Sleeping by the Mississippi Alec Soth,Patricia Hampl,Anne Tucker,2008 Evolving from a series of road trips along the Mississippi River Alec Soth s Sleeping by the Mississippi captures America s iconic yet oft neglected third coast Soth s richly descriptive large format color photographs describe an eclectic mix of individuals landscapes and interiors Sensuous in detail

and raw in subject his book elicits a consistent mood of loneliness longing and reverie In the book s forty six ruthlessly edited pictures writes Anne Wilkes Tucker Soth alludes to illness procreation race crime learning art music death religion redemption politics and cheap sex The coherence of the project places Soth s book exactly within the tradition of Walker Evans American Photographs and Robert Frank s The Americans Like Frank s classic book Sleeping by the Mississippi merges a documentary style with a poetic sensibility The Mississippi is less the subject of the book than its organizing structure Not bound by a rigid concept or ideology the series is created out of a quintessentially American spirit of wanderlust This is the third print run and third new cover of a book which has become one of the most highly collected and widely acclaimed photo books of recent times *I Wanna Take Me a Picture* Wendy Ewald,Alexandra Lightfoot,2002-09-17 Written for parents and teachers I Wanna Take Me a Picture is an accessible and practical guide to getting children involved in photography Through a series of lessons from self portraiture to representing their dreams it teaches everything a beginner needs to know how to compose a picture set up a darkroom and develop film 101 Picture Prompts to Spark Super Writing Karen Kellaher,1999 Students of all learning styles are motivated to turn a picture into a thousand words with these unique prompts From funny cartoons to inspiring masterpieces each piece in this collection sparks a young writer s imagination Grades 3-5 **The Photography Book** Ian Jeffrey,2005 This is an unsurpassed collection of 500 superb images that represent the world s best photographers from the mid 19th century to today arranged alphabetically by photographer from pioneers such as Gustave Le Gray and Daguerre to icons such as Robert Capa to innovative and emerging photographers around the world Picturing Black New Orleans Arthé A. Anthony,2012 This book illuminates the fascinating story and visual legacy of Florestine Perrault Collins who documented African American life in New Orleans between 1920 and 1949 *Picturing Migrants* James R. Swensen,2015-10 As time passes personal memories of the Great Depression die with those who lived through the desperate 1930s In the absence of firsthand knowledge John Steinbeck s The Grapes of Wrath and the photographs produced for the New Deal s Farm Security Administration FSA now provide most of the images that come to mind when we think of the 1930s That novel and those photographs as this book shows share a history Fully exploring this complex connection for the first time Picturing Migrants offers new insight into Steinbeck s novel and the FSA s photography and into the circumstances that have made them enduring icons of the Depression Looking at the work of Dorothea Lange Horace Bristol Arthur Rothstein and Russell Lee it is easy to imagine that these images came straight out of the pages of The Grapes of Wrath This should be no surprise James R Swensen tells us because Steinbeck explicitly turned to photographs of the period to create his visceral narrative of hope and loss among Okie migrants in search of a better life in California When the novel became an instant best seller upon its release in April 1939 some dismissed its imagery as pure fantasy Lee knew better and traveled to Oklahoma for proof The documentary pictures he produced are nothing short of a photographic illustration of the hard lives and desperate reality that Steinbeck so vividly portrayed In

Picturing Migrants Swensen sets these lesser known images alongside the more familiar work of Lange and others giving us a clearer understanding of the FSA's work to publicize the plight of the migrant in the wake of the novel and John Ford's award winning film adaptation A new perspective on an era whose hardships and lessons resonate to this day Picturing Migrants lets us see as never before how a novel and a series of documentary photographs have kept the Great Depression unforgettably real for generation after generation
