Making A Good Church Great Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in

today's mega church mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of best selling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God's eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God's presence It not a slick program rather it is a family a hospital an army and a school When God is a present His people are empowered When God empowers His people a good church becomes great The Theology of Dallas Willard Gary Black, 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith **The Vanishing Ministry in the 21st Century** Woodrow Kroll, Woodrow Michael Kroll, 2002 Revised and updated A penetrating look at the state of vocational Christian ministry today and the difference we're making or not around the world
