ReJoycing Rosa Bollettieri Bosinelli,Harold F. MosherJr.,2021-05-11 In this volume the contributors a veritable Who's Who of Joyce specialists provide an excellent introduction to the central issues of contemporary Joyce criticism **A Dictionary of Confusable Phrases** Yuri Dolgoplov,2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms clichés and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency

On the Dot Alexander Humez,Nicholas Humez,2008-10-02 Despite the humble origins of its name Anglo Saxon for the speck at the head of a boil the dot has been one of the most versatile players in the history of written communication to the point that it has become virtually indispensable Now in *On the Dot* Alexander and Nicholas Humez offer a wide ranging entertaining account of this much overlooked and minuscule linguistic sign The Humez brothers shed light on the dot in all its various forms As a mark of punctuation they show it plays many roles as sentence stopper a constituent of the colon a clause stopper and the ellipsis dot dot dot In musical notation it denotes and a half In computerese it has several different functions as in dot com the marker between a file name and its extension and in some slightly more arcane uses in programming languages The dot also plays a number of roles in mathematics including the notation of world currency such as dollars dot cents in Morse code dots and dashes and in the raised dots of Braille And as the authors connect all these dots they take readers on an engaging tour of the highways and byways of language ranging from the history of the question mark and its lesser known offshoots the point d'ironie and the interrobang to acronyms and backronyms power point bullets and asterisks emoticons and the at sign Playful wide ranging and delightfully informative *On the Dot* reveals how thoroughly the dot is embedded in our everyday world of words and ideas acquiring a power inversely proportional to its diminutive size

Verbatim ,1988 **"Right Makes Might"** Wolfgang Mieder,2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function

of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment *Rudeness and Civility* John F. Kasson,1991-09 Examines nineteenth century etiquette books to determine what manners were like during the period and looks at their connection with class ideology and behavior

Speak Louder Than Words" Wolfgang Mieder, 2008 This book presents a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art culture folklore history literature and the mass media The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication Proverbs as so called monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations **BOOK JACKET** Plowshares & Pruning Hooks Brent Sandy, 2014-01-06 What are we to make of Isaiah s image of Mount Zion as the highest of the mountains or Zechariah s picture of the Mount of Olives split in two or Daniel s beast rising out of the sea or Revelation s great red dragon with seven heads and ten horns How can Peter claim that on the day of Pentecost the prophecy of Joel was being fulfilled with signs in heaven and wonders on earth the sun turned to darkness and the moon to blood The language and imagery of biblical prophecy has been the source of puzzlement for many

Christians and a point of dispute for some How ironic that is For the prophets and seers were the wordsmiths of their time They took pains to speak God s word clearly and effectively to their contemporaries How should we as citizens of the twenty first century understand the imagery of this ancient biblical literature Are there any clues in the texts themselves any principles we can apply as we read these important but puzzling biblical texts D Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic how it is used how it is fulfilled within Scripture and how we should read it against the horizon of our future Clearly and engagingly written *Plowshares and Pruning Hooks* is the kind of book that gives its readers a new vantage point from which to view the landscape of prophetic and apocalyptic language and imagery

Tradition and Innovation in Folk Literature Wolfgang Mieder, 2015-08-11 In this book first published in 1987 Wolfgang Mieder follows the intriguing trail of some of the best known pieces of folk literature tracing them from their roots to modern uses in advertising journalism politics cartoons and poetry He reveals both the remarkable adaptability of these tales and how each variation reflects cultural and historical changes Fairy tales legends folk songs riddles nursery rhymes and proverbs are passed from generation to generation changing both in form and meaning with each use This book will be of interest to students of literature *Behold the Proverbs of a People* Wolfgang Mieder, 2014-10-30 The thirteen chapters of this book comprise an intriguing and informative entry into the world of proverb scholarship illustrating that proverbs have always been and continue to be wisdom s international currency The first section of the book focuses on the field of paremiology proverb studies in general the spread of Anglo American proverbs in Europe and the phenomenon of modern proverbs The second section analyzes the use of proverbs in the world of politics including a chapter on President Obama while the third concentrates on the uses of proverbs in literature The final section ends with detailed cultural studies of the origin history dissemination use function and meaning of specific proverbs Noted scholar Wolfgang Mieder shows that proverbs matter in culture literature and politics Proverbs remain part and parcel of oral and written communication and he demonstrates they deserve to be studied from a range of viewpoints While various chapters deal with a variety of issues and approaches they cohere through a rhetorical perspective that looks at the text texture and context of proverbs as speech acts that make a noteworthy impact on culture and society Whether proverbs appear in everyday speech on the radio on television in films on the pages of newspapers or magazines in advertisements in literary works or in political speeches they serve as formulaic verbal devices to add authoritative weight through tradition convention and wisdom **Mottoes** Laurence Urdang, 1986 A compilation of more than 9 000 mottoes from around the world and throughout history with foreign examples identified and transl into English the entries arranged in the text under themat categories suppl by alphabet indexes of all mottoes and of the families institutions individuals c to which they are attributed *Wise Words* Pbdirect Wolfgang Mieder, 2015-02-11 The twenty essays that comprise this book which was first published in 1994 were written by leading paremiologists and folklorists from Africa Canada Great Britain Germany and the US They represent the best scholarship on

proverbs in the English language and together they give an impressive overview of the fascinating advances in the field of paremiology Idioms and Phrases Index Laurence Urdang,1983 **Let's Talk Turkey** Rosemarie Ostler,2009-09-25
Respected linguist Ostler demystifies more than 150 colorful homegrown figures of speech She traces each saying from its first known appearance in print to its place in modern English uncovering a host of cultural and historical tidbits along the way **An Odd Kind of Fame** Malcolm Macmillan,2002 The true story of the first case to reveal the relation between the brain and complex personality characteristics
