*The Picture Life of Mikhail Gorbachev* Janet Hillier Caulkins, 1985-01-01 An illustrated biography of the leader of the Soviet Union including a chronology of important dates in his life and a glossary of political words [Gorbachev: His Life and Times](#) William Taubman, 2017-09-05 Finalist for the National Book Critics Circle Award in Biography Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction The definitive biography of the transformational Russian leader by the Pulitzer Prize winning author of *Khrushchev* Essential reading for the twenty first century Radhika Jones The New York Times Book Review When Mikhail Gorbachev became the leader of the Soviet Union in 1985 the USSR was one of the world's two superpowers By 1989 his liberal policies of perestroika and glasnost had permanently transformed Soviet Communism and had made enemies of radicals on the right and left By 1990 he more than anyone else had ended the Cold War and in 1991 after barely escaping from a coup attempt he unintentionally presided over the collapse of the Soviet Union he had tried to save In the first comprehensive biography of the final Soviet leader William Taubman shows how a peasant boy became the Soviet system's gravedigger how he clambered to the top of a system designed to keep people like him down how he found common ground with America's arch conservative president Ronald Reagan and how he permitted the USSR and its East European empire to break apart without using force to preserve them Throughout Taubman portrays the many sides of Gorbachev's unique character that by Gorbachev's own admission make him difficult to understand Was he in fact a truly great leader or was he brought low in the end by his own shortcomings as well as by the unyielding forces he faced Drawing on interviews with Gorbachev himself transcripts and documents from the Russian archives and interviews with Kremlin aides and adversaries as well as foreign leaders Taubman's intensely personal portrait extends to Gorbachev's remarkable marriage to a woman he deeply loved and to the family that they raised together Nuanced and poignant yet unsparing and honest this sweeping account has all the amplitude of a great Russian novel **The Man who Changed the World** Gail Sheehy, 1990 The human story of an inner struggle a struggle that is the culmination of the series of lives Gorbachev has led throughout his career Presents the first full scale portrait of this unique figure **The New Russia** Mikhail Gorbachev, 2016-06-08 After years of rapprochement the relationship between Russia and the West is more strained now than it has been in the past 25 years Putin's motives his reasons for seeking confrontation with the West remain for many a mystery Not for Mikhail Gorbachev In this new work Russia's elder statesman draws on his wealth of knowledge and experience to reveal the development of Putin's regime and the intentions behind it He argues that Putin has significantly diminished the achievements of perestroika and is part of an over centralized system that presents a precarious future for Russia Faced with this Gorbachev advocates a radical reform of politics and a new fostering of pluralism and social democracy Gorbachev's insightful analysis moves beyond internal politics to address wider problems in the region including the Ukraine conflict as well as the global challenges of poverty and climate change Above all else he insists that solutions are

to be found by returning to the atmosphere of dialogue and cooperation which was so instrumental in ending the Cold War This book represents the summation of Gorbachev s thinking on the course that Russia has taken since 1991 and stands as a testament to one of the greatest and most influential statesmen of the twentieth century     *The End of the Cold War: 1985-1991* Robert Service,2015-11-10 On 26 December 1991 the hammer and sickle flag was lowered over the Kremlin for the last time Yet just six years earlier when Mikhail Gorbachev became general secretary of the Communist Party of the Soviet Union and chose Eduard Shevardnadze as his foreign minister the Cold War seemed like a permanent fixture in world politics Until its denouement no Western or Soviet politician foresaw that the standoff between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end within the lifetime of the current generation Nor was it at all obvious that the Soviet political leadership would undertake a huge internal reform of the USSR or that the threat of a nuclear Armageddon could or would be peacefully wound down Drawing on pioneering archival research Robert Service s gripping investigation of the final years of the Cold War pinpoints the extraordinary relationships between Ronald Reagan Gorbachev George Shultz and Shevardnadze who found ways to cooperate during times of exceptional change around the world A story of American pressure and Soviet long term decline and overstretch *The End of the Cold War 1985 1991* shows how a small but skillful group of statesmen grew determined to end the Cold War on their watch and transformed the global political landscape irreversibly     *Book Review Digest* ,1997     [Hard Call](#) John McCain,Mark Salter,2007-08-14 America s most inspiring politician pays tribute to men and woman who have exhibited composure wisdom and intellect in the face of tough decisions John McCain draws from experiences of both extraordinary people and people in extraordinary circumstances culling lessons about the process and nature of judicious and effective decision making Acclaimed authors John McCain and Mark Salter describe the anatomy of great decisions in history by telling the remarkable stories of men and women who have exemplified composure wisdom and intellect in the face of life s toughest decisions They identify six qualities typically represented in the best decisions Awareness Timing Foresight Confidence Humility Inspiration These qualities are personified by the exceptional individuals in this book each of whom made a hard call including Henry Ford s decision to sacrifice his company s competitive edge by reducing the work day and guaranteeing a minimum wage Branch Rickey s decision to offer Jackie Robinson a contract to play for the Brooklyn Dodgers in the face of public opposition Ellen Johnson Sirleaf s decision to return to wartorn Liberia after receiving an economics degree from Harvard General Fred Weyand s decision to redeploy fifteen of his battalions despite resistance from senior American military commanders in Vietnam Woven into these stories are John McCain s own views on the process and art of decision making and examples of the hard calls we face in our lives When I assess a decision McCain writes I want to know all I can about the character of the decision maker before I examine the properties of the decision its outcome or how it was arrived at *Hard Call* is a testament to the people whose choices serve as a beacon for us all     [The Elementary School](#)

