Picture Of Delaware:

Forty Acres Kara A. Briggs Green,2008-12 Forty Acres was developed into a neighborhood in the 19th century from a 40 acre parcel of farmland Just as many other neighborhoods have ethnic associations many Irish Wilmingtonians have their roots in Forty Acres Some Forty Acres families stayed for generations and the neighborhood was popular well into the 20th century What makes Forty Acres different is its sense of community and the close knit relationships developed between its residents While it is admired for its historic charm the neighborhood is an urban community made up of a mixed use residential and commercial village within the city of Wilmington Today Forty Acres continues to be a place where the word neighbor holds strength value and friendship *The Delaware and Raritan Canal* Linda J. Barth,2002 For nearly one hundred seventy years the Delaware and Raritan Canal has meandered across the narrow waist of New Jersey through bustling cities suburban towns and rural landscapes One of the most successful towpath canals in the United States the Delaware and Raritan carried more tonnage in 1866 than the famous Erie Canal Transporting mainly anthracite coal the Delaware and Raritan also stimulated industries as diverse as Roebling s wire rope factory in Trenton Johnson Johnson pharmaceuticals in New Brunswick and Fleischmann s Distillery in East Millstone Today as the centerpiece of the Delaware and Raritan Canal State Park the canal provides the people of central New Jersey with both a water supply and a premier recreational facility The Delaware and Raritan Canal introduces you to this manmade waterway through some two hundred historical photographs and postcards In these pages discover the locks aqueducts and machinery that enabled the waterway to transport military men and supplies between New York and Philadelphia during three wars See how inventor John Holland used the canal to deliver his Holland VI submarine to Washington for its naval trials and how luxury yachts including J P Morgan s Tarantula cruised the waterway The Delaware and Raritan Canal documents a historical and recreational gem in the heart of New Jersey **LEGENDS OF THE DELAWARE INDIANS AND PICTURE WRITING** RICHARD CALMIT. ADAMS,2018 *Historic Photos of Delaware* Ellen Rendle,2008 Delaware the First State has always been a vibrant reflection of early American history Historic Photos of Delaware captures more than a century of the evolution of this great state using an impressive collection of beautiful rare photographs From the celebratory dedications of the Chesapeake Bay and Delaware Memorial bridges to the allure of the Delaware beach communities and the rolling hills of Sussex and Kent counties Historic Photos of Delaware captures the unique geography landmarks and historical events that have shaped the state This gorgeous book contains nearly 200 black and white photographs drawn from the state s most prominent archives Historic Photos of Delaware provides a compelling look into the past and will appeal to longtime residents and history buffs alike **When Washington Crossed the Delaware** Lynne Cheney,2012-01-03 This is the story that I tell my grandchildren at Christmas I hope that this book will bring the tradition of sharing history to families all across America Lynne Cheney Christmas night 1776 was a troubled time for our young country In the six months since the Declaration of Independence had

been signed General George Washington and his troops had suffered defeat after defeat at the hands of the British It looked as though our struggle for independence might be doomed when Washington made a bold decision He would lead the main body of his army across the Delaware River and launch a surprise attack on enemy forces Washington and his men were going against the odds It seemed impossible that the ragtag Americans could succeed against the mightiest power in the world But the men who started across the icy Delaware loved their country and their leader Under his command they would turn the tide of battle and change the course of history Best selling author Lynne Cheney tells the dramatic story of the military campaign that began on Christmas night in 1776 When Washington Crossed the Delaware will teach the young about the heroism persistence and patriotism of those who came before them **Behind God's Back** Terry Miller,2021-08-26 In gripping vivid prose crafted over 15 years of healing from trauma Behind God s Back Finding Hope in Hardship is an unforgettable story of both suffering and redemption dramatizing the protagonist s experiences of poverty food insecurity abuse addiction recovery and eventually a commitment to sustained community service While exploring childhood and early adult hardships endured in the Arlington Heights projects of Pittsburgh Miller moves forward to model a path of sober living and transformational leadership that includes the creation of a regional recovery center for women suffering from substance abuse a former convent turned sanctuary that prioritizes trauma informed care and women s health Miller s award winning memoir is relayed with realism and humor featuring a diverse cast of wise and imperfect mentors who make her transformation possible In an artistically distinct compelling and direct voice she invites readers to identify their sameness within the work their own capacity for resilience healing and sober recovery Her book also demonstrates a path of recovery that hinges on outward contributions to family friends community and society rather than solely documenting personal trauma This dramatized progression from individual recovery to a commitment to social welfare community outreach and servant leadership distinguishes the book among traditional memoirs exploring trauma promoting participation rather than isolation Behind God s Back illuminates the beauty and healing that can come out of adversity and pain While offering a story about trauma in childhood dysfunctional family circumstances and recovery from addiction the memoir highlights the importance of forming meaningful human relationships to heal personally while cultivating the resources to be of service to others when we are ready and sometimes even when we are still healing Ultimately Behind God s Back shows us all how we can all participate in the creation of a more humane society embark on a deep healing process for ourselves and our loved ones and embrace a leadership role in our own families our own communities and our own society Picture Studies Alice Florer,Orlin H.
