## **Recherches Sur La Chancellerie Et La Diplomatie De Lagides:**

Recherches sur la chancellerie et la diplomatie des Lagides Paul Collomp, 1926      **The Journal of Hellenic Studies**, 1926      Papyrological Martin David, Bernhard Abraham Groningen,      *The Periodical*, 1925      **The Journal of Roman Studies**, 1927 Includes Proceedings of the society report of the council lists of members etc      *The epistrategos in Ptolemaic and Roman Egypt* J. David Thomas, 2013-11-11 It is over sixty years since the office of epistrategos in Roman Egypt was subjected to a detailed examination and in the intervening years a great deal of new papyrological and epigraphic material has come to light It was my original intention to write a study of the office in this period with by way of introduction a brief sketch of the epistrategos in Ptolemaic Egypt It soon became apparent however that a much more fundamental study of the Ptolemaic epistrategos was desirable which would attempt to answer or at least to clarify the various problems connected with the office in this period In this book I have tried to present a comprehensive up to date picture of our knowledge of the Ptolemaic epistrategos I am far from claiming to have successfully answered all the questions raised in particular the fundamental problem of the nature of the office remains an enigma but I hope that I have at any rate provided a basis on which others can build As the Ptolemaic and Roman epistrategoi did not have a great deal in common apart from their titles an examination of the office falls naturally into two parts It therefore seemed not inappropriate to publish separately the first half of this work dealing with the Ptolemaic epistrategos without waiting for the completion of the second part which will deal with the Roman epistrategos It is hoped that this second part will follow without undue delay      **The Cambridge Ancient History: The Hellenistic monarchies and the rise of Rome**, 1928      *Recherches sur la chancellerie et la diplomatie des Lagides* Paul Collomp, 1923      *Macedonian Imperialism* Pierre Jouguet, 2013-07-04 Originally published between 1920-70 The History of Civilization was a landmark in early twentieth century publishing It was published at a formative time within the social sciences and during a period of decisive historical discovery The aim of the general editor C K Ogden was to summarize the most up to date findings and theories of historians anthropologists archaeologists and sociologists This reprinted material is available as a set or in the following groupings Prehistory and Historical Ethnography Set of 12 0 415 15611 4 Greek Civilization Set of 7 0 415 15612 2 Roman Civilization Set of 6 0 415 15613 0 Eastern Civilizations Set of 10 0 415 15614 9 Judaeo Christian Civilization Set of 4 0 415 15615 7 European Civilization Set of 11 0 415 15616 5      **The United States Catalog**, 1928      **Hellenistic Egypt** Jean Bingen, 2007 The most comprehensive account of the economy society and culture of Hellenistic Egypt available in English J G Manning author of *Land and Power in Ptolemaic Egypt The Structure of Land Tenure*      *Annual of the Swedish Theological Institute, Volume 8 (1970-71)* Kosmala, 1972-12      The Year's Work in Classical Studies Classical Association (Great Britain), 1927      **The Cambridge Ancient History**, 1928      **The United States Catalog** Ida M. Lynn, 1928      Elias Bickerman as a Historian of the Jews Albert I. Baumgarten, 2010 Albert Baumgarten presents the biography of one of the most distinguished historians of

the Jews in antiquity that demonstrates the important connections between his scholarship life and times The events of the twentieth century provide the context for the analysis of Bickerman s scholarly production Back cover     **Petitions, Litigation, and Social Control in Roman Egypt** Benjamin Kelly, 2011-10-13 This book examines the contribution that petitioning and litigation made to the maintenance of the social order in Roman Egypt between 30 BC and AD 284 Through the analysis of the many hundreds of documents surviving on papyrus especially petitions reports of court proceedings and letters Kelly focuses on how the legal system achieved its formal goals that is the resolution of disputes through judgments and discusses in detail the contribution made by the litigation process to informal methods of social control With particular emphasis on the roles that this process played in the transmission of political ideologies in the maintenance of family solidarity and in the fostering of private mechanisms of dispute resolution the book argues that although the legal system was less than successful when judged by its formal aims it did have a real social impact by contributing indirectly to some of the informal mechanisms that ensured order in this province of the Roman Empire However arguing that on occasion one can also see petitioning and litigation being abused for the pursuit of feud and vengeance Kelly also recognizes that the social impacts of petitioning and litigation were multifaceted and in some senses even contradictory     The Cumulative Book Index ,1928 A world list of books in the English language     **L'Année philologique** ,1929     Bibliographie alsacienne ,1928
