## **Pictures At An Execution An Inquiry Into The Subject Of Murder:**

*Pictures at an Execution* Wendy Lesser, 1998-07-21 At the center of this book is Lesser's investigation in a groundbreaking legal case in which a federal court judge was asked to decide whether a gas chamber execution would be broadcast on public television This gripping work brings us face to face with our own most disturbing cultural impulses

*Halftones The Unvarnished Truth* Ann Fabian, 2000 A study of the plain unvarnished tales of unschooled beggars criminals prisoners and ex slaves in the 19th century Fabian shows how these works illuminate debates over who had the cultural authority to tell and sell their own stories She gives us the origins of that curious American genre of selling one's tale of woe to make a buck ala Oprah et al

**The Thief, the Cross, and the Wheel** Mitchell B. Merback, 1999-07 Christ's Crucifixion is one of the most recognized images in Western visual culture and it has come to stand as a universal symbol of both suffering and salvation But often overlooked in this symbolic language is the fact that ultimately the Crucifixion is a scene of capital punishment In *The Thief, the Cross, and the Wheel* Mitchell Merback reconstructs the religious legal and historical context of the Crucifixion and of other images of public torture The result is an account of a time when criminal justice and religion were entirely interrelated and punishment was a visual spectacle devoured by a popular audience Jacket

**Mel Gibson's Passion** Zev Garber, 2006 Some essays are from a symposium held Mar 30 2004 at Purdue University

*The Lure of the Arena* Garrett G. Fagan, 2011-02-17 Were the Romans who watched brutal gladiatorial games all that different from us This book argues they were not

*The Last Gasp* Scott Christianson, 2010 Traces the history of the gas chamber beginning with its first

construction in Nevada in 1924 as a humane method of execution and describes the political corporate and military uses for the technology through the twentieth century

**Seeing and Believing** Margaret Ruth Miles,1997-09-04 Enriched by a cultural studies approach a deep understanding of religion and history and a love for the movies Seeing and Believing explores what popular films of the 1980s and 1990s say about religion and the values by which we live Hidden Victims Susan F. Sharp,2005 Annotation In the US murderers particularly those sentenced to death are usually considered as entirely different from the rest of us Sociologist Susan F Sharp challenges perspective by reminding us that those facing a death sentence in addition to being murderers are brothers or sisters mothers or fathers daughters or sons

**The Killing State** Austin Sarat,2001-05-24 Over 7 000 people have been legally executed in the United States this century and over 3 000 men and women now sit on death rows across the country awaiting the same fate Since the Supreme Court temporarily halted capital punishment in 1972 the death penalty has returned with a vengeance Today there appears to be a widespread public consensus in favor of capital punishment and considerable political momentum to ensure that those sentenced to death are actually executed Yet the death penalty remains troubling and controversial for many people The Killing State Capital Punishment in Law Politics and Culture explores what it means when the state kills and what it means for citizens to live in a killing state helping us understand why America clings tenaciously to a punishment that has been abandoned by every other industrialized democracy Edited by a leading figure in socio legal studies this book brings together the work of ten scholars including recognized experts on the death penalty and noted scholars writing about it for the first time Focused more on theory than on advocacy these bracing essays open up new questions for scholars and citizens What is the relationship of the death penalty to the maintenance of political sovereignty In what ways does the death penalty resemble and enable other forms of law s violence How is capital punishment portrayed in popular culture How does capital punishment express the new politics of crime organize positions in the culture war and affect the structure of American values This book is a timely examination of a vitally important topic the impact of state killing on our law our politics and our cultural life

**The Hydra's Tale** R. Rawdon Wilson,2002-05 Imagine a disgusting experience Now think about your response What was it about the moment that made you turn your head that led your lip to curl and nose to wrinkle Disgust has many triggers some obvious others less so What disgusts us is never irrevocably fixed and certain It changes from culture to culture and even at times within a culture This fluidity makes the term disgust at once deadly simple and extremely complex In The Hydra s Tale Robert Rawdon Wilson treats the experience of disgust not from the perspective of the disgusting object in the world but from its representation Disgust marks either a slip over the border of the socially sanctioned or a struggle to keep someone or something from crossing that border Working through the spectrum of human response culture and art Wilson teases out the assumptions that underpin the disgust response

