Picture Of Dwight David Eisenhower:

Historic Photos of Dwight D. Eisenhower ,2007-11-01 Dwight David Eisenhower is famous as both a soldier and as a statesman Like George Washington and Ulysses S Grant Eisenhower the soldier commanded large American military forces and helped win a war that threatened his nation and then served his country as president Dwight Eisenhower s life is also the archetypal American story of the poor boy who rises as far as his talents and abilities enable him I like Ike became a campaign slogan long after it was used to express the feelings of many of the people who met him in school worked with or served under him This book Historic Photos of Dwight D Eisenhower chronicles Eisenhower s amazing life in nearly two hundred photographs These images and text help explain why another president said America will always be a better nation because Ike was with us when America needed him Dwight D. Eisenhower Kenneth M. Deitch,JoAnne B. Weisman,1990 An illustrated biography of the four star general who became the thirty fourth president of the United States from his childhood in Kansas through his military career to his two terms in the White House Crusade in Europe Dwight David Eisenhower,1997-07-02 Eisenhower gives the reader true insight into the most difficult part of a commander s life New York Times **Going Home To Glory** David Eisenhower,2011-10-11 David Eisenhower delivers a warm personal recollection of the retirement years of his grandfather Dwight D Eisenhower in Gettysburg Pennsylvania where they lived **The Papers of Dwight David Eisenhower** Dwight David Eisenhower,1996-07-28 The newest volumes in this distinguished series cover Eisenhower s first term as President of the United States from January 1953 to January 1956 Meticulously edited and carefully annotated these memorandums diary entries and personal and official letters shed new light on some of the most important topics in recent American history The newest volumes in this distinguished series cover Eisenhower s first term as President of the United States from January 1953 to January 1956 Meticulously edited and carefully annotated these memorandums diary entries and personal and official letters shed new light on some of the most important topics in recent American history Eisenhower won the presidency decisively after offering the American people an alternative to the New Deal and Fair Deal policies that had dominated public life for twenty years He ended the unpopular Korean War and dealt effectively with crises in Guatemala and Iran Problems in Egypt Southeast Asia and the Formosa Straits however proved intractable Meanwhile Eisenhower wrestled with the demands of GOP leadership His political coalition built at the center felt constant pressure from the Republican right particularly from Ohio senator John Bricker who opposed international commitments that might circumscribe U S sovereignty and Wisconsin senator Joseph McCarthy who claimed to find Communist conspiracies in the highest reaches of government In 1955 despite his having suffered a heart attack the president reluctantly decided to seek another term hoping thereby to secure his domestic successes and carry forward his work toward a stable peaceful world order Although diplomatic troubles in the Middle East and an anti communist outbreak in Hungary kept him from much personal campaigning in the summer and fall of 1956 he won an impressive mandate in

November and began preparing for a second term The Presidency The Middle Way makes a new contribution to our understanding of the Eisenhower administration and Ike's role in creating the modern presidency Taken together the documents portray Eisenhower as a forceful leader who faced truly vexing domestic and cold war problems and handled them with great skill and a fundamental sense of decency Eisenhower Carlo D'Este, 2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book The Washington Post Book World Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America's most important military leaders Then on the wings of victory the career soldier ascended to the nation's highest political office Casting new light on this profound evolution Carlo D'Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D'Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike's famous grin and air of calm self-assurance **A Picture Book of Dwight David Eisenhower** David A. Adler, 2002 Details the life of the World War II general and thirty-fourth president of the United States Dwight Eisenhower In Review: Pictures I've Kept Dwight David Eisenhower, 1969 Eisenhower recounts his boyhood his distinguished military career and his years in the White House The Supreme Commander Stephen E. Ambrose, 2012-01-17 In this classic portrait of Dwight D Eisenhower the soldier bestselling historian Stephen E Ambrose examines the Allied commander's leadership during World War II Ambrose brings Eisenhower's experience of the Second World War to life showing in vivid detail how the general's skill as a diplomat and a military strategist contributed to Allied successes in North Africa and in Europe and established him as one of the greatest military leaders in the world Ambrose then the Associate Editor of the General's official papers analyzes Eisenhower's difficult military decisions and his often complicated relationships with powerful personalities like Churchill de Gaulle Roosevelt and Patton This is the definitive account of Eisenhower's evolution as a military leader from its dramatic beginnings through his time at the top post of Allied command Dwight D. finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will *Eisenhower* Paul Johnson,2015-08-18 Acclaimed historian Paul Johnson's lively succinct profile of Dwight D Eisenhower explores his life and enduring legacy In the rousing style he's famous for Paul Johnson offers a fascinating biography of Dwight D Eisenhower with particular focus on his years as a five star general and his two terms as president of the United States Johnson chronicles Ike's modest childhood in Kansas his West Point education and his swift rise through the military ranks culminating in his appointment as Supreme Commander of the Allied forces during World War II Johnson then paints a rich portrait of Eisenhower's presidency many elements of which speak to American politics today his ability to balance the budget his mastery in managing an oppositional Congress and his prescient warnings about the military industrial complex This brief yet satisfying portrait will appeal to biography lovers as well as enthusiasts of presidential and military history alike **Eisenhower, at War 1943-1945** David Eisenhower,1991-08-07 Focuses on Eisenhower's conduct of the war and provides an extensively documented analysis of the political ramifications of the course of the war and Eisenhower's decisions **The Liberal Consensus Reconsidered** Robert Mason,Iwan Morgan,2019-10-14 When first published in 1976 Godfrey Hodgson's *America in Our Time* won immediate recognition as a major interpretive study of the postwar era In *The Liberal Consensus Reconsidered* leading scholars including Hodgson himself confront his long standing theory that a liberal consensus shaped the United States after World War II These essays offer new insights into the era and
