

Pierre-Augustin Caron De Beaumarchais

Elizabeth Sarah Kite

Pierre-Augustin Caron De Beaumarchais:

For the Good of Mankind Pierre Augustin Caron de Beaumarchais, 1987 This volume the first compilation of the political correspondence of Beaumarchais author of the Marriage of Figaro will shed light on the controversial diplomatic history of the American Revolution The evidence presented here reveals that the author did mastermind the policy of aid to the American Revolution which has been attributed to the foreign affairs minister Vergennes to whom Beaumarchais addressed most of the correspondence in this volume

Improbable Patriot Harlow G. Unger, 2011 The outrageous true story of the French plot to supply arms and ammunition to Washington's Continental Army and the bold French spy inventor playwright and rogue behind it all

The Figaro Trilogy Pierre-Augustin Caron de Beaumarchais, 2003-10-09 The Barber of Seville The Marriage of Figaro The Guilty Mother Eighteenth century France produced only one truly international theatre star Beaumarchais and only one name Figaro to put with Don Quixote or D'Artagnan in the ranks of popular myth But who was Figaro Not the impertinent valet of the operas of Mozart or Rossini but both the spirit of resistance to oppression and a bourgeois individualist like his creator The three plays in which he plots and schemes chronicle the slide of the ancien régime into revolution but also chart the growth of Beaumarchais humanitarianism They are also exuberant theatrical entertainments masterpieces of skill invention and social satire which helped shape the direction of French theatre for a hundred years This lively new translation catches all the zest and energy of the most famous valet in French literature

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Eugenia Pierre-Augustin de Beaumarchais, 2011-04-25 In Eugenia the title character is a Welsh girl of good birth who believes herself to be married to a wealthy young Earl In fact the Earl has deliberately misled her and knowingly had arranged a fraudulent wedding ceremony their union is invalid but Eugenia is already pregnant and the Earl is only days away from a legitimate marriage to another woman Even Eugenia does not know his secret but with his new wedding fast approaching he cannot keep his shameful behavior hidden much longer Will he give in to his true love for Eugenia and save her from a life of indignity or will he follow the wishes of others and marry according to his own family's demands Duels disownments and near death experiences abound in this famous play of the 18th century The play Eugénie as it's called in French premiered in Paris in 1767 and had acquired acclaim for itself before it had even graced the stage It was the first feature play of author Pierre Augustin Caron de Beaumarchais who already was well known for his literary accomplishments he'd gotten his start arguing his rights to a patent through publicly published letters and had made a splash internationally with his account of his adventures in Spain while he was attempting to force an unfaithful lover of his sister's to do right by her this story was adapted into a play in his own lifetime by none other than Johann

Wolfgang von Goethe Beaumarchais had written some theater as well but prior to *Eugenie* all of his scripts had either been rejected by the theaters or else were simple one act comedies parades intended for performance at private functions *Eugenie* was his first serious play but it was a success The genre is known now as *drame bourgeois* and was seen at the time as a halfway point between comedy and tragedy William Howarth in this book Beaumarchais and the Theater indicates that the playwright had originally set his story in Brittany and developed the English setting at a later point for uncertain reasons perhaps to play off the mood of fashionable sentimental English stories such as those by Samuel Richardson which were extremely popular at the time The new setting did however create some problems as Englishwoman Elizabeth Griffiths wrote in the introduction to her contemporary adaptation *The School for Rakes* she found Beaumarchais had unluckily adopted Spanish manners for his English characters and did not demonstrate a familiarity with local laws and customs and in her case she realized the troubles caused by the cultural mismatch to be so numerous that she had to resort to merely adapting the play rather than translating To my knowledge this book which you hold in your hands is the first ever direct English translation of *Eugenie* to have seen print After the initial premier *Eugenie* was extremely well received and even moreso after Beaumarchais made some cuts to the play's copious running time which changes were reflected in the printed editions It found itself being one of the first plays known to be performed in New Orleans in the French colony of Louisiana and early printings of *The Barber of Seville* were always certain to announce on the title page that the play was from the author of *Eugenie*

