Manning Clark was a complex demanding and brilliant man Mark McKenna s compelling biography of this giant of Australia s cultural landscape is informed by his reading of Clark s extensive private letters journals and diaries many that have never been read before An Eye for Eternity paints a sweeping portrait of the man who gave Australians the signature account of their own history It tells of his friendships with Patrick White and Sidney Nolan It details an urgent and dynamic marriage ripped apart at times by Clark s constant need for extramarital romantic love A son who wrote letters to his dead parents A historian who placed narrative ahead of facts A doubter who flirted with Catholicism A controversial public figure who marked slights and criticisms with deeply held grudges To understand Clark s life is to understand twentieth century Australia And it raises fundamental questions about the craft of biography When are letters too personal comments too hurtful and insights too private to publish Clark incessantly documented his life leaving notes to the biographers he knew would pursue his story He had a deep need to be remembered and this book means he will now be understood in an unforgettable way [Pictorial History Eastern Suburbs](#) Alan Sharpe,Joan Lawrence,1999 **Official Year Book of the**