Library Collection Lauren K. Lee,1992      *The Atlantic and Its Enemies* Norman Stone,2010-10-08 After World War II the former allies were saddled with a devastated world economy and traumatized populace Soviet influence spread insidiously from nation to nation and the Atlantic powers the Americans the British and a small band of allies were caught flat footed by the coups collapsing armies and civil wars that sprung from all sides The Cold War had begun in earnest In *The Atlantic and Its Enemies* prize winning historian Norman Stone assesses the years between World War II and the collapse of the Iron Curtain He vividly demonstrates that for every Atlantic success there seemed to be a dozen Communist or Third World triumphs Then suddenly and against all odds the Atlantic won economically ideologically and militarily with astonishing speed and finality An elegant and path breaking history *The Atlantic and Its Enemies* is a monument to the immense suffering and conflict of the twentieth century and an illuminating exploration of how the Atlantic triumphed over its enemies at last

**Soviet Life** ,1989      *The Elementary School Library Collection* Lois Winkel,Eileen Palmer Burke,1990      **Life: The Year in Pictures 2005** Editors of Life,2005-02-15 *The Year in Pictures 2004*      *The Times of My Life and My Life with the Times* Max Frankel,1999 From Sputnik to the Pentagon Papers from the building of the Berlin Wall to its collapse Pulitzer Prize winner Max Frankel recalls some of the momentous events of the later half of the 20th century which he witnessed as he worked his way to the helm of the world s greatest newspaper Photos Online feature      **Pop Goes the Decade** Thomas Harrison,2017-08-24 This fascinating overview of popular culture in the 1980s describes the decade of excess that resulted from the social political and economic conditions of the time documenting why so many milestones in entertainment arts and technology occurred the 80s Popular culture in the United States in the 1980s as reflected in film television music technology and art serves to illustrate the general feeling of American citizens during this decade that the sky was the limit and the only thing better than big was bigger This title provides readers with an engaging in depth study of the 1980s and supplies the larger historical and social context of popular culture in an era when the extraordinary seemed normal and all the rules were being rewritten The book s wide scope includes the concepts fashions foods sports television movies and music that became popular in the 1980s Readers will see how specific elements of the decade such as visual art and architecture reflect the sense of change in the 1980s often through excessive displays of expression that helped further movements into the avant garde The technological advances entertainment developments and game changers that were essential to establishing the popular culture of the decade are highlighted as is the trend of how personal expression in the 80s began to penetrate a wider segment of American culture spanning across all ages The book also calls attention to the standout events and individuals who influenced society in the 1980s with emphasis on the figures who intentionally used pop culture as an avenue for change as well as the influences from the 1980s that are still felt today      **Photography Books Index III** Martha Kreisel,2006 While the Internet is an important source for locating photographic images there still are hundreds of photography books published each year for whose contents there is no external access This second supplement to

Photography Books Index addresses this need by analyzing important photographic anthologies that have been published since 1985 Accessing more than fifty photographic anthologies that are widely held in libraries across the country along with images from two critical annual compilations Best of Photojournalism and Graphis Annual this book identifies photographs that record the history of our times This reference guide provides an important index to contemporary as well as historical photographers including those for whom full monographs have not been published Photographs of important individuals as well as photographic records of cataclysmic events can be located through this index Extensive descriptions of the individual photographs from the commonplace to the extraordinary are identified in this volume Organized into three sections Photographers Subjects of Photographs and Portraits of Named Individuals these descriptions provide the researcher with important information on each photograph An essential volume for all public special and academic libraries this index will be an invaluable resource for reporters historians academics students and anyone wishing to research photographs and photographers

[The Mark of the Beast - 666](#) Leslie Dutcher,2024-05-16 The Mark of the Beast is well known to be 666 When people hear the number 666 they immediately think of the Antichrist The Bible prophesies that there will be a time when everyone will be required by the Antichrist and his world government to have a number Without this number nobody will be able to buy or sell anything The problem is to get this number you will be required to worship or pledge allegiance to the Antichrist and his world governmental system According to the Bible anyone who willingly receives this number will be eternally damned to the fires of hell This requirement for everyone to have a number could never be set up until the present time This book gives a detailed explanation of what will happen during The Great Tribulation

[Get the Picture](#) John Godfrey Morris,John G. Morris,2002-06-15 How do photojournalists get the pictures that bring us the action from the world s most dangerous places How do picture editors decide which photos to scrap and which to feature on the front page Find out in Get the Picture a personal history of fifty years of photojournalism by one of the top journalists of the twentieth century John G Morris brought us many of the images that defined our era from photos of the London air raids and the D Day landing during World War II to the assassination of Robert Kennedy He tells us the inside stories behind dozens of famous pictures like these which are reproduced in this book and provides intimate and revealing portraits of the men and women who shot them including Robert Capa Henri Cartier Bresson and W Eugene Smith A firm believer in the power of images to educate and persuade Morris nevertheless warns of the tremendous threats posed to photojournalists today by increasingly chaotic wars and the growing commercialism in publishing the siren song of money that leads editors to seek pictures that sell copies rather than those that can change the way we see the world