Beaumarchais Maurice Lever, 2009-04-28 Few men of 18th century letters led a more varied or controversial life than Pierre Augustin Caron de Beaumarchais Incorporating letters and firsthand accounts this is an irresistibly lively and engaging account of an extraordinary life *La Folle Journée, Ou Le Mariage de Figaro* Pierre Augustin Caron De Beaumarchais, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Follies of a Day; a Comedy in Three Acts Thomas Holcroft, Pierre Augustin Caron De Beaumarchais, 2023-07-18 A witty and irreverent comedy of manners that skewers convention and society's obsession with wealth and status Pierre Augustin Caron de Beaumarchais and Thomas Holcroft's play is a timeless masterpiece of social satire as relevant today as it was when it was first performed This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Beaumarchais and the War of American Independence* Elizabeth Sarah Kite,1918 **Le nozze di Figaro** Wolfgang Amadeus Mozart,2018-01-01 John Wells introduces the opera with a high spirited account of the action packed career of the author in many respects the prototype of Figaro himself Basil Deane explores the score he shows that Mozart s characters are illuminated here not so much in soliloquies but in their reactions to each other Composer Stephen Oliver discusses how the comedy exists not just in the words but essentially in the music The full Italian text is given with a note on the order of scenes in Act Three and the alternative passages Mozart wrote for the 1789 revival The classic translation of E J Dent is an excellent way to get to know the twists and turns of the plot and the stylish wit of da Ponte s innuendos Contents A Society Marriage John Wells A Musical Commentary Basil Deane Music and Comedy in The Marriage of Figaro Stephen Oliver Beaumarchais s Characters *Le nozze di Figaro* Libretto by Lorenzo da Ponte The Marriage of Figaro English version by Edward J Dent **Oeuvres de Theatre de Monsieur Pierre-Augustin Caron de Beaumarchais** Pierre Augustin Caron de Beaumarchais,1780 *Beaumarchais and the American Revolution* Brian N. Morton,Donald C. Spinelli,2003-01-01 Described by the magazine American Heritage as the Most Underrated French Hero of the American Revolution Caron de Beaumarchais the French watchmaker who rose to fame and fortune as a dramatist polemist and Enlightenment free thinker became the most famous arms dealer of the American Revolutionary War Based on archival research in Europe and the U S this authoritative study tells the fascinating story of Beaumarchais s role as an owner and outfitter of ships and as an arms merchant It chronicles his dealings with Louis XVI Vergennes Benjamin Franklin and the American Continental Congress and his family s struggle to receive payment for the weapons and materiel sent to the American colonists Morton and Spinelli s work is a rich detailed history of the American Revolution and of one of the eighteenth century s most engaging characters *Unlikely Allies* Joel Richard Paul,2010-11-02 From the author of *Without Precedent* and *Indivisible* the gripping true story of how three men used espionage betrayal and sexual deception to help win the American Revolution *Unlikely Allies* is the story of three remarkable historical figures Silas Deane was a Connecticut merchant and delegate to the Continental Congress as the American colonies struggled to break with England Caron de Beaumarchais was a successful playwright who wrote *The Barber of Seville* and *The Marriage of Figaro* And the flamboyant and mysterious Chevalier d on officer diplomat and sometime spy was the talk of London and Paris Is the Chevalier a man or a woman When Deane is sent to France to convince the French government to support the revolutionary cause he enlists the help of Beaumarchais Together they successfully smuggle weapons ammunition and supplies to New England just in time for the crucial Battle of Saratoga which turned the tide of the American Revolution And the catalyst for Louis XVI s support of the Americans against England was the Chevalier d on whose decision to declare herself a woman helped to lead to the

Franco American alliance These three people spin a fascinating web of political intrigue and international politics that stretches across oceans as they ricochet from Versailles to Georgian London to the Pennsylvania State House now Independence Hall in Philadelphia Each man has his own reasons for wanting to see America triumph over the British and each contends daily with the certainty that no one is what they seem The line between friends and enemies is blurred spies lurk in every corner and the only way to survive is to trust no one An edge of your seat story full of fascinating characters and lavish with period detail and sense of place Unlikely Allies is Revolutionary history in all of its juicy lurid glory **Badass** Ben Thompson,2009-10-13 The badasses populating the pages of Badass are the most savagely awesome historical figures to ever strap on a pair of chain mail gauntlets and run screaming into battle Author Ben Thompson considered by many to be the Internet's foremost expert on badassitude has gathered together a rogues gallery of butt stomping rogues from Julius Caesar and Genghis Khan to Blackbeard George S Patton and Bruce Lee Their bone breaking exploits are illustrated by top artist from the fields of gaming comics and cards DC Comics illustrator Matt Haley and Thomas Denmark illustrator for the collectible card game Magic The Gathering This is not your boring high school history this is tough manly unrelentingly Badass The Follies of a Day; Or, the Marriage of Figaro (Dodo Press) Pierre Augustin Caron De Beaumarchais,2008-11 Pierre Augustin Caron de Beaumarchais 1732 1799 was a watch maker inventor musician politician fugitive spy publisher arms dealer and revolutionary both French and American He was best known however for his theatrical works especially the three Figaro plays Beaumarchais is well remembered for his essential support for the American Revolution Louis XVI who did not want to break openly with England allowed him to found a commercial enterprise Roderigue Hortalez and Co supported by the French and Spanish crowns whose real purpose was to supply the American rebels with weapons munitions clothes and provisions Shortly after Voltaire's death in 1778 he set out to publish Voltaire's complete works many of which were banned in France While the venture proved a financial failure Beaumarchais was instrumental in preserving many of Voltaire's later works which otherwise might have been lost His Figaro plays are indicative of the change in social attitudes before during and after the French Revolution His works include The Barber of Seville or The Useless Precaution 1773 and The Follies of a Day or The Marriage of Figaro 1778 *General George Washington* Edward G. Lengel,2005-06-07 Much has been written in the past two centuries about George Washington the statesman and father of his country Less often discussed is Washington's military career including his exploits as a young officer and his performance as the Revolutionary War commander in chief Now in a revealing work of historical biography Edward Lengel has written the definitive account of George Washington the soldier Based largely on Washington's personal papers this engrossing book paints a vivid factual portrait of a man to whom lore and legend so tenaciously cling To Lengel Washington was the imperfect commander Washington possessed no great tactical ingenuity and his acknowledged brilliance in retreat only demonstrates the role luck plays in the fortunes of all great men He was not an enlisted man's leader he made a point of never mingling with his troops

He was not an especially creative military thinker he fought largely by the book He was not a professional but a citizen soldier who at a time when warfare demanded that armies maneuver efficiently in precise formation had little practical training handling men in combat Yet despite his flaws Washington was a remarkable figure a true man of the moment a leader who possessed a clear strategic national and continental vision and who inspired complete loyalty from his fellow revolutionaries officers and enlisted men America could never have won freedom without him A trained surveyor Washington mastered topography and used his superior knowledge of battlegrounds to maximum effect He appreciated the importance of good allies in times of crisis and understood well the benefits of coordination of ground and naval forces Like the American nation itself he was a whole that was greater than the sum of its parts a remarkable everyman whose acts determined the course of history Lengel argues that Washington's excellence was in his completeness in how he united the military political and personal skills necessary to lead a nation in war and peace At once informative and engaging and filled with some eye opening revelations about Washington the war for American independence and the very nature of military command General George Washington is a book that reintroduces readers to a figure many think they already know
