Picture To Remember Her By Lake Tahoe:

Haunted Lake Tahoe Janice Oberding, 2015 Lake Tahoe's natural splendor conceals its haunted history. Locals say the ghosts of the Donner Party haunt their doomed campsite in the Sierras. Wealthy recluse George Whittell is said to have never left his beloved Thunderbird Lodge though he died in 1969. The ghosts of Frank Sinatra, Marilyn Monroe, and members of the Rat Pack are thought to gallivant in the showroom and cabins of the Cal Neva Lodge, a popular celebrity retreat. Prisoners from the past may remain in the old Truckee Jail, and the restless spirit of a murdered showgirl might linger in the Tahoe Biltmore. Travel back to Tahoe's golden age and explore where glamour meets ghoul with the queen of haunted Nevada.

Janice Oberding A Photographer's Journey By Boswell Boswell, 2023-03-09 Who is Boswell? Boswell is the pseudonym for an award-winning freelance photographer with engaging and sometimes controversial stories to tell. You've likely seen his photos in national and international magazines, books, and travel brochures. This ebook will describe how an inspiration during his early years in a tiny rural Midwestern town led to a life spent traveling in 130 countries on all seven continents and how a successful business was built by producing a prolific number of marketable photos as a professional stock and assignment photographer. Filled with entertaining anecdotes and accompanied by 99 photos, Boswell's journey takes readers inside some of the most colorful aspects of editorial and corporate photography. Landing and executing magazine assignments, gaining special access, required entrance to exclusive corridors of privilege, seeking serendipity in the world's streets, and cruising the world's seas and oceans, as well as uncovering some dark sides of the industry. Just a few stories include: Waiting for Mandela, chasing Doctor Death, repatriating skyjackers from Cuba, attending Zimbabwe's first session of parliament, surviving the Drake Passage, standing on stage with the Lord of the Dance, roving the pits with famous race drivers, hanging with a Piston Bad Boy, chumming with Sparky in the Tigers' locker room, and being interviewed by oral historian Studs Turkel while taking his portrait. One of the first Americans to visit Mao's China during the Cultural Revolution, Boswell returned over fifty times to produce books on China, including a very large one stolen by the French. Several chapters of his unlikely story are devoted to travels in China, how specializing in that country proved a key to his photographic success, and why he fell in love in a rice paddy.

Bad Tourist Suzanne Roberts, 2020-10-2021 Independent Publisher Book Awards Gold Medal Winner 2021 National Indie Excellent Awards Finalist 2020 Bronze Award for Travel Book or Guide from the North American Travel Journalists Association 2020 Bronze Winner for Travel in the Foreword INDIES. Both a memoir in travel essays and an anti-guidebook, *Bad Tourist* takes us across four continents to fifteen countries, showing us what not to do when traveling. A woman learning to claim her own desires and adventures, Suzanne Roberts encounters lightning and landslides, sharks and piranha-infested waters, a nightclub drugging, burning bodies, and brief affairs as she searches for the love of her life and finally herself. Throughout her travels, Roberts tries hard not to be a bad tourist, but owing to her cultural blind spots, things don't always go as planned. Fearlessly confessional, shamelessly funny, and wholly unapologetic, Roberts

offers a refreshingly honest account of the joys and absurdities of confronting new landscapes and cultures as well as new versions of herself Raw bawdy and self effacing *Bad Tourist* is a journey packed with delights and surprises both of the greater world and of the mysterious workings of the heart