**The Moral Witness** Carolyn J. Dean,2019-04-15 The Moral Witness is the first cultural history of the witness to genocide in the West Carolyn J Dean shows how the witness became a

protagonist of twentieth century moral culture by tracing the emergence of this figure in courtroom battles from the 1920s to the 1960s covering the Armenian genocide the Ukrainian pogroms the Soviet Gulag and the trial of Adolf Eichmann In these trials witness testimonies differentiated the crime of genocide from war crimes and began to form our understanding of modern political and cultural murder By the turn of the twentieth century the witness to genocide became a pervasive icon of suffering humanity and a symbol of western moral conscience Dean sheds new light on the recent global focus on survivors trauma Only by placing the moral witness in a longer historical trajectory she demonstrates can we understand how the stories we tell about survivor testimony have shaped both our past and contemporary moral culture **The Millennial**

**Detective** Malcah Effron,2011-10-10 International in scope and varied in its theoretical approaches this collection of ten new critical essays examines the prevailing trends in recent crime fiction Of particular interest are shifting and increasingly globalized conceptions of crime as well as the genre s response to technological legal and social changes at the end of the 20th century Employing critical tools new to crime fiction studies the essays also gesture toward a future for genre scholarship At Stake Edward Ingebretsen,2001-11-14 At Stake is an analysis of popular culture a critique of a secularized religious discourse as well as a plea for cleaning up the ethics of public speech Edward J Ingebretsen explores the social construction of monstrosity in public discourse examining the uses of transgression and deviancy in tabloids mainstream press television magazines sermons speeches and popular fiction **BOOK JACKET**

**Peculiar Institution** David Garland,2011-02-01 The U S death penalty is a peculiar institution and a uniquely American one Despite its comprehensive abolition elsewhere in the Western world capital punishment continues in dozens of American states a fact that is frequently discussed but rarely understood The same puzzlement surrounds the peculiar form that American capital punishment now takes with its uneven application its seemingly endless delays and the uncertainty of its ever being carried out in individual cases none of which seem conducive to effective crime control or criminal justice In a brilliantly provocative study David Garland explains this tenacity and shows how death penalty practice has come to bear the distinctive hallmarks of America s political institutions and cultural conflicts America s radical federalism and local democracy as well as its legacy of violence and racism account for our divergence from the rest of the West Whereas the elites of other nations were able to impose nationwide abolition from above despite public objections American elites are unable and unwilling to end a punishment that has the support of local majorities and a storied place in popular culture In the course of hundreds of decisions federal courts sought to rationalize and civilize an institution that too often resembled a lynching producing layers of legal process but also delays and reversals Yet the Supreme Court insists that the issue is to be decided by local political actors and public opinion So the death penalty continues to respond to popular will enhancing the power of criminal justice professionals providing drama for the media and bringing pleasure to a public audience who consumes its chilling tales Garland brings a new clarity to our understanding of this peculiar institution and a new challenge to supporters and opponents alike *A House in Gross*

*Disorder* Cynthia B. Herrup, 2001 This work offers an interpretation of the case of the second Earl of Castlehaven who was convicted of abetting the rape of his wife and of committing sodomy with his servants He also stood accused of inverting the natural order of his household

**The Wrong Carlos** James S. Liebman, Shawn Crowley, Andrew Markquart, Lauren Rosenberg, 2014-07-08 In 1989 Texas executed Carlos DeLuna a poor Hispanic man with childlike intelligence for the murder of Wanda Lopez a convenience store clerk His execution passed unnoticed for years until a team of Columbia Law School faculty and students almost accidentally chose to investigate his case and found that DeLuna almost certainly was innocent They discovered that no one had cared enough about either the defendant or the victim to make sure the real perpetrator was found Everything that could go wrong in a criminal case did This book documents DeLuna's conviction which was based on a single nighttime cross ethnic eyewitness identification with no corroborating forensic evidence At his trial DeLuna's defense that another man named Carlos had committed the crime was not taken seriously The lead prosecutor told the jury that the other Carlos Carlos Hernandez was a phantom of DeLuna's imagination In upholding the death penalty on appeal both the state and federal courts concluded the same thing Carlos Hernandez did not exist The evidence the Columbia team uncovered reveals that Hernandez not only existed but was well known to the police and prosecutors He had a long history of violent crimes similar to the one for which DeLuna was executed Families of both Carloses mistook photos of each for the other and Hernandez's violence continued after DeLuna was put to death This book and its website thewrongcarlos.net reproduce law enforcement crime lab lawyer court social service media and witness records as well as court transcripts photographs radio traffic and audio and videotaped interviews documenting one of the most comprehensive investigations into a criminal case in U S history The result is eye opening yet may not be unusual Faulty eyewitness testimony shoddy legal representation and prosecutorial misfeasance continue to put innocent people at risk of execution The principal investigators conclude with novel suggestions for improving accuracy among the police prosecutors forensic scientists and judges
