## **Pictorial Key To The Tarot:**

*The Pictorial Key to the Tarot Illustrated* Arthur Edward Waite, 2020-06-24 The Pictorial Key to the Tarot is A E Waite's guide to divinatory tarot published in conjunction with the Rider Waite Smith deck. Waite was very concerned with the accuracy of the symbols he used for his deck and he did much research into the traditions, interpretations and history behind the cards. Two different versions of the book were published. The first published in 1909 was called *The Key to the Tarot*. The second published in 1910 added illustrations of the tarot cards by Pamela Colman Smith and was called *The Pictorial Key to the Tarot*.

**The Pictorial Key to the Tarot** Arthur Edward Waite, 2023-02-01 It seems rather of necessity than predilection in the sense of apologia that I should put on record in the first place a plain statement of my personal position as one who for many years of literary life has been subject to his spiritual and other limitations, an exponent of the higher mystic schools. It will be thought that I am acting strangely in concerning myself at this day with what appears at first sight and simply a well known method of fortune telling. Now the opinions of Mr Smith even in the literary reviews are of no importance unless they happen to agree with our own but in order to sanctify this doctrine we must take care that our opinions and the subjects out of which they arise are concerned only with the highest. Yet it is just this which may seem doubtful in the present instance not only to Mr Smith whom I respect within the proper measures of detachment but to some of more real consequence seeing that their dedications are mine. To these and to any I would say that after the most illuminated Frater Christian Rosy Cross had beheld the Chemical Marriage in the Secret Palace of Transmutation his story breaks off abruptly with an intimation that he expected next morning to be door keeper. After the same manner it happens more often than might seem likely that those who have seen the King of Heaven through the most clearest veils of the sacraments are those who assume thereafter the humblest offices of all about the House of God. By such simple devices also are the Adepts and Great Masters in the secret orders distinguished from the cohort of Neophytes as *servi servorum mysteriorum*.
