997 The book constitutes the first attempt to provide an overview of the reception of foreign drama in Spain during the Franco dictatorship John London analyses performance stage design translation censorship and critical reviews in relation to the works of many authors including Noel Coward Arthur Miller Eugene Ionesco and Samuel Beckett He compares the original reception of these dramatists with the treatment they were given in Spain However his study is also a reassessment of the Spanish drama of the period Dr London argues that only by tracing the reception of non Spanish drama can we understand the praise lavished on playwrights such as Antonio Buero Vallejo and Alfonso Sastre alongside the simultaneous rejection of Spanish avant garde styles A concluding reinterpretation of the early plays of Fernando Arrabal indicates the richness of an alternative route largely ignored in histories of Spanish theatre

The Theatre of Antonio Buero Vallejo Catherine O'Leary, 2005 This monograph examines the complex relationship between Antonio Buero Vallejo 1916-2000 and the ideologies of Francoist and post Franco Spain This monograph examines the complex relationship between Antonio Buero Vallejo 1916-2000 and the ideologies of Francoist and post Franco Spain The central focus of the study is Buero's political theatre and his employment of myth and history to challenge the notion of an *España eterna* It also considers Buero's creation of his own myths and his revision of history in order to rationalize and justify his own stance In his determination to write and stage committed drama in a repressive society Buero's choice with its inherent contradictions and ambiguities was *posibilismo* This book looks at this pragmatic employment of language and silence both in his art and in his dealings with the censors and with other representatives of the hegemony and analyses how *posibilismo* both aided and limited him The monograph also considers Buero's neglected post Franco theatre examining the reasons for its initial negative reception and its renewed importance in today's Spain In these days of digging up the past Buero's post Franco insistence on rejecting the *pacto de olvido* is perhaps more relevant than ever before CATHERINE O'LEARY lectures in Spanish at the National University of Ireland Maynooth
