

Darden

A long-exposure photograph of a building at night. The building is a large, classical-style structure with a prominent portico supported by columns. It is illuminated by warm lights, and its reflection is visible in a body of water in the foreground. In the foreground, there are several bright, diagonal light trails from cars, suggesting a busy street or highway. The sky is dark, and the overall scene is a blend of architectural grandeur and modern urban life.
