Piers Anthony:

A Spell for Chameleon (The Parallel Edition... Simplified) Piers Anthony, 2012-02-14 Piers Anthony's bestselling Xanth series is one of the cornerstones of fantasy a lively and whimsical interpretation of a genre often criticized for taking itself too seriously Anthony's first Xanth novel *A Spell for Chameleon* was initially edited to target a more traditional audience Now in an eBook exclusive *A Spell for Chameleon* has been reworked line by line its language matching the simpler playful way with words that made Piers Anthony an enduring fan favorite Xanth is an enchanted land where magic rules a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own For Bink of North Village however Xanth is no fairy tale He alone has no magic And unless he gets some and fast he will be exiled Forever But the Good Magician Humfrey is convinced that Bink does indeed have magic In fact both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any possessed by the King the Good Magician Humfrey or even the Evil Magician Trent Be that as it may no one can fathom the nature of Bink's very special magic This is even worse than having no magic at all and he still faces exile **Split Infinity** Piers Anthony, 1987-10-12 On the technological decadent world of Proton someone was trying to destroy Stile serf and master Gamesman His only escape lay through a mysterious curtain revealed by a loving robot Beyond the curtain lay Phaze a world totally ruled by magic There his first encounter was with an amulet that turned into a demon determined to choke him to death And there he soon learned his alternate self had already been murdered by sorcery and he was due to be the next victim Know thyself the infallible Oracle told him But first he must save himself as he shuttled between worlds On Proton his fate depended on winning the great Games On Phaze he could survive only by mastering magic And if he used any magic at all the werewolf and the unicorn who were his only friends were determined to kill him at once **Blue Adept** Piers Anthony, 2009-06-03 In this brilliant continuation of the epic adventure that began in *Split Infinity* Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless **Firefly** Piers Anthony, 1992 In its unearthly embrace awaits heaven and hell The touch of Firefly is the most erotic experience of your life and the very last **Heaven Cent** Piers Anthony, 2011-04-01 *Heaven Cent* continues the Xanth saga from New York Times bestselling fantasy author Piers Anthony In the mind of Xanth's precious shapeshifting Prince Dolph the perfect way to see the world is to search for the missing sorcerer Humfrey Setting

off with his faithful companion Marrow an enchanted skeleton Dolph will penetrate an island of illusion escape a goblin kingdom outwit a husband hungry mermaid save marrow from bone starved harpies and find romance with a slinky snake princess all on his way to discovering a magic coin with all the answers At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Killobyte* Piers Anthony,1994 In the virtual reality computer game Killobyte wheelchair bound ex cop Walter Tobin is a hero and he can have the use of his legs restored Diabetic Baal Curran is a beautiful princess and she can forget the illness that drove away her boyfriend But the game takes on a sinister reality when Walter and Baal are trapped in the system **Anthology** Piers Anthony,1986 A retrospective anthology of tales is highlighted by autobiographical accounts of the experiences that have shaped his fantasy and science fiction work

Macroscope Piers Anthony,2003-09-01 Throughout history man has been searching for better ways to gather information about his universe But although they may have longed for it not even the most brilliant minds could conceive of a device as infinitely powerful or as immeasurably precise as the Macroscope until the twenty first century This is a story of mans desperate search for a compromise between his mind and his heart between knowledge and humanity Prosth Plus Piers Anthony,1986-06-15 What s keeping you from your grand tour of the universe Are you afraid of being caught out in the vastness of space with a painful cavity and no one capable of fixing it Well fear not the galaxy is simply teeming with dentists For Dr Dillingham dentist of Earth it was the shock of his life captured by aliens forced to fix a strange cavity in an even stranger mouth then whisked off to deep space But luckily for the good dentist Dillingham discovered that he liked zooming about the galaxy solving unprecedented problems and making new and decidedly different acquaintances And when he was offered the chance to apply to the Galactic University of Dentistry as Earth s first and only applicant Dillingham had a choice to make go back to his safe little world of bored housewives and miles of braces or make a mark for mankind among the teeth of the stars It was really no choice at all *Source of Magic* Piers Anthony,1990-09 King Trent orders Bink to find out about the source of Xanth s magic **Tarot** Piers Anthony,2023-11-03 The miracle planet discovered Explored and revealed Welcome to the fantastic planet of Tarot It is a land of horror and adventure a nightmarish realm beyond the curtain of the Animation where dragons demons and unholy lusts abound It is into this world of alien horrors that Paul wanderer monk must venture to save a start colony He is their last hope a warrior in a world where religions are wielded like swords and the landscape is that of Hell itself Originally intended as a complete novel Piers Anthony s TAROT was first published in three volumes God of Tarot Vision of Tarot and Faith of Tarot The complete story is now available in one volume in this new edition from Xenophile Press Night Mare Piers Anthony,2002-03-26 The danger to Xanth was so great that only a night mare could offer hope The Nextwave of barbarian warriors was invading Xanth from the north ravaging and destroying as they advanced But Mare Imbrium had her own problems Ever since she had gained the half soul the night mare had begun to mishandle her job of delivering bad dreams Now the night Stallion dismissed her exiling her to the day world with a message

for King Trent Beware the Horseman She had no idea what that meant But that was the way with prophetic warnings nobody could understand them until it was too late Then she met the Horseman And she discovered that one who would right a night mare was a master of a bit and spur and not a man to surrender her For the night mare it all began to be a horrible nightmare *Golem in the Gears* Piers Anthony,2002-03-26 A golem to the rescue Grundy Golem was the size of an

inconsequence and nobody had any respect for him including Grundy To prove himself he volunteered to ride the Monster Under the Bed to the Ivory Tower to find little Ivy s long lost dragon Stanley Steamer After many adventures he reached the Tower to learn that the evil Sea Hag kept lovely Rapunzel imprisoned there her body destined to be used to maintain the witch s immortality Grundy managed to free the damsel and they fled together As the descendant of Jordan the Barbarian and Bluebell Elf Rapunzel could become any size even that of any Golem s dreamgirl But Grundy knew she was surely fated for someone better than he Besides the Sea Hag still pursued them to destroy him and get her back And he still hadn t found Stanley Steamer *Letters to Jenny* Piers Anthony,2014-07-01 The New York Times bestselling author of the Xanth novels

wrote these weekly letters to a fan of his books in the hope of helping her out of a coma In February 1989 science fiction writer Piers Anthony author of the Xanth series received a moving letter It came from a woman whose daughter Jenny was in a coma as a result of severe injuries caused by a drunk driver She asked Anthony to write to Jenny an avid fan of his in the hope that a letter from him would evoke some response Her request resulted in a series of warm supportive and humorous letters written weekly from Anthony to Jenny These were read to the patient by her mother The original letters Anthony wrote between February 1989 and 1990 reproduced here along with Anthony s comments reveal the author s wit humanism and social conscience Jenny has come out of her coma but is still confined to a wheelchair Anthony also named a character in his next Xanth novel after Jenny whose limited but definite physical responses to his letters indicated how important they were to her *Mer-Cycle* Piers Anthony,2017-07-20 A discreet advertisement brings a group of apparently disparate

individuals together to a bizarre rendezvous on the ocean floor *Hard Sell* Piers Anthony,1993 Mr Fisk Centers has it made a personal fortune of three million dollars enables him at the tender ages of 50 to take an early retirement and enjoy all the comforts 21st century Earth has to offer Then he gets a call from Mars Ltd offering him a real estate deal that sounds too good to be true It is Now penniless and unemployed Centers will do anything to make a buck Previous publisher Tafford
