mother long gone his father recently deceased and the family farm foreclosed upon by the bank Emmett's intention is to pick up his eight year old brother Billy and head to California where they can start their lives anew But when the warden drives away Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car Together they have hatched an altogether different plan for Emmett's future one that will take them all on a fateful journey in the opposite direction to the City of New York Spanning just ten days and told from multiple points of view Towles's third novel will satisfy fans of his multi layered literary styling while providing them an array of new and richly imagined settings characters and themes Once again I was wowed by Towles's writing especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting plot and themes Towles is not a one trick pony Like all the best storytellers he has range He takes inspiration from famous hero's journeys including *The Iliad* *The Odyssey* *Hamlet* *Huckleberry Finn* and *Of Mice and Men* He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway But he suggests when something or someone tries to steer us off course it is possible to take the wheel Bill Gates
