Adventures in Speech Pier Massimo Forni, 2016-11-11 Selected by Choice magazine as an Outstanding Academic Book for 1996 The Decampron is a parrative account of a situation in which parration takes place a collection of one hundred

for 1996 The Decameron is a narrative account of a situation in which narration takes place a collection of one hundred stories set within a larger story As a group of young men and women fleeing the plague trade stories to pass the time of crisis storytelling occurs in a social context that allows for comment upon the tales by the tellers themselves in a setting that elicits one story in return for another In his close and original analysis Pier Massimo Forni uses the notion of rhetoric as a guiding principle for a critical assessment of the Decameron He explores the discursive tools with which the narrators connect the contents of their stories to their audience s environment and goes on to argue that the book is significantly marked by Boccaccio s habit of exploring the narrative potential of rhetorical forms By showing how the Decameron marks a new stage in the development of vernacular realism Forni also charts a new course in Boccaccio criticism Viewing the cultural and rhetorical context of the medieval masterpiece from a fresh perspective he offers intriguing insights into the functioning of Boccaccio s narrative Adventures in Speech maps the cognitive poetic processes that rule the complex authorial network of relationships involving speech event received culture and narrative objects Il tempo del diaspro.
